Who Am I LORD?

If we fail to periodically reflect on fundamental questions such as what we are doing, where we are headed, and how we are living our lives, we fall short of experiencing life to its fullest. King David, renowned for defeating the formidable Goliath in Israel's history and triumphing in many battles, was not only a military leader but also a wise and handsome man. Considering the promises and covenants made by God in his life, David sat in the presence of the Lord and posed a profound question in 1 Chronicles 17:16, saying, 'Who am I, O Lord?' When David composed Psalms, he contemplated his existence in the context of the vast cosmos, describing himself as a small dot in God's creation (Psalms 8). As we observe the events unfolding around us and reflect on how God has guided us and our families into the New Year, don't we feel compelled to ask God, like David did, "Who am I, and what is my family?" We existed in the thoughts of Jesus Christ even before the world took shape, and as he hung on the cross for us, sinners, the realization that we were personally in his thoughts prompts us to inquire, "Who am I" that you have done so much for me? As we journey through our lives and enter the year 2024, let's take a pause, look back, and ask, like David, "Lord, who am I that you have led me thus far?" David, seated on the throne in his newly constructed palace amid challenges and blasphemies, couldn't help but ponder, "What is my house, that you have brought me this far?" Reflecting on what God has accomplished in our organization, which began modestly with the senior brothers of the Friends Missionary Prayer Band, and considering the work from the mission field, mobilization efforts, and the head office, we can only acknowledge that it is the Lord's doing alone. In the words of an old song in FMPB, "It is God who has done it, and it happened in my heart, and I couldn't believe, because the experience is new." We must recognize that we are not deserving of these blessings. As we enter 2024 as individuals, families, and an organization, let's cultivate purity in our thoughts and aspire to be vibrant in our actions. So that at the year's end, we can once again humbly say, "Who are we, Lord, through whom you have accomplished these things?"

Blessed New Year 2024!

FROM THE GENERAL SECRETARY...

Dear Partners in the mission of reaching the unreached,

FMPB family wishes a blessed and Christ centred New Year to all the prayer warriors and supporters. This year God has given to FMPB the theme of "Who am I?" based on II Samuel 7:18 which says, '...."Who am I, Sovereign LORD, and what is my family, that you have brought me this far?. In addition to this in I Chronicles 17:16 also David says the same thing. David said this humble statement after God told the future of David's family through Prophet Nathan and after offering a vast amount of wealth for the construction of the temple. In this new year God exhorts us to understand our unworthiness and God's grace and mercy. Lamentations 3:22 says, 'Because of the LORD's great love we are not consumed, for his compassions never fail'. As we will face challenges in the new year, let us all remember His unfailing love and grace to overcome those challenges.

2 Samuel 7: 18

Introduction

It is my pleasure to greet the members of FMPB family to have a blessed New Year. God's faithfulness and protection was with us all throughout the last year. God protected us as the apple of His eye, and provided all things necessary to us as a loving Father. Jehovah Jireh, the Provider will be with us in this year also to bless and lead us and to strengthen in the sweet fellowship with Him.

Background details of II Samuel 7

After king David settled in his palace and God had given him rest from the enemies, David had a concern in his mind that the Ark of God was staying in the tent while he was living in a palace and it was not appropriate for him (II Samuel chapter 7 verse 1). Nathan the prophet encouraged David to go ahead

and do it what was in his mind, cause the Lord was with him. But that night God told Nathan the following things that

- a. God had not told any rulers of Israel to build a temple
- b. God made David a king and gave him victories
- c. God would make David's name great
- d. God would plant Israel in a permanent place
- e. God would establish a house for David
- f. David's offspring will build a house for God
- g. David's throne will be established for ever

Explaining II Samuel 7:18

2 Samuel 7:18, "Then King David went in and sat before the LORD, and he said: **'Who am I, Sovereign LORD, and what is my family, that you have brought me this far?'**"

This verse is David's reply for what God said through Nathan the prophet. **'Who am I'**, reverberates David's unworthiness to get blessed by God because though he became a king, he never forgot that he was a shepherd once. And saying **'what is my family'**, David remembered his humble origin and how God made him the king though he was not of the royal blood .

'Who am I that you have brought me this far' is an expression of accepting his unworthiness in humbleness and Lord's greatness, grace and mercy in his life.

