At the Crossroads

Each morning, the Benedictine monks stood at a crossroads. Whenever a new monk entered the common

life of the monastery, he would exchange his everyday clothes for simple robes. The monk would then hang his old garments in the monastery closet. No matter how long a monk had been part of the community, he always knew that at any time, he could return to the closet, put on his old clothes, and go back to his former life. Every day, **he needed to make a fresh decision to stay on the spiritual path**-to decide whether he loved Jesus or this new way of life more than anything he had left behind.

In **John 21** After experiencing a great deal of turmoil, Peter returned to fishing with a group of disciples. That night Peter had **Physical needs** (food, money, tired), **Emotionally drained** (discouraged, fear), **Socially lonely** (hopeless, uncertain future) and **Spiritually dry** (Purpose lost). So, to make ends meet, they returned to their old skills, fishing (v. 9, 12).

But then came a turning point. "Early in the morning" Jesus stood on the shore, **waiting for them** and **welcomed them** with a meal. He asked Peter thrice, **"DO YOU LOVE ME MORE THAN THESE?"** (v. 15). Peter, responded, "Yes, Lord, you know that I love you." And Jesus replied, "Feed my lambs. "So, how can we show that we love Jesus more than anything or anyone in this world? One way to demonstrate this love is by how we invest our time, talent, and treasure (TTT). These three things reveal whom or what we love most. The other word for love is **time**. If we truly love someone, we will spend time with them and think about them often. Similarly, when we love Jesus, our time will be dedicated to Him. We will also use our **talents** to please and serve Him. Just as we would spend money on someone we love, we will gladly give of our **treasure** to support God's work.

The overflow of this love for Jesus leads to mission-feeding and tending His sheep, which is the mission Jesus gave to Peter. Earlier in **Mat 4:19**, Jesus had said, "I will make you fishers of men." But in this moment, Peter was focused on his old life-fishing, nets, boats, and the sea. Yet this was not the path that would help him fulfil the commission Jesus had given him. Jesus had already taught His disciples that no one can serve two masters (Lk 16:13). Before He could recommission Peter, Jesus needed to ensure that Peter would not turn back to his old life. Jesus met all of Peter's needs, affirmed his love for Him three times, and gave him back his true purpose in life-reinstating the mission. Peter, now fully recommitted, faithfully embraced this mission and passed it on to us, as seen in 1 Pt 5:1-3. So, have we made our decision? Are you ready to choose Jesus over everything else in this world?

...“Love the Lord your God with all your heart and with all your soul and with all your strength and with all your mind’ and, ‘Love your neighbor as yourself’.” *Luke 10:27*

Loving God more than anyone or anything else is the very foundation for being a disciple. If you want to live your christian life to its fullest then love Jesus more than anyone or anything else.

FROM THE GENERAL SECRETARY...

Dear Partners in the mission of reaching the unreached,

On behalf of FMPB, as its General Secretary, I am praying and wishing you all a blessed and Christ centred 2025. We give all glory and honour to our Almighty God for all the spiritual and physical blessings He has showered upon the organisation and all its missionaries, prayer group leaders, members and well-wishers. When we look back into 2024, it is very obvious that it is by His grace we live today. God has been mindful of us to protect and provide all needed in 2024. With the attitude of gratefulness and thankfulness to our God, with confidence let us look into the future.

For 2025, God has given the theme “more than these” taken from John 21:15; ... Jesus said to Simon Peter, “Simon son of John, do you love me more than these?” This theme is setting the tone for FMPB in 2025, with the expectation of Jesus Christ ‘do we love Jesus more than all the things and people.’ The nation can be reached only when we love Jesus more than everything else. Anyone who love the Lord cannot refrain from sharing the gospel to the fellow Indians and involving in the ministry of reaching the

unreached. Let us lift our soul to the throne of grace to intercede for the redemption of our fellow countrymen.

'HEART TO HEART'

FROM THE PRESIDENT

Dear brothers and sisters

The Lord, in His wisdom, has entrusted me with the role of the FMPB President and I thank God that He considered me faithful to His mission. I seek your prayers that I, along with the members of the Executive Committee, will be holy and truthful, honest and humble before God and God's people.

FMPB is a God-inspired movement with a God-given vision to impact the whole nation. God wants you and me to involve in this movement with total dedication and enthusiasm, so that we can be a blessing to the nation. The Bible says emphatically that "Blessed is the nation whose God is the Lord" (Psalm 33:12) If we want India to be a blessed and prosperous nation, the best solution will be to bring God, God's values, God's teachings and God's blessings to the entire nation. That's why I urge you to intercede for our nation and to involve in God's mission with love and sacrifice.

