THEME OF THE YEAR 2023

*Take root  
below  
and bear  
fruit above*

**FRONTLINE...**

In our christian life if Christ is the main root then the fruit will be that of Christ's characters. Jesus commanded His disciples to preach the Gospel and to bear fruit. In John 15 :16 Jesus says ... I have chosen you and appointed you so that you might go and bear fruit, fruit that will last... God expects our life to be fruitful. if we need to be fruitful the root is important. How deep are you rooted? However large a plant or tree could be its beginning is from a tiny seed. This tiny little seed undergoes several changes under the soil then a little root sprouts and grows groundward following which the stem leaves grow upward. Any tree or plant that has no groundward growth has no upward growth too. It cannot be fruitful also. A tree is expected to bear fruit. If it has to bear much fruit then the roots must be near the water bodies and must grow deeper also.

The gifts of the Spirit is different from the fruit of the Spirit. The gifts of the Spirit are received from God, but the fruit of the Spirit needs to be grown in us and by us. This cannot be grown overnight but it is a continuous process if we have the word of God embedded in our hearts the Holy Spirit drenches and makes us grow, blossom and to bear fruit. only if we are rooted in the Word of God we will be able to face any kind of storms in life and not be shaken but be fruitful. If we are rooted and Christ we will be fruitful in any circumstances. If we live a fruitless life then the gardener Jesus is ready to cut down such trees. the axe is at the root already (Mat 3.10).

Any tree that bears fruit bears for the others rather than to itself. How deep is our root? What kind of fruit do we bear in our lives. let's analyse ourselves. God also delights in the fruit of the soul we leave that this month's issue of the magazine will help you to bear fruit and bring many souls to His fold. Let's prayerfully read it and bear fruit and make others bear fruit. May the lord be pleased to see our fruitful life. Amen!

## From the General Secretary...

Dear partners in the mission of reaching the unreached Indians,

Greetings to you all in the everlasting Name of the Lord Jesus Christ.

I am writing this month editorial from Gujarat where I am visiting the missionaries. In the parable of the lost sheep, Jesus said that the shepherd left all the 99 sheep in the open country and went after the lost sheep until he found it (Luke 15:4). This parable reminds us the responsibility of seeking the lost by each one of us individually and reminds the church as a whole. In reality, we have the reverse situation today as we have only 3 sheep with us and 97 is lost. In the parable the shepherd had more concern about the lost one than the 99 at hand. But we are having concern about the 3 with us and not concerned about the 97 which is lost. The lost 97 are entangled in many bondages and waiting that someone may come and free them from the bondages to enjoy the real freedom. May the Lord kindle our insensitive hearts with burden and love for the souls which have lost the freedom.

**Meeting of the CSI missionaries:** I was invited to speak to the missionaries of CSI on 21st June, organised in Chennai by the Mission Department of the CSI Synod on the topic “Missionary as a person”.

**Meeting with CNI Gujarat Diocese Bishop:** The President of FMPB and myself along with the mobilization and field leaders met the CNI Gujarat Diocese Bishop Rt. Rev. Silvans Christian and the Diocese leaders in Ahmedabad, Gujarat on 27th June 2023. The Bishop warmly welcomed us and the this meeting further strengthened the relationship between the Diocese and FMPB. The Bishop has graciously agreed to our request and

decided to ordain 30 of our Missionaries and Evangelists as Deacons on 2nd September 2023 at Fokdi, Netrang, Gujarat. The support of such Church leaders are very encouraging and helping in our mission to reach this nation.

**Interview:** The interview for selecting new missionaries was conducted on 30th June in Headquarters. Totally 27 candidates participated in the interview and 20 were selected. At the final count 18 new missionaries have joined us and one week orientation program was completed. Now they are on an 1 month mobilization exposure in selected places and 5 months field exposure following the mobilization exposure. Kindly pray for the new missionaries who have joined in our FMPB family.

**Divisional heads prayer and planning:** On 3rd and 4th of July, the Divisional Heads and I, spent time in prayer. In that two days God refreshed our hearts and strengthened us to reach the nation. After spending solid time in the presence of God, we spent next two days in planning for our ministry.

**Gideon International in India's Annual Conference:** I had the privilege to be the Bible Hour Speaker in the 6th Tamil Nadu State Convention held at Karur on 7th and 8th July 2023. God used me for His glory and for the benefit of the delegates. I would like to extend my thanks for all your prayers.