Application of 'who am I' in FMPB

As God had blessed David out of nothingness, He has blessed our organisation from a humble beginning to a large organisation to serve God and to fulfil God's will. It is God's pure mercy and grace that what is FMPB today and what it has done for the glory of God. None of us deserve to get this unimaginable and uncounted mercies from our Heavenly Father. With all humility, we bow before the sovereign Lord and say, Lord 'who are we' that you have blessed us and used us for your kingdom. God has blessed us

55 years ago	Today God has blessed us with
1 field	347 fields
2 missionaries	1000 missionaries
No evangelist	1300 evangelists
1 people group	264 people groups

To get the above blessings, God has blessed us with thousands of prayer warriors, supporters, prayer group leaders to fulfil the vision of reaching this nation.

Our response to God's grace

When the future position of David's offspring was explained by God, through Nathan, David responded with humbleness and gratitude beyond measure. David's response is a great model for us to respond what God has done for us in our personal life and what He has accomplished in FMPB by His grace and mercy.

1. Humbleness

Our first and foremost response is to be humbling ourselves and giving all glory to God. Being the Owner of everything, God does things through us and in the organization to fulfil His purpose to bring glory to Him.

After saying 'who am I' in the context of building the temple, David again said that 'Who am I' in I Chronicles 29:14.

"But **who am I**, and **who are my people**, that we should be able to give as generously as this? Everything comes from you, and we have given you only what comes from your hand.

Here David added about his people the Israelites by saying 'who am I' and 'who are my people' that we should be able to give as generously as this? His statement of humility comes in the wake of generous giving of David, his officers and the common people for the construction of God's temple.

David gave so generously the gold, silver, bronze, iron, timber and precious stones. The amount of David's contribution from his personal treasury was a staggering 110 tons of gold and 260 tons of silver as per I Chronicles 29:4. By seeing his sacrificial contribution made for God based on his love to God, the officials of David's administration gave 190 tons and 84 kg of gold, 380 tons of silver, 675 tons of bronze and lot of iron around 3800 tons. I Chronicles 29: 9 says the people rejoiced on the giving of the

leaders freely and wholeheartedly; David the king also rejoiced greatly. What the king and officials gave was beyond our imagination, but David's attitude was, Lord 'who am I and my people to give to you'. We are living in an era where even a small giving is blown out of proportion, but David rejoiced in humility that he could give to God. This must be our attitude in all we do for God. We have to be humble in giving to God acknowledging our unworthiness to receive from God what we have.

2. Faith

The second response for God's grace is faith. All great things God has done among us proves that our God can be trusted in every situation and no situation is greater than God. We can put our faith on God for all situations. In Zechariah 4:6 the angel said to the prophet that this is the word of the Lord to Zerubbabel: 'not by might nor by power, but by my Spirit'. Nothing either small or big can be done without the help of the Spirit of God, in simple words everything is possible by God and by Him only. So in the next verse that is verse 7, the angel challenges 'what are you, mighty mountain'. The challenges we face may be in all sizes and from powerful places, but we can say with faith, 'What are you mighty mountain?'

Zechariah 4:6,7, 'So he said to me, "This is the word of the LORD to Zerubbabel: 'Not by might nor by power, but by my Spirit,' says the LORD Almighty. **What are you**, mighty mountain? Before Zerubbabel you will become level ground."

3. Surrender

The third response for God's grace is surrendering us completely and unconditionally with whatever we have in God's hands for His usage. John 6:9 says, "Here is a boy with five small barley loaves and two small fish, but **how far will they go** among so many?"

Just imagine the situation, the crowd was very large 5000 men alone, but the sources available was five small barley loaves and two small fishes. **How far will they go** among so many was the question aroused in the hearts of the disciples. All Jesus wanted was that the crowd might surrender what they had, how much was not a problem to Him. As long as we make available to Jesus what we have, God can bless innumerable people with that little. The point is not how much we have, but how much we surrender to Christ.

4. Accept God's actions

The fourth response to God's grace is accepting all God does and permits with complete faith and love. God's ways may not be like as we want. Often the intervention of God in our lives may not be understandable and beyond our knowledge. Acts 11:17 talks on the gift of Holy Spirit to the gentiles. Thus far the Jewish Christians including the Apostles were thinking that the Holy Spirit is an exclusive gift for the Jews only. God who is the creator of all and treats everyone alike gave the gift to the gentiles and Peter convinced the Jewish believers

that **'Who was I'** to think that I could stand in God's way. We cannot resist God and His plans. Submitting ourselves to God's actions in our lives is the best thing we can ever do in our lives. He knows the past, present and the future, hence God's plans are the perfect one. Acts 11:17, 'So if God gave them the same gift he gave us who believed in the Lord Jesus Christ, **who was I** to think that I could stand in God's way?'