A few months back, I was in South Korea participating at the Lausanne Congress, which brought together more than 5,000 leaders across the world. During the Congress, the leaders from South Korea shared their interesting history. Soon after the second world war, Korea was divided into North Korea and South Korea. The best portion of the land and industries went to North Korea. But today North Korea is not a progressive Nation, while South Korea has become a developed and high-income country in a few decades, thanks to its

commitment to Christian values. In 1901, Korea's Christian population was just 1% and today it has gone way beyond 29%. When God's values come into any nation, the country will be progressive and blessed.

As we enter the new year, I want to share with you three important principles for your personal growth and the growth of the mission

1. No vision, no progress: Where there is no vision, don't expect progress. The Bible says 'Where there is no vision, people perish'. Without a vision, organizations can get stuck in a cycle of monotony and mediocrity. God wants FMPB missionaries, FMPB leaders and prayer partners to be people of 'Heavenly vision' and move towards excellence in all areas.

When the King of Babylon spoke to Daniel, Shadrach, Meshach and Abednego, he found them to be ten times better than the others (Daniel 1: 19-20). Their knowledge, wisdom, and integrity were readily apparent, leading them to stand before the King as people of excellence. It's the Lord who gave them knowledge and wisdom. God's children are called to be 10-xers.

What is the vision and dream for FMPB? What do we want to achieve in the next 5 years, 10 years and 20 years? May the Lord give us a very large vision to enlarge our mission fields amidst various people groups. May the Lord open our eyes to discern that 'the harvest is plenty and the laborers are few.'

God has given our leaders the vision to raise 1000 missionaries in the next five years. Pray that the Lord will raise many committed men and women to be full-time missionaries, missionary doctors, missionary teachers, missionary engineers, missionary business leaders and missionary civil servants across the nation. Thousands of leaders need to be empowered; more communities need to be touched; more people need to be transformed. It's the God-given responsibility to help the people in the tribal and backward areas to be uplifted so that they can see the light. FMPB will partner with the Church and other missions to achieve this.

Have a larger vision to have greater progress in the Mission Field, in the Mobilization and in the Headquarters. Have a greater vision to raise thousands of youth and women, involved in FMPB. Similarly, have a larger vision to raise thousands of prayer partners in every village and town, in all families and churches, who will pray for the nation and pray for the mission. "The earnest prayer of a righteous person has great power and produces wonderful results."

2. No private victory, no public victory: Where there is no private victory, don't expect public victory. If we want FMPB to make a great impact on the nation, each one of us should be people of honesty

and humility. Let us ask the Lord to make our private lives Holy and to help us to be exemplary men and women in our private lives.

The victory of personal prayers, getting to know God through the scriptures, keeping covenants, and loving even our enemies are just a few steps that will help us obtain the public victory we seek.

Each Leader, Prayer Group Member, Committee Member, Missionary and everyone needs victory in their private lives. Victory in our private life means our excellence in our character and competence.

God is calling us to be people of high level of character as given in Psalm 15 - do the right thing always; be respectful and compassionate to others. If we are unable to face people joyfully but harbor hate within us, then there is no private victory. If we speak unkind and abusive words against our spouses, children, relatives or others, then there is no private victory. If we do not live a blameless life, then there is no private victory.

If we do not have private victory, don't expect victory from FMPB movement. During my work in the Government, on many occasions, when I had to get very important things done, I used to kneel down, fast and pray in my private life and this led to victory in my public life.

3. No sacrifice, no gain: If there is no sacrifice, we cannot expect to do great things or see the nation progress. It's due to the enormous sacrifices of Gandhiji and thousands of freedom fighters, India could

gain independence. I am aware that all the missionaries have made enormous personal sacrifices, leaving their home and relatives and moving to faraway lands to be involved in missions. They have invested their entire lives for the sake of the Gospel. We are truly grateful to them for their commitment and sacrificial lives.

Many of you have been giving sacrificially, small and big and this has been a great blessing in touching thousands of people. Giving is a blessing and giving is divine. Giving brings 'aha' moments of joy. We encourage more families and more churches giving sacrificially for the missions. No pain no gain.

Govt of India has identified 75 Particularly Vulnerable Tribal Groups (PVTG), who are most vulnerable and backward among the Scheduled Tribes. Most of them have not seen civilization even today and their condition is marked by Pre-agricultural *level of technology*, Low level of literacy, economic backwardness and a declining or stagnant population.

Most of them live inside the deep forests, with no electricity, no schools, no phones, no roads and no civilized facilities. The missions and Churches should come forward to transform the lives of such people who need our help badly. Missions bring peace and progress; missions bring hope and joy. This is the calling of FMPB. This is the calling of God's people.