**Meetings in Madurai:** On 9th July I spoke in the morning service in which our missionary was dedicated at East Gate CSI Church in Madurai. Evening I shared the Word of God in

the SCAN family gathering at LPN Girls HSS, Madurai. God did wonders on that day by controlling the weather. All around the venue from 200 meters there was heavy outpouring of rain, but the ground in which the meeting was conducted had a light drizzle, so that we could continue and complete the meeting without any disturbances. All glory to God.

**Meeting with Mobilization Zonal Secretaries:** The first meeting under the leadership of the newly appointed Divisional head Rev. Daniel Thomas of the Tamil Nadu Pondy Mobilization Zonal Secretaries was conducted in Chennai on 10th July and it was a blessing.

**New Missionaries' Orientation Program:** The Orientation program for the newly selected missionaries was conducted by the HRD in Headquarters from 6th July to 11th July. Many Senior missionaries spoke to the new missionaries in different topics. I too taught them on two topics on 10th July.

**Gujarat Visit:** From 12th-18th July the Field Secretary and myself are visiting Aravalli, Satpuda, Sahayatri, Godavari Regions, Jhavda English Medium School and Peint area. We will be conducting Regional wise meetings for the missionaries and visiting missionaries in their homes during this visit. It is a blessing to me personally to be with the front-line missionaries who are deeply committed and faithful in fulfilling God's call.

# Chosen to BEAR FRUIT

Gladys Aylward, a British missionary was from a very poor and insignificant family with a background of poverty and failure in studies. Unable to continue her schooling due to poverty

at home, she had to work

as a domestic maid from the age of 14. Can you imagine that she was one of those people who was spoken about in her later years on Radio and newspapers? Are you able to believe that the movie "The little woman" was based on her life story? Isn't it shocking to hear that she received awards from Queen Elizabeth and had the opportunity to feast alongside her?

Dearly beloved, "God needs you" is the word that transformed the life of Gladys. She was able to complete a very fruitful ministry in the land of China just because she surrendered herself completely to God listening to His voice. God is calling you too in the same manner. A "Fruit Bearing life" is a life useful to God and to man. God has established us for this same reason. John 15: 16.

In John 15, John uses a few word,

Verse 2 - More fruit

Verse 5 - Much Fruit

Verse 16 - fruit that will last.

I would like to point out to a person from the Bible as an example to fulfilling God's desire and bearing fruit.

A woman whose name is not even mentioned, rejected, abandoned, sinful and having the fear of people's malicious talk she had come to draw water in the well sometime during the afternoon when the sun was shining hot. We read about her in John 4.

The one who makes the rejected stone the corner stone met her. She did not come to Him... He himself went to her. As a result, her life was transformed. Let us meditate on those transformations.

## 1 She Knew the person who knew her

Jesus spoke to her asking for water near the well in verse 28. She also identified Him as a Jew and spoke about Jacob and Messiah. She had the knowledge about the Word of God, the forefathers and about Messiah and yet she was living a sinful life.

A pastor was more curious to know what a small boy prayed as he noticed him coming to Church every day to pray. He sincerely prayed for his father "Lord bring one foot down". The pastor was astonished and confused, so he enquired with him about the prayer. The little boy said that his father had good understanding and great knowledge about the Bible but it was not connected to the heart and everything was just superficial knowledge. So, he prayed that the theoretical knowledge in his head may move down one foot to his heart and become practical and make his father a better Christian. How much beautiful is this prayer which carries deep meaning. A man of God once said that if we need to identify the presence of the Holy Spirit in a man it cannot be known by the gift of the Holy Spirit but by his aversion towards even a small sin in his life. Every sin is a sin in the sight of God whether it is big or small. These are the nails that are a big hindrance to a holy life. We need to clear them all off. There is one remedy for this, we need to abide in the word of God and in Him. When our time with the Bible is lesser, we spend more time in fighting the Devil. Dr. Billy Graham said that there is a difference between knowing God and knowing about God. Do we just know God? Or do we know about God?

## 2 She Confessed the person who knew her

When Jesus started the conversation asking for drinking water and speaking further about the Living water and the truths about eternity, she further did some few things. Let us meditate on those.

4: 17 - She confessed the truth as it was.

4: 19 - She identified Christ as a prophet.

She surrendered herself completely when Jesus started to tell her about her hidden and sinful life. She came as she was. She accepted the reality. Today most of us do not have the salvation and we don't have the knowledge about salvation. There is no use in just confession.