5. Passion

The fifth response to God's grace is filling our hearts by passion with things that passionate the heart of God. Jesus in His great commission commanded us to preach the gospel into all nations. And Mark 16:16 says that whoever does not believe will be condemned. When we understand, "who am I" for God to loved us so much to sent His only begotten Son Jesus Christ to suffer and die on the cross so that we may be saved; that passion for souls must fill our whole being and that must be our foremost priority in life.

The prophet Jeremiah as per Jeremiah 20:7, decided not to preach the Word of God because he was ridiculed and mocked. Jer.20:7, "You deceived me, LORD, and I was deceived; you overpowered me and prevailed. I am ridiculed all day long; everyone mocks me". But in verse 9, he said God's word was in his heart like a fire, a fire shut up in his bones and he was weary of holding it in" Jer. 20:9 But if I say, "I will not mention his word or speak any more in his name, his word is in my heart like a fire,

a fire shut up in my bones. I am weary of holding it in; indeed, I cannot"

What kind of passion on perishing souls we have and how is our involvement to fulfil the passion God has to save all people? Have we prioritize in our lives the work of great commission of reaching people with good news.

God has blessed us and given us titles to be called as His children, though we don't deserve or worthy for the privilege, God did it through His grace and mercy. The same way God has blessed and used FMPB for His glory and purpose. How can we respond to that immeasurable love and grace of God? We can be humble, having faith, surrendering our lives, accepting God's actions in our lives and having passion for the souls. This may be the responses of us as individuals and of the organisation.

Romans 8:32 further expands this grace and mercy saying "He who did not spare his own Son, but gave him up for us all how will he not also, along with him, graciously give us all things?"

FMPB and we can boldly enter into 2024, holding the above verse which says, "how will He not graciously give us all things?". May all of us remember every day and every moment about our unworthiness and God's grace and mercy. Bless you all a Christ centered new year.

Mrs. Gnanapushpam Sigamony

(21.12.1946 - 13.11.2023)

Mrs. Gnanapushpam Sigamony is the wife of late Mr. Sigamony, our senior missionary. As Mr. Sigamony worked in a company in Tharagadhara in Tuticorin district till 1980, he got involved with ministry of FMPB as a Prayer group leader in Tiruchendur district. Later when he resigned his job and joined FMPB as full-time Mobilization Secretary, Mrs. Gnanapushpam Sigamony obediently accepted her husband's commitment

to serve God Full-time and helped him in his ministry. She grew all her 4 children in the fear of God and supported the ministry through her prayer and sacrificial giving. She also encouraged and sent her two sons, Dr. J.J Harris and Mr. John Paul Harris to join as full-time missionaries in FMPB. Her deep commitment, perseverance, the art of handling tough situations patiently, greatly helped her husband and her two children to last in the ministry. She spent her last few years meditating the Word of God and praying.

Later her heart become very weak and she stayed with her younger daughter for few years. She spent her last few months in her elder daughter's house and few days in her elder son's house in Chennai. Her heart became too weak that she breathed her last on November 13th 2023 at 6pm in her 77 years of age and reached the feet of Jesus. Her mortal remains were laid to rest in her family tomb near her husband's tomb at her native place - Kulathuvilai on 14th November 2023 at 3pm with the hope of resurrection. Let's pray for the peace of her family members.

NATHANIEL LOGARAJ

(1952 - 2023)

Born in an orthodox Hindu family, Nathaniel Logaraj was brought up with strict discipline in its elements. When a Christian worker visited to pray for his relative who was admitted in the Government Hospital, through his love and concern came to know about Jesus Christ. He was in contact with the Madras Bible League, and gained more knowledge about Jesus and the ministries. He got involved with the Bible League friends who were singing songs and preaching the Gospel in the streets and shared his testimony and started preaching. In the year 1974, he totally surrendered himself to the full- time ministry and

was baptized. He started preaching the Word independently and in 1975, he joined FMPB.,

He was sent to Jhansi to learn Hindi language and soon joined Bro. Hilkuah, the very first missionary, to serve God in the mission field - Basti. Staying true to his commitment of going to anyplace God sends, he served God in UP, MP and Rajasthan. In 1981 he held the hand of Mrs. Baby Nathaniel in marriage and together they were placed in Waghai among the Kukna people group.