We thank God for you !

FMPB Office Bearers and Executive Committee Members stand committed

to build the movement with high level of character and high level of competence, high level of vision and high level of compassion. We want to inspire and encourage the band of Missionaries and Mobilization Secretaries, Lay Leaders and Prayer Partners to stand up for Jesus with courage and conviction, with holiness and righteousness. Victory belongs to God.

We thank God for you, for your commitment and involvement in the mission. We are aware that many of you have a very high regard for FMPB. At the same time, you have very high expectations from FMPB in terms of its governance. We want to assure that FMPB will be governed with high level of excellence in all the areas of its operations.

We look forward to your prayers, valuable suggestions and support to take the mission to a higher level. You can always take the liberty to write to us through president@fmpb.org, vicepresident@fmpb.org or treasurer@fmpb.org so that together we can achieve something big and beautiful for God. This is God's mission and we need to be diligent and faithful in serving God.

Make your life a masterpiece, do something great and noble that you will be proud of. May the Lord pour out His divine favor upon you and bless you with His grace and peace in an abundant measure in this new year !

God bless you. God bless your families. God bless FMPB.

Regards

John Samuel
President, FMPB

Standing in the beginning of a new year and looking back into 2024, our eyes moisture remembering the goodness and faithfulness of God. He carried through the year as a father carries the child. God deserves our complete obedience and first love all through our life. We can be assured of God's protection, provision and presence in 2025 and beyond.

'Do you love me **More than these**' is a question directed to Peter to know his level of commitment and love to the Lord. The ensued prophecy regarding Peter was connected to the answer of Peter to the question the Lord asked in John 21: 15, "Simon son of John, do you love me more than these?"

This question became necessary because even after witnessing and saw the risen Lord, Peter not only went back from the call, God has given to him that, I will make you fishers of men. He also became the cause for the turning back of other six disciples too from their call. Peter denied Jesus at the time of His trial and repented by weeping bitterly. But even after seeing the resurrected Jesus, yet again he went away from the call and commission. But Jesus didn't give up

on Peter, so He went to the fishing place and tried to restore Peter. Before knowing the restoration of Peter, it would be right to know why the restoration is required in the first place. Restoring and reinstating became necessary due to the fall of Peter. Let us see the reasons for Peter's fall before knowing the reinstating.

Peter had a special place and experiences among the disciples of Jesus Christ. In Matthew 16:18, Jesus said, "you are Peter on this rock, I will build my church. He was one among the three disciples who were in the inner circle of Jesus Christ. The amazing experience of Jesus transfiguration was witnessed by Peter. The confession as

Jesus is Christ, the Messiah was testified by Peter. When all the other disciples were running away from Jesus in the garden of Gethsemane, he was the one who defended Jesus by slicing the ear of the servant.

Peter started his ministry in a high note and ended in denying Jesus and became a stumbling block to the other disciples.

Peter's denial did not happen in one fine evening, but the fall had started somewhere in the past of his life and grew gradually and ended with the denial. We need to learn an important spiritual lesson. Our relationship with God may be strong and we may be used mightily by the Lord. But all along our life's journey we may have something which is eating away our spiritual health slowly and without the knowledge of others. The often-mentioned allegory for this is the huge tree falls all in a sudden. A deeper look says that the tree is being eaten by the ants for many

years, not visible to the naked eyes. It seems that the tree is healthy, tall and large, but all in a sudden it falls. That is the life of Peter.

Another related thing in Christian life is, we have to grow more in relationship with God, holiness, obedience, denying self and in all the fruit of the Spirit. The thumb rule is either you will grow or you will decline. There is no stagnancy for long period in spiritual life.

Reasons for Peter to deny Jesus

1. Had faith on his human strength

In Mark 14:27, 29 & 31 Jesus warned all the disciples that all would fail Him. Peter's reply to the prediction of Jesus was that all may fail, but he would not fail. If necessary, he was willing to die with Christ rather than disowning Christ. Peter was very sincere when he uttered the words that he would not fail Jesus. The words came out of a committed and loyal disciple. The only problem in this is when Jesus said all would fall away, Peter would have prayed to Jesus to be strengthened that he may not do that. But he said he would not do that by putting his trust on himself.

Christian life is a warfare and we have to depend on God to sustain us in that life and put on all the spiritual armours mentioned in Ephesians 6:11, "put on the armour of God". Unless we go to the fortress of Jesus and rooted on the Rock that is Christ Jesus, it is very difficult to stand firm for Christ.