Three levels of Salvation.

- Penalty of Sin - Past Salvation frees us from the penalty of sin
- Power of Sin - Present Salvation frees us from the power of sin
- Presence of Sin - Future Salvation frees us from the presence of sin

She understood all these and immediately confessed. "Sir, You must be a prophet" - John 4: 19.

## ***Repentance without Remorse***

### ***Surrender without any reservations***

Filling of the Holy Spirit without love will not help us. William Long staff wrote a song which says, "Take time to be Holy"

## **3 She declared about the person who knew her**

She confessed and had received new strength. John 4: 28 says that she left the pot and ran to tell people about Jesus.

She ran to people no longer minding about their talks. She is so much interested in telling to others about the living water that she had just met. The one who avoided talks with people calls them to come and meet Jesus. We cannot see people being quiet after they had met Jesus. Andrew went to his brother and immediately informed that he had met the Messiah - John 1: 14.

Mark 5: 18, 19 - The person delivered from Legion requested that he will be with Jesus all through his life. Jesus asked him to go and tell all his friends and family about the goodness he received. We read that

he spread it all through Decapolis. We also read that Saul started to talk about the person he met on his way to Damascus. He did that without any hesitation - Acts 9: 20.

Dearly Beloved, We were saved to save. We were freed to make people free. We learn from our missionaries who had been in prison that they were able to transform the lives of so many people just by living the life of salvation even in prison. John 4: 39 says that many of them listened to her and believed in Jesus. Verse 40 says that they wanted Jesus to stay for some more time to know more about Him. Verse 41, 42 says that they believed and were saved. She became a person who continued to bear much fruit. God expects the same life from us too. We need to know the person who knows us and confess our sins and declare about Him to the whole world. The seed that is sown becomes a big tree. The sand that is trampled becomes a beautiful pot. The defeated man becomes a mighty Christian. Let us abide in Christ when we come across situations of defeat, brokenness and strife. We will also be transformed beautifully in His presence.

# BHONDIHIR CHURCH HISTORY

## Ahwa Field, Sahyadri Region

*Written By*  
**Rev. L. Masilamani**

**B**hondvihir Village, with population of 334 is the Dang district's 68th least populous village, located in the Subir Taluk of the Dang district in the state of Gujarat in India. Total geographical area of Bhondvihir village is 3 km<sup>2</sup> and it is the 102nd smallest village by area in the district. Nearest town of the village is Navapur and distance from Bhondvihir village to Navapur is 40 km. Ahwa is the district head quarter. 41% of the total village's area is covered by forest. The village is home to 334 people, among them 152 (46%) are male and 182 (54%) are female. 1% of the whole population are from general caste and 99% are schedule tribes. There are 77 households in the village. 176 people in the village are literate. Overall literacy rate in the village has increased by 12%.

### **The Beginning:**

On 8-5-1981 Ahwa field was opened by Rev. L. Masilamani family. In July 1995, Rev. D. Abraham's family joined Grakhadi field as a coworker to Rev. Bethuel Bardan family. In April 1996, D. Abraham took in charge of Garkhadi field as Rev. Bethuel took in charge of the newly created Pimpalner field in Maharashtra state. Behdun Church and the evangelist Rev. Jhiman Bhai played a major

role in the establishment of a congregation in Bhondvihir village. Some sick people went to Behdun Church in search of healing. They were healed by the prayers of evangelist Jhiman Bhai and the Church elder Sudhir Bhai. Some of their testimonies are given below:

**Ragu Bhai Indar Bhai Pawar says**  
“My mother was suffering from TB. We went to Darga (something like a mosque) in Pipaldahad village for 2 years and spent around Rs. 12000/- but she became more sick. Finally we thought of trying Christianity. As some people used to go to Behdun earlier, we also went to Behdun Church. Jhiman Bhai prayed for my mother and he also conducted prayer meeting in our house. She was healed by the prayers”.

**Santharam Bhai Indar Bhai Pawar:**  
“When I was fifteen years old, I fell sick very often. I was taken to the hospital in Ahwa. The doctor told that there was some problem in the heart and a tumor in my stomach. They recommended for treatment to a hospital in Surat. My mother told to try Christian faith. So we went to Behdun Church as my mother's sister was also living there and

the Church elder Sudhir Bhai prayed for me. Within one month I got good improvement and after I confessed my faith in the Lord I was completely healed".