That was a time when the Kuknas were turning in large numbers to the fold of Christ Jesus. In fulfilling the vision of the Vasavas spread across the southern part of Gujarat, he along with Bro. Victor Murugesan, his co-worker pioneered and opened up a field in Akkalkuwa and worked among the Vasava tribes. These twin-like brothers set up the fire of the Lord in the hearts of the people that today we are able to witness well established strong Churches in that area.

This pioneer and model missionary was sent to Kutch to plant Churches in that dry area. He was able to win a few souls and planted a Church. Handing over the Church to another worker, he moved to Bethel Bible Institute, in Salem to teach to the young recruits, in obedience to the organisation's placement.

He was able to develop the Pipalwada mission field and the training institute with his teaching skills. In the midst of these responsibilities, he equipped himself further with B.Th., B.D., and M.Th degrees. Finally he worked in Bhopal in promoting the cause of the mission and after his 37 years of ministry he voluntarily retired from the service in 2012. Settled in Tambaram, he was helping in the Promotional network while taking care of his wife Baby Nathaniel who was suffering from Cancer. He was shocked when he too developed symptoms of cancer. He was under

treatment and on Nov.18th 2023 in his 71st year God called himself into His Kingdom. The Churches established by the multi lingual missionary who was well versed in the languages of Tamil, English, Hindi, Gujarati, Kukna, Vasava, Marati, are shining and witnessing the light of Jesus. There is no doubt that the missionaries who were trained by him will continue to speak of him in the days to come. Kindly pray for the bereaved family- his wife Baby Nathaniel who is affected by Cancer and his adopted son Joy Shalom's family.

FIELD VISIT Erode Mobilization

Just half an hour after leaving the borders there was shooting from the Pakistan borders. It was a spine-chilling experience to all the prayer group members. On 27th we visited Narot field and attended the believers meet. God healed a boy named Gulshan who was lame and blind. Now there is a worship conducted every week in his house. That evening we attended the evening meeting conducted in Samba field. On 28-29 we went for sight seeing to places like Sonamargh. We reached Erode on 2nd November. We reached our homes with the passion for the ministry which had still more increased and decided to pray more, give more and to build more Churches. We thank all the missionaries, local evangelists and the believers who showed love to all of us.

TRAIL BLAZERS

JAMES CHALMERS

***The missionary who explored
the South West Pacific, New Guinea.***

Missionary James Chalmers 1841 – 1901 who boldly proclaimed the Good News of the Gospel, amidst man eating treacherous tribals who were uncivilized at New Guinea, once said that he grew very anxious for the unsaved people whenever he came closer to Jesus.

James at the end became a prey to those tribals. At present 96 percentage of the inhabitants of that Island are Christians. Once they were man eaters but now, they

worship God in truth and in spirit. James Chalmers paid the price for the People's salvation. He was born on 4th August 1841 to Aberdonian, a stone Mansion at Scotland. He committed himself to ministry at his 18th year during a Revival meeting at his hometown where he experienced God's Love and was Saved. He joined the London Missionary Society after his Bachelor's Degree at his 28th year.

He went to Rarotonga Islands in May 1867 as a missionary. He quickly and passionately learnt their language and conveyed Christ's love for them in their own language. He stayed 10 years there and led them from the power of Darkness into True Light, Jesus.

His ministry at New Guinea Islands:

James Chalmers in the year 1817 when he was 36 years old, left to New Guinea, which is to the North of Australia, along with his wife. Those days the tribals of that Island were cannibals. He never carried with him

any weapons to protect himself when he went among them to say about the love of Jesus, because he did not want to scare them away, and make them think that he came to harm him. He was filled with compassion for those dangerous tribals. So, he risked his life to spread God's Love among them. He was the first person to reach out the 90 villages in that island with the Gospel of Christ

He became a prey to those cannibals:

8 April 1991 was an Easter Sunday. A day before this day James Chalmers went to a nearby Island, Goaribari in a Boat. The tribals there gathered around him. He sensed some danger. So, he did not leave the boat but immediately came back to his place. The next day after the Easter service he went to the same island with his friend Oliver Tomskin to preach the Good News of Christ's Resurrection. They were invited by the tribals with great enthusiasm. They were led into DUBU specially built hut for entertainment, where the tribals let the people and fought with them until they gave up and then they would eat them up. Same thing happened to these missionaries. Dubu, is a

hut made up of wood and adorned with skulls. While the missionaries were looking at them, they suddenly attacked them and in a few minutes, they were cut into pieces and were dropped into the boiling stew. The missionaries became their prey while they were preaching Jesus. As a result of this costly price paid, we have 96 percentage of the 7-crore population of the island as Christians today in that place.