The Ireland shipbuilding company Harland & Wolff and the British shipping company White Star Line believed and publicised that their ship Titanic will not sink because of their faith on the design of the ship and the sheer size of it. But the world heard that the unsinkable ship sunk in its first voyage after

hitting the iceberg 600 kms southeast of the coast of Newfoundland, Canada.

In Matthew 26:41 Jesus said that "Watch and pray so that you will not fall into temptation. The spirit is willing, but the flesh is weak." The flesh is weak and putting our trust on the flesh for anything will lead us into the fall.

The quote "When the going gets tough, the tough get going" is used in many motivational talks and self-help books and is attributed to both Joseph P. Kennedy, father of the US President John F. Kennedy and to Norwegian-born American football player and coach Knute Rockne. But a child of God will say when the going gets tough, we go to Jesus who invited all who are weary and burdened through Matthew 11:28, to go to Him and He would give rest. When reading the verse, the heart is leaping in trust on Jesus for not only this new year but for the years to come too.

In Luke 18:9 to 14, the Pharisee put his trust on his good works and adhering some religious practices, but the tax collector could not depend on any of those things; instead, he put his trust on the unending mercies of the Lord. It was the one who put his trust on God who was made righteous.

John 15:5 "I am the vine; you are the branches. If you remain in me and I in you, you will bear much fruit; apart from me you can do nothing. Philippians 4:13 I can do all this through Him who gives me strength.

2. He did not have the concerns of God's mind

In Matthew 16, Mark 8 and Luke 9 presents the question of Jesus to His disciples that what people say Who He is and what the disciples say who He is. for which Peter replied in Matthew 16:16 "You are the

Messiah, the Son of the living God.”

But when Jesus start saying that He would suffer at the hands of the elders and must be killed, Peter took Jesus aside and rebuked Him and Jesus replied in Matthew 16:23, Jesus turned and said to Peter, “Get behind me, Satan! You are a stumbling block to me; you do not have in mind the concerns of God, but merely human concerns.”

Jesus’ accusation on Peter immediately after appreciating Him for identifying Jesus as the Messiah was that Peter did not have in his mind the concerns of God but only human concerns. God wants us to have the concerns of God in our mind. The burden of God about the perishing people without Christ must be our concern, to take the gospel to the inner most part of this nation is God’s concern. But are we not filled with mere human concerns and concerns related with our lives? It is to be our prayer in this year that Lord fills our minds with the concerns you have.

Peter was with Jesus, heard all His teachings, but still didn’t understand God’s mind or didn’t want to have the concerns of God. In the transfiguration mount, when Peter saw the transfiguration of Jesus, he suggested let us have tents here and stay (Luke 9:32). Peter did not want to face the world outside and its challenges, but wanted to live in the glory of transfiguration. Many of God’s children today have the same attitude as Peter’s; they want to live in the spiritual glory. People want to praise God but don’t want to understand the pain of God. People want to be blessed but don’t want to be a blessing to the dark world outside.

Since our minds are filled with the concerns of humans, we are trying to steering our life by ourselves rather than allowing God to run

our lives. If we allow our lives to be run by God, God will definitely fill our minds with the concerns of God and will steer our lives to fulfil God’s will.

Jeremiah 2:31 second part, God says, ... Why do my people say, ‘We are free to roam; we will come to you no more’? Today’s generation says that we are free to roam. The children of God think why should we go to God and allow us to be controlled by God, but we can roam free. In Matthew 26:42 Jesus prayed to the Father that His will be done. By saying this, Jesus surrendered His will to the will of the Father. This surrendering the will was done knowing the suffering awaited due to this choice.

When I was a missionary to the Malto tribe in Jharkhand, in one of the training program conducted in a village I noticed that a middle aged church elder refrain from having breakfast and lunch. On my enquiry, he revealed that he was in fasting for 40 days having a light meal only in the night. The purpose of the fasting still challenges me, because he was fasting for the salvation of his people the Malto. Do we have that much burden for the people dying without Christ and without knowing the message of salvation. What has filled our minds the concerns of God or concerns of humans?

3. Peter followed Jesus half- heartedly

Mark 14:37 says ‘Then He returned to His disciples and found them sleeping. “Simon,” He said to Peter, “are you asleep? Couldn’t you keep watch for one hour?’. This verse clearly says Jesus found all his disciples sleeping, but directed the question of ‘are you asleep’ towards only one disciple and that was Peter.