*Ramju Bhai Sitru Bhai Ahir*

Thus some sick people went to Behdun village and became Christians after getting healing from their sicknesses. So in 1996, these Christians must have invited the FMPB missionary D. Abraham and evangelist Jhiman Bhai to conduct meetings in their villages. They had a plan of starting Sunday services also in their village. Three brothers of the present evangelist Ramju Bhai became Christians. Their elder brother Mangu Bhai was the first believer among them. His brother evangelist Ramju Bhai Sitru Bhai Ahir testifies: "We were following our tribal religion. One day I got a dream. I saw black devil and it told me that it would enter me and would harass me. I felt that from my head to feet something passed. I was frightened. Already my elder brother Mangu Bhai was following Christ. As my father was a witch doctor (Bhagat), I asked him to check my heart beats. He checked and told that he could not feel anything. So I told him that I would follow the religion of my brother. So I asked my brother to pray for me. He prayed for me. We were attending the Shepuamba Church. In 1998, there was a persecution

and that Church was demolished. Then we contacted Jhiman Bhai of Behdun village. He came to our village and started meeting in my brother Mangu Bhai's house in 1999. Many new people came to that meeting. I was asked to serve as a catechist and in 2004 I was made an evangelist later. Thus the regular meetings were started by FMPB evangelist Jhiman Bhai in Mangu Bhai's home in 1999 and a kacha Church was put up in 2001 by Rev. D. Abraham. Then a pucca Church was constructed in their land near to the main road in 2008.

### **Church Construction:**

The meetings were started in 1999 in Mangu Bhai's home by FMPB. Kacha Church was constructed in 2001. Jhiman Bhai, Avasiya Bhai used to come to conduct the meetings. The present Church is built in the land of evangelist's family-four brothers and all are Christians. The land given to the Church is 20 feet wide and 40 foot length. The pucca Church construction was started on 10-4-2007 and it was finished on 28-9-2008 and it was dedicated on 28-9-2008. People donated wood for windows, door and for the ceiling needs of the Church. People gave their free labour. Pastor's room was also constructed along with the Church. Missionaries S. Arulraj and D. Abraham came for the Church dedication. The sponsor also came from Tamil Nadu.

### **Church Growth:**

After the starting of the meetings in Bhondvihir many new sick people started coming to the meetings seeking healing from various sicknesses and God healed them all by hearing the prayers of their servants.

Ramju Bhai became a catechist and later in 2004 an evangelist and he played a major role in the Church growth. Deepak Bhai describes how he himself decided to become a Christian by realizing that Christian faith is the real way given by God. "We were in our tribal faith. When we were sick we used to go to the witch doctors and we did not get any improvements. So we decided to follow Christian faith. Five years back we started coming to this pucca Church and we are now well. Jhiman Bhai used to conduct the meetings. Now I understand the truth and I have been blessed in my works".

One of the first believers Maharu Bhai's son Vipin Bhai Maharu Bhai Desmukh testifies "My mother was sick with an unknown sickness when we were little children. She was taken to Peer and then to Mohupada and spent on goats and other expenses. There were three Christians in Bhondvihir-Jhiman, Jeetu and Rogya. They assured us of healing by prayers for my mother. They prayed for my mother and she was healed. We went to Shepuamba Church for worship meetings. Our Church pastor was taken to Unai temple and he was compelled to take bath in the Unai temple. Our mother's brother told us also to go to Unai to deny Christian faith. But we refused it and started attending the meetings in our village arranged through FMPB".

## Handing over of the Church by FMPB:

Bhondvihir Church was handed over to Church of North India, Gujarat Diocese in April 2013. This Church comes under the

Behdun pastorate. Now 45 families are in Christian faith. Thirty five are regular in faith. More than 120 persons come for the Sunday services. 15 families' are from the Bhil tribe and 30 families from the Kukna tribe. There was no opposition in the time of the construction of the Church. Santaram Bhai works as a catechist voluntarily. Ten to fifteen people are added every year in faith. Mainly they come to get healing.

## Church Activities:

Sunday services are conducted. Sunday school is being conducted by Pramila Ben after the Worship service, around Twenty to twenty five children attend it. Cottage Prayers, youth Meeting, women Fellowship is also conducted. Out of nearly Five hundred total populations, only eleven families did not become Christians. Majority of them are Christians. People share the Gospel to the people in the village telling about the blessings of being a Christians such as saving, fee spent on witch doctors, freedom to eat all things, getting healing without expenses but by faith only.