Even at this time of 21st century there exist such man eaters in our planet. 11 people along with the cook who supplied food to a hostel at Nigeria were arrested for selling human flesh. Moreover, in Syria Bharupadi reported that he too opened the chest of the Young military officers and took off their hearts and ate them just to please his god. Even in our country the well-to-do and the politicians are so believing in superstitious things that they slaughter infants at the advice of the magicians and eat their flesh, an awful condition. This land of ours is in need of youth who at the cost of their lives would take the love of God to such people with great determination.

Repentance of a Hard Heart!

The night prayer meet was happening as usual in Dongiripada village in Talasari field of Maharashtra. Suddenly the prayer meet was disrupted by Santhosh, a head of a local religious group who along with a mob commanded the prayer meet to be stopped and even attempted to physically assault the believers. Frightened believers immediately stopped the meet. The mob threatened them aggressively never to restart this Christian prayer meet. Perplexed our believers decided to pray for the members of the fanatic group by mentioning their names in their personal prayers and dispersed. The work of the Lord in changing a hardened heart is a beautiful mystery. Three days later, Santhosh came to one of our believer's houses and apologized for the disruption he had caused and asked them to restart their prayer meet and promised never to disturb them again. Glory be to the Lord.

God's sovereignty over wild beasts!

Gopi is a new believer from the Dhamalacheruvu field of Andhra Pradesh. He regularly attends the Church Worship service. However, his wife Aruna was reluctant to express her faith in Jesus. They resided in a mangrove plantation they owned outside the village. One night when Aruna was staying alone in her house, she heard a cracking noise and was bewildered to see a herd of wild elephants which had entered into her land breaking the fencing, and were trumpeting as they approached her house. Aruna ran to her front room to salvage some essential articles and believed her house was going to be destroyed and that she was going to die. In a spur of the moment, she remembered the words with which her husband used to pray. She could only manage to scream this one sentence "Lord Jesus, please save my house". She was astounded to realise her simple prayer had the power to turn the elephants away from their path towards her house as the herd disappeared into the fields. Today Aruna is also a believer. Glory be to God.

Bro. Thilak hails from the district of Tuticorin. He was born as the last child to his parents Mr. Santhosh and & Mrs. Ponmani Devairakkam on 21.09.1993. He was just a nominal Christian from a CSI background. When he was 23 years old, he accepted Jesus Christ as his personal Saviour and committed himself for the full-time ministry in a FMPB Youth Camp held on August 20th 2017 and joined the organization. He was working in the Head Quarters for a few months. Then he was sent to Jhansi for one year mission training (2018-2019) in NIM. He worked along with the film team for a period of two years. On October 2020, he held the hand of Sis. Emimal in marriage and were posted in Jhalon followed by Mot mission field till date. God is helping them to serve Him inspite of his weakness in his body.

Sis. Emimal was born to Mr. Abel and Mrs. Devi in Nagercoil district on 15.09.1995. Her parents though not a traditional Christians but knew the Lord before they got married. In her youth she wandered away from the Lord in spite of her life commitment to the Lord. Due to the efforts of her father, she underwent a mission training in Jesus Redeems Center in 2010. She heard the Call for ministry twice and so she joined FMPB through her grandpa Mr. Arulmani in the year 2014. She underwent the FMPB training in the year 2015-2016 and served God for a few years in Uttar Pradesh, then in Alwar home in Rajasthan, in a Home in Bhind and a Home in Maharashtra. She got married to Tilak and now as a family they are serving the Lord Jesus in Mot mission field. They were blessed with a baby girl on 30.04. 2022. Let's uphold this family in our prayers.

Power to the Powerless!

Savithri aged 25 is a young believer from Chiriya field in Kargoon district of Madhya Pradesh. She was full term and, in that situation, she had to go to the near by village for some reason. Since there was not much transport facility she prayed and began to walk to reach the other village. A speeding two-wheeler bumped into her and since the wheel ran over her she delivered the baby in that same place where she fell. The passers by rushed her to the hospital. The believers who got the news prayed for her fervently till they got the news that both the mother and the baby are doing well. Praise God for His grace that sustained her.