John 18:18 & 25 mentions that Peter was warming himself standing with the servants because it was cold when his Master was facing all sorts of suffering. This is the Peter who told that he would die with Jesus. Peter was better than many other disciples. When the other disciples ran away leaving Jesus in the garden of Gethsemane, Peter was following Jesus in His trials. Was Peter better than the other disciples? Perhaps yes, but this kind of following is not sufficient to stand firm in Christ. That is why Peter denied Christ after warming himself.

Peter was comforting himself from the cold when Jesus was suffering and that led him to the denial. In spite of Jesus' repeated request to pray, Peter was sleeping without praying with Jesus. Here in the High Priest's house Jesus was on the process to get the death verdict, but Peter was warming himself. What level of complacency, insensitivity and prioritizing his own need. The question is are we like Peter living in the comforts and luxuries of the world when people die without Christ?

In Genesis 37 we see the height of insensitivity of Joseph's brothers. They put Joseph in the pit in vs 24 and vs 25 says that they sat to eat. It was the food brought by Joseph, but when the young lad was in the pit scared and pained by seeing the betrayal of his brothers, they sat to eat.

The reasons for following Jesus' halfheartedly may be because of self, love for the word, love for money, love for comforts etc. The antidote for halfhearted following is to die for self and live for Christ. In Galatians 2:20 Paul says that 'I have been crucified with Christ and I no longer live,

but Christ lives in me. The life I now live in the body, I live by faith in the Son of God, who loved me and gave Himself for me'. The understanding that I no longer live but it is Christ who lives in me will make me to follow Christ wholeheartedly. The knowledge of Jesus Christ's love for me and laying down of His life for me will make me to reject all belong to the world and to follow Jesus everywhere and in everything.

How can I warm myself like Peter when the world is condemned and perishing without Christ? Unless I come out of the warmth of the fire, I cannot fully understand the pain of Jesus and His trials. In Luke 9: 57 to 62 we see three people who wanted to follow Jesus but not able to do it with whole heart, and immediately because some things which are very genuine held them back. Out of the three men, one person told Jesus that he would follow Him. The other two were invited by Jesus to follow Him. But one said he wanted to bury his father and another wanted to bid farewell to the family. These people did not say that they would not follow Jesus, but wanted to prioritise something else also in their lives. Jesus said no man having put his hand to the plough, and looking back is fit for the kingdom of God. It is very clear that to follow Jesus, we must be ready to give up everything else and to follow Jesus with whole heart.

Peter's reinstatement

Later Peter wept bitterly because he had denied Jesus and told to very ordinary people that he did not know Jesus Christ. Then he witnessed the resurrected Jesus and understood Jesus was raised from the dead through the empty tomb. But Peter

failed yet again, when he said I am going for fishing, leaving the call and the entrusted work of fishing for men.

So many a time we decided to follow Jesus fully and do His will in the last year as well as before that. But we fail like Peter again and again because of our dependency on our strength, because not having in our mind the concerns God has and because following Jesus halfheartedly.

Then Jesus met him one more time and asked him the very important question, "Simon, son of John do you love me more than these? Second time Jesus asked, "Simon, son of John do you love me? Even after the affirmative answer of Peter that he love Jesus, Jesus asked the third time "Simon, son of John do you love me? Peter was hurt and said, "Lord you know all things and you know that I love you". Then Jesus

said in John 21:19 Follow me and again in vs 22 follow me.

Jesus questions of three times was based on Jesus' expectation that Peter should love Him more than all these. That is what Jesus expects from us too that we have to love Him more than all these includes everything. That is the question Jesus asks to all of us as we are standing in the beginning of the year, that do we love Him more than these. These includes everything literally everything except Jesus. He loved us so much that he suffered and died on the cross for us. Rev. 2.4 Jesus said "Yet I hold this against you: You have forsaken the love you had at first". God wants us to love Him with the first love above everything. Do we love Him more than these?

Ordination Ceremony

We give all glory and honor to God for the fruitful and spirit-filled conclusion of the ordination ceremony for our missionaries and evangelists. It was a truly blessed event. We extend our heartfelt gratitude to the Northern Evangelical Lutheran Church (NELC) for graciously conducting the ordination and for their steadfast support and partnership in advancing the Lord's ministry alongside the Friends Missionary Prayer Band (FMPB). The orientation program, which took place from December 8 to 10, 2024, at MPC, Dumka, Jharkhand, set the stage for the ordination ceremony. By God's abundant grace, 25 missionaries and 19 evangelists were solemnly ordained at the NELC Koroya Mission on December 11, 2024. This sacred occasion, led by the Most Rt. Rev. Isilash Basumatary, Moderator of NELC, equipped them to serve more effectively in fulfilling the Great Commission of our Lord. The ordination service was attended by approximately 700 participants, all united in worship and thanksgiving to God for this significant milestone. We also had the privilege of having the General Secretary of FMPB present for this momentous event.