## Prayer Concerns:

- ❖ For the children studying in the schools. They should have all facilities to finish their education well
- ❖ Medical facilities to be available to the sick people.
- ❖ Migrant laborers to get some occupations in their own village. 50% per cent people go to sugarcane fields.
- ❖ Employment opportunities to be available to the educated youth.

# Missionary Biography

## Kokani Pravinbhai Lachhubhai & Paruben Chiitrabhai

### EARLY LIFE:

Friends Missionary Prayer Band started the cross cultural ministry among the Kukna tribes of Dangs district in Gujarat in 1976 by starting mission fields in Wagai and Halmodi. God blessed the small beginning. Thousands of Kukna people accepted Christ and began to worship the Lord in many congregations. In later days from that Kukna Congregations, God raised many young people as cross cultural missionaries. It was amazing to see God's wonder working ways among them. Kokani Pravinbhai Lachhubhai family was one such family. They were from Kuyilipada village of Vyra, Gujarat. Kokani Pravinbhai was born in a non-Christian tribal family on 1st May 1979. Kokani

Pravinbhai's father Lachhubhai was a farmer. His mother was Sattru Ben. They earned their livelihood by tending cattle, poultry and farming the land. Pravinbhai's father Lachhubhai died at a very young age. His mother took care of him and also his younger brother Girishbhai.

### SALVATION:

Through the ministry of FMPB missionaries Mrs. Sattru Ben accepted the Lord Jesus as her Saviour. Hundreds of Kukna people accepted the Lord and worshipped Him in many congregations. As most of the Kukna people are illiterate, the missionaries of FMPB had to shoulder the responsibility of giving education to the second generation. The missionaries took many efforts and one of them was starting the Children home. One such children home was nurtured by Nava Jeevan Sevamandal, a sister concern of FMPB. Kokani Pravinbhai had an opportunity to study from one of the NSM homes. From the 1st standard to the 9th standard he was in that home, where he came to know about Jesus, the Bible and of course the Christian ways of living. In 1994, the NSM arranged a special retreat for all the students living in their homes. Pravinbhai who was in standard nine at that time accepted Christ as his personal saviour. From that day onwards, Pravinbhai started reading the Bible systematically and praying to God regularly. Many witnessed about

his changed life. He participated in all Christian activities of the Church and NSM.

### **CALL TO THE MISSION:**

After the salvation experience of Pravinbhai, the Lord gave him the burden about his own village people. He had a burning heart to preach the Gospel to all his relatives and villagers. He was growing in the Lord with the fellowship of the other friends. While reading and meditating the Bible, he had sensed that he was responsible for his own people to come to the Light from the darkness. Again NSM conducted a spiritual retreat for all the inmates of the homes. Pravinbhai too attended the retreat. The preacher of the retreat selected the verse Isaiah 6:8 and challenged the participants to preach the Gospel to their own people. He responded to the call of God and committed his life to be a missionary. He finished his school final in 1998. As he decided to do the God's ministry, he joined Gujarat Bible College to equip himself for the ministry. He finished his theological course in 2001. As the FMPB preached the Gospel in his own native village and other nearby areas, he got interested in the ministry and joined the FMPB as a missionary. He was sent for missionary training for a year at Kachuwa, in the state of Uttar Pradesh. After finishing his training successfully, he was placed among the Oravan people of Chattishgarh. He started his ministry in the Tabukkara field.

### **PARUBEN CHHITARABHAI:**

Paruben was born on 1st September 1976 in Pardia village of Vyara, Gujarat. Her father Chitrabhai and her mother Ithuben accepted Christ through the ministry of FMPB missionaries. When Chiitrabhai was very sick our missionaries Rev. Israel Devados and Rev. Johnson Barnabas preached the Gospel and prayed for his recovery. God healed him completely; so he accepted Christ with his family. Paruben was sent to Bethel home, Vyara to get education. Paruben, during her stay in the children home, came to know about Christ and his sacrificial love. In 1996, during a special retreat for the inmates of the children home, Paruben confessed her sins and accepted Jesus as her personal saviour. The environment in the children's home helped her to grow in the Lord every day. Paruben read the Bible and meditated upon it regularly. She also joined with the other girls of the home and prayed for the nation. In 1997, Paruben attended a spiritual meeting held at Vyara, where many servants of God shared the word of God.