Nothing is too difficult for Him

A relative of our believer, Mrs. Aarthi, Mr. Raja, a 26-year-old from Bhatia Colony, Fatehabad, Haryana, was admitted to the hospital with lung cancer. He had previously been working against Christians. However, our believers met him and shared the Good News with him. When he asked them to pray for him, they prayed for him fervently. Almighty God heard their prayers and granted him complete healing, causing all the cancer cells to disappear. When the doctors re-examined him, they were surprised to find no trace of cancer. Hallelujah!

Mrs. VELLAIAMMAL PACKIAMUTHU V P

(1939 - 2024)

Mrs. Vellaiammal was born in a Christian family on 05/07/1939 as the last daughter of Mr. Ponnaiah and Mrs. Thangammal in the village of Kuruvankottai in Alangulam Taluk of Tenkasi District. 03/09/1962 She joined Mr. VP Packiamuthu in wedded life. She was led to salvation by her husband. Her husband, who was engaged in agriculture and village ministry, was very sure of God's call to evangelize among people who had never heard about Jesus Christ even once. So, after getting their eldest daughter, Esther Mary, married, they put their youngest daughter, Jaya Selvi (6th grade), in the hostel and left their son, Jebaraj Samuel (5th grade), in the care of a relative and joined the Friends Missionary Prayer Band and began the ministry in Periyamalai. Six months later, in November 1980, Mrs. Vellaiammal joined FMPB as a full-time missionary. As a family, they started their ministry with their two-and-a-half-year-old son, Asir Thanasingh, at Panchapalli. Later she was doing God's work with her husband at Belalampatti, Palakodu, Veppanapalli, Penagaram, Manalurpet, Thirukovilur, Krishnagiri, and Kaveripatnam.

She was full of compassion and was like a mother to the believers. The one who can get along with everyone and was best at hospitality, even though she faced needs in the early days of the, she was enthusiastically involved in the ministry, fully dependent on God without murmuring. Even in the days when there was opposition from the village leaders and intimidation from the religious extremists in the village ministry, she ministered tirelessly without fear.

She used to conduct Wednesday fasting prayer and Sunday worship in the villages. She shared about the ministry with the children during the holidays and led them in prayer and spiritual life. Today her son Rev. Jebaraj Samuel and daughter Jaya Selvi are working as full-time missionaries in our organization. Her eldest daughter, Esther Mary, runs a (pickle) business. The younger son works in a non-government organization.

After 24 years of service through our organization, Mrs. Vellaiammal retired on 04/03/2004. After August 2024, she had occasional physical weakness and was staying with her daughter Jaya Selvi in Trichy and receiving medical treatment. She came from Chennai to her son Jebaraj Samuel's house in October. She was admitted to the hospital on 1st December due to kidney failure and weakness and entered the Kingdom of God early in the morning on 3rd December. Missionaries, retired missionaries, and prayer group leaders attended the condolence prayer meeting held at the Chennai Headquarters at 11 am that morning. After that her body was taken to her hometown, Alangulam, and laid to rest in her residence compound. Let us praise God for the blessed life of Amma. We pray for the comfort of her husband, children, family, and grandchildren.

ORIYA CHURCH HISTORY

KEONJHAR FIELD,
UTKAL REGION, SOUTH
EASTERN ZONE

From the
beginning up
to February
2014

By: **Mrs. Agnes Edward**

Oriya is a medium size village located in Telkoi Block of Keonjhar district, Orissa with total 222 families residing.

The Keonjhar mission field was opened in February 1986. Mr. Fredrick Satya Samuel and Mr. Ruban Samuel were the first missionaries of Keonjhar field. In the year, 1982 the BYM missionaries Mr. Philip Bishoyi and Mr. Chellian were staying at Kanjipani and were doing ministry at Telkoi, Keonjhar. Both the missionaries went door to door proclaiming gospel and distributing tracts at Oriya village. A man

named, Naru Munda from Oriya village met them and told about Mr. Beersingh who had a shriveled hand. He took him to Beersingh's house. The missionaries told him about Jesus and his miracles. Mr. Beersingh told them that he would accept Christ if his hand would be restored. Through the prayer of BYM missionaries his hand got restored. So he accepted Christ and worship center was started at Mr. Beersingh's house. In 1985 the BYM missionaries had to vacate the area due to severe opposition.

After the BYM missionaries left, the first believers started attending the Baptist Church at Keonjhar. A believer, Mr. Mangalu Munda from Simlipahad (not a FMPB believer) started visiting Oriya and was giving pastoral care. He introduced the organization, "Amar Jyothi"

and its missionary, Mr. Shabnam Singh. The worship at Mr. Beersingh's house was continued by the latter organization. Even at that time there was severe opposition. But the people of Amar Jyothi rendered help to the believers. Later they too left the area.

In the first week of November 1989, a believer named Soma Munda came to the FMPB missionaries, Mr. K Francis and Mr. Ashok Nayak and invited them stating, "The Lord has clearly spoken to Mrs. Beersingh to call the Madrasi brothers working in Keonjhar to teach us." Five times the missionaries evaded him from telling this. Finally Mrs. Beersingh's daughter fell sick, so her husband came and told the missionaries about her sickness. The missionaries prayed for her and God healed her. From then on FMPB missionaries started visiting them.

Fifteen persons joined the Church on 20.1.1990. Rev. Edwin Balasingh and Mr. M J Sugumaran and the field missionaries were present. Soon after the service, nearly 100 people came with sticks to beat the missionaries. They dragged the believer, Mr. Soma Munda like a dog. They forced them to go to the Katarapali police station. They took the Bibles and bags of the missionaries. They tried to beat the missionaries and burn their Bibles and bags. But by His grace a policeman took them to the police station at Telkoi and the station head sent two policemen as escort them till Jagmohanpur.

CHURCH GROWTH

People from the neighboring villages started coming to the Oriya believers for prayers and experienced miracle. From Keonjhar field history dated May 1990, "In May 1990, Mrs. Subuni Gagarai was suffering from dysentery. They went to many witch doctors for healing but she did not recover. Finally, Mrs. Subuni Gagarai and her husband went to Oriya village and asked the believers to pray for her. Through the prayers of the Oriya believers, she got well. Her family accepted Christ. 5 people joined the Church at Badajamda field on 8.6.1990."

Great Miracles

A Oriya believer, Mr. Pradhan Munda's wife Mrs. Hawnri Munda was admitted in the Telkoi hospital due to a tumour in her stomach. The medicine that was administered to her did not heal her. On the 4th day she passed away and the doctor declared her dead and asked her family to take back her body. As they were bringing her body home, the villagers of Katarapalli (3 km from Oriya) mocked them because they were Christians. They told the believers

to throw her body in the jungle and go away. The Oriya believers decided to pray for her to rise again. For three continuous days and nights they prayed for her. On the 4th day morning she rose up and asked for food. During the 3 days, her body neither decomposed nor stank. Because of this miracle 60 to 70 people started coming to the Church.

Worship Details

From November 1989 FMPB continued the worship at Mr. Beersingh's house. Due to lack of space at Beersingh's house, a believer, Mr. Mohan Munda donated his land in 1993 and a Katcha Church was constructed on that land. So the worship continued at the Katcha Church till 2009. Meanwhile, in 2001 Mr. Pradhan Munda and his son, Mr. Maheshwar Munda donated their 20 decimal land because God rose up Mr. Pradhan Munda's wife, Mrs. Hawnri Munda from the dead. As the number of believers increased to 70, again there was lack of space at the Katcha Church. So they decided to build a Church in the land donated by Mr. Pradhan Munda and his son, Mr. Maheshwar Munda (the land donated by Mr. Mohan Munda was smaller). In 2011, a semi pucca Church was built and dedicated. So the worship was shifted from the Katcha Church to the semi – pucca Church. In Oriya village, believer, Late. Mr. Pradhan Munda and his son, Mr. Maheshwar Munda donated their 20 decimal lands towards Church construction.

THE CONGREGATION AND THE COMMUNITY

The Oriya congregation members are from the following villages: Oriya, Balisahi, Purunapani, Kaliapani, Pitanali, Katarapalli, Demiria and Jata villages. All of them are from HO people group.

CHURCH CONSTRUCTION

The Oriya Church foundation stone was laid on: 25.4.2010. It is a semi – Pucca Church. There was no opposition at the time of construction. The Oriya Church was constructed entirely by locals' contribution. Some donated wood, some donated tiles and still others gave Rs. 1000/- or Rs. 2000/- each. All the believers worked hard and built the Church. They brought wood from the jungle for erecting the beam. Mr. Ramo and Mr. Bhimo were the main masons. On 5.12.2010 one of the beams broke, so again three more beams were brought. The missionary's wife, Mrs. Susama gave Rs. 3000/- for doors and windows expenses. The Oriya Church was dedicated for the glory of God by the field missionary, Rev. Haramohan at 12.30 pm.