A few missionaries shared their witness and their ministry. Paruben was touched by the witness of the missionaries and committed her life to do God's ministry. During the school holidays, she proclaimed the Gospel to other people of her village, conducted Sunday school and VBS for children. She continued her higher studies in

a college and finished her bachelor degree in 1997. As she was keen on becoming a cross cultural missionary, she attended the interview conducted by FMPB. She was selected as a missionary candidate. After one year of missionary training, she was placed in Haryana to do the ministry among the women.

### **MARRIAGE LIFE:**

Parents took efforts and proposed a marriage alliance between Paruben and Pravinbhai. Their marriage was held on the 14th of May 2005 in the Quilipada Church. The Reception was held in Pardipada village as a witness to non-Christians. God blessed their married life and blessed them with two children. In 2006 the first girl baby was born, they named her Prasanna Kumari. And in 2009, God blessed them with a boy child Prince.

### **CHURCH PLANTING MINISTRY:**

After the marriage, they continued the ministry in Tapukara field, among Oravan people of Chhattisgarh. They preached the Gospel, village after village. Many people came to know of the Lord and joined the Church. Seven congregations were planted and 239 people accepted the Lord Jesus and worshipped in these congregations. They were preaching the Gospel through night meetings in three more places, where people heard the Gospel with much interest. Amazingly they learned the Oravan

language and preached the Gospel in people's language.

### **LAST DAYS:**

On the 5th of June 2010, Pravinbhai and Paruben were travelling to Parthpara village on a motor cycle with their two children. They saw a passenger bus coming from the opposite direction on a small narrow bridge. So, Pravinbhai stopped his motor cycle nearly 100 feet before the bridge. Paruben got down from the motor cycle and stood near her husband. The bus which came from the opposite direction, after passing the narrow bridge, hit Pravinbhai, Paruben and their two children. Paruben and prince died on the spot as the wheels of the bus ran over them. Pravinbhai was thrown away along with his daughter and lost consciousness. Their daughter Prasanssa escaped with minor injuries. Some people who came for the rescue took Pravinbhai to a nearby Kansabel hospital. The treatment could not revive Pravinbhai and he also lost his breath on 5th June 2010. On hearing this tragic news, all the other missionaries of Chattishgargh rushed to the spot. This incident shook the family of FMPB. Even though they served the Lord for a very short time, they did what they could do for the Lord happily. Their daughter Prasanssa is now a student of Santhosh Vidyalaya. Please uphold her in your prayers

# TRAIL BLAZERS

**I**t was in the early days of protestant churches in England, there lived a boy named William Hunter. He was brought up in a faithful christian family. He reached the church in Front Wood at London, even before the service began. He started to read the Bible which was placed before him on a table. Peace and joy filled his heart as he read the Bible!!! In those days, Bible was considered as the most holy book, where the ordained Bishops had the privilege to read it. Unfortunately, one of the Bishop's officer noticed this and arrested him as it was considered as the serious crime according to the law of Church.

This issue was taken to the Bishop and he enquired him. William, without any hesitation replied the Bishop, that until his last breath he will not quit reading the Bible. He believed that it would bring him a peaceful and a sinless life. Hearing those words, the bishop was enraged and convicted him as an Anti-Christian. This was taken to the head of the Bishop Council where he was taken to the court, which was meant for Christians and their own laws. Unlawfully, judgement was written to burn William Hunter alive.

## William Hunter

In the prison, many of his friends and relatives were broken and felt sorry for him. But, his parents instead of worrying and discouraging him, prayed that he should be prepared to die as a martyr and also encouraged him to stand firm in his faith. They praised God for giving such a faithful child !!! In the end, he consoled his parents saying for the little pain which shall suffer, which is but a short braid, Christ hat promised me, "a crown of joy".

Hunter was taken to the death field on March 27th, 1955. He quietly knelt down on the firewood that was arranged for him. The fire was lit. He was seen burning in the woods without any murmur, instead he felt proud to die as a martyr and breathed his last. He courageously faced the persecution.

In those days, Bible was portrayed as a showcase material. Punishment were given to those reading and owning a Bible. The olden days Catholic priests, followed their own rules and regulations but not God's word. People like Martin Luther king were unhappy with the philosophies followed by the catholics,somehow managed to read the Bible and this opened the eyes of the people about the truth as a result of which, a revolution erupted and this led to the rise of protestant community. But today, are we reading the Bible or only buying costly ones/downloading the Bible app in mobile/tablets to keep as showcase, making it an idle all time. The bible is not for your fame, but it is your complete guide for eternity. If

you miss the guide, you will miss the eternity forever.

*Now pause for while and analyze yourself*

- ✓ How many minutes do I read the Bible everyday?
- ✓ Do I have my quiet time/ meditate God's word everyday??
- ✓ Am I living a righteous life as in Psalms 1:2 meditating on the Word of God, day and night???
- ✓ Above all, am I practicing what I learn through the Bible and reflect Jesus Christ in all that I do?

## The battle belongs to the Lord!!!

Shobha our believer family from Jimalgatta (Sironcha) Field in Maharashtra lives in Kishtapur village, got the information that the villagers (Kishore, Sanjay and Anil-the main heads) were planning to have panchayat meeting to excommunicate them from the village so she had requested with tears to prayer for her. So prayer support was raised for them. The next day the missionary family too had to cross that village to conduct Sunday service in another village called Perkabatti. In this situation prayer support was raised and the situation was eased. The next day (Sunday) the missionaries were not stopped while crossing that village and Shoba too attended the Sunday service. On Monday the Panchayat gathered and Shoba's family the only believers from the Koya Gond group was asked to deny their faith. But Shoba questioned them and shared her testimony to all gathered there. God raised a group of people to support their cause. God saw her tears, honoured her belief, strengthened her faith and the Panchayat leaders and shut their mouth against that family. They were unable to decide anything, so they just warned them and sent them away. The following Sunday as per Shoba's request her son and daughter were also added to the fold of Christ. Hallelujah!

## Happy Independence Day!!!

On 15th August 1947, India officially gained independence from the 200-year-long oppression from the British Empire. Since then, Independence Day is being celebrated each year on the 15th of August. It is celebrated to honour the selfless sacrifices of thousands of valiant patriots who kept the freedom struggle alive until the Indians got independence. It was on this day that the Indian national flag was hoisted for the first time in independent India. It is time to celebrate heartily the Independence Day this year too. It is on this day we all stand united to celebrate our freedom as Indians. The ancestors struggled to get us the freedom for our physical body and we are free Indians today, but on the other hand there are multitudes who are bound in their souls for ages. Lets remember those that have gone to deliver them from the clutches of the evil one in our daily prayers.

## TAMILNADU

### Chengam: KS Joshua

**Praise God:** For the Church Elders who attended the Training held in 5 different places and to be fruitful in their ministry. Fasting prayer meets were held in Sathanur and Vedapatti villages. A Sunday School Teachers Training was held in Paramanandhal Church for all evangelists and believers. Mass outreach programmes were conducted in Samalpatti and Santhanur villages. The Lord helped us to form 5 Pastorate Centres for the 32 Churches functioning in this area with a desire to lead many more souls to Christ.

**Pray:** for the continuous ongoing Church Elders training happening every Tuesday and Thursday and those attending should be regular and work with commitment to the Lord. For the comfort and peace of the family members of our Evangelist Rev Vincent Sampath who went to be with the Lord. The Taftee classes conducted for our 4 evangelists should help them grow in Christian maturity and leadership. For financial needs

to be met for the construction of the houses of our believers - Jayanthirani, Sagariah and Sundaresan.

### Mecheri: R.R. Dharmaraj & Maria Selvi

**Praise God:** Gospel was preached to 20 people in Juranoor village. Savitri, Krishnana, Chinaraaj, Kanayan, Jeyalakshmi and Pavitra who show interest in the Gospel and beginning to have faith in Jesus. Savitri was able to get a job in the village office.

**Pray:** For those showing interest in the Gospel to boldly accept the Lord and to confess their faith in Jesus. For those who have accepted the Lord to live a witnessing life. For Mohan to be healed of kidney stone. For the people to be delivered from idolatry. For Vimalraj and Vidhyavi to get God fearing life partners.

### Jesus the true light !

Kamali Jeeva of Kerwara field in Rajasthan was from Kakaradara village was affected by blindness for the past 3.5 years. She had visited good hospitals, temples and even spent lots of money in witchcraft which gave her no help. One of our believer's family brought her to our worship where our evangelist Ashok and his family shared the Gospel to them and prayed with them and applied oil in faith. The next day she was able to see slightly. With constant prayers and faith, she is now able to see clearly. Praise God for His miracle over her life.