MIRACLES AND IMPORTANT EVENTS FROM ORIYA CONGREGATION

In 1986, the first believer Mr. Beer Singh's 20 years old daughter passed away because of a tumour in her stomach. None of the villagers helped them in burial. Frustrated Beersingh, decided to go back to his old faith. Even his son, Somnath supported him. But his wife, Mrs. Sunai Munda refused to accept his decision. So she was chased out of their house. So she made a small hut and started living there.

The first believer, Mrs. Sunai Beersingh Munda

Anamu Munda was from Jhili village. His wife was suffering from dysentery because of the witchcraft done by a sorcerer who was their relative. Anamu Munda sought the help of a magician for his wife's healing. As his wife did not get well, they remembered Soma Munda and the believers from Oriya

village. On 16.12.1991, the Oriya believers prayed for her and God healed her.

CHURCH ACTIVITIES AND INFORMATION

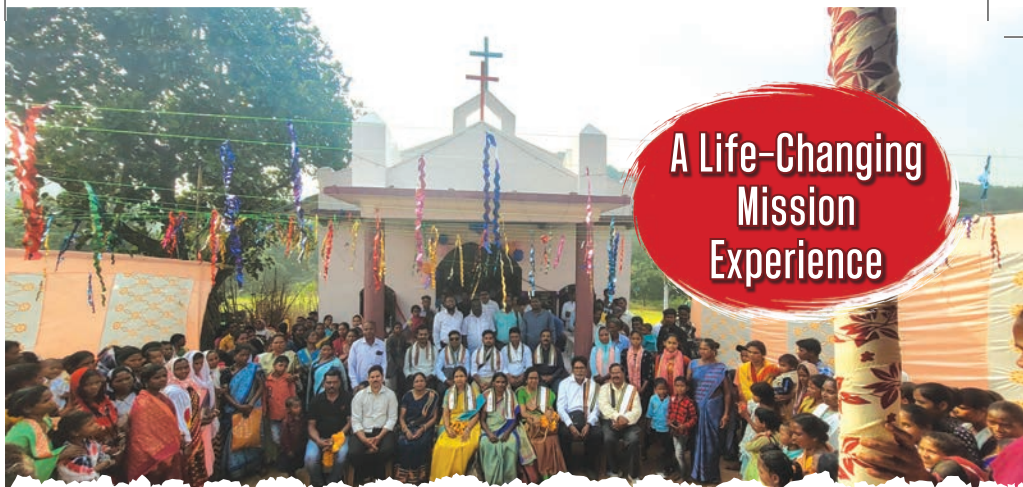

The missionaries who served in Oriya congregation: Mr. Fredrick Satya Samuel, Mr. Ruban Samuel, Mr. K. Francis, Mr. Karunakaran, Mr. Ashok Nayak, Mr. Harmohan and Mr. Samarendra Singh. The Local evangelists who served in Oriya Congregation is Mr. Soma Munda and Church Elder was Mr. Maheshwar Munda.

Church Committee

The Church committee members are Mr. Maheshwar Munda, Ramu Munda (Secretary), Somnath Munda (Treasurer) and Bhima Munda. The committee meets once in 3 months. The tenure of each committee is 3 years. The believers selected the members by raising their hands when the names are read. The committee discusses about the outreach, spiritual growth of the believers and Church related issues. Mr. Soma Munda from Oriya village worked with FMPB as local evangelist.

Outreach

The Oriya Church elder, Mr. Maheshwar and the first believer and Mrs. Sunai Munda goes for outreach ministry once in a month. They had been to Demiria, Jata, Tenteinali and Baradavtha villages for outreach ministry. They pray for the sick and share the gospel to those who are upset with problems. Through outreach ministries, a congregation is established at Baradavtha village. The believers share the gospel to their relatives and 18 worshipping groups have been started so far because of the belief of the relatives. Glory to God.

Recently, a team of 11 Members from Hyderabad went on a mission trip to Jharkhand and Odisha from Oct 30th till Nov 4th, 2024. On November 3, 2024, we had the incredible privilege of attending the dedication program for the Kodamdih Church. It was a truly blessed gathering, with 300-400 believers from many surrounding villages coming together to celebrate this joyous occasion. Though we traveled nearly four hours to reach this remote place, the experience was nothing short of extraordinary. We are humbled and grateful to God for allowing us to be part of this milestone in His kingdom work. We were deeply moved by the lives of the missionaries we met. Many of them serve tirelessly, caring for 30 to 60 villages each—learning new languages, adapting to challenging environments, and enduring persecution in some of the most remote areas. Despite the hardships, their faith stands firm, and their only request was, "Pray for us and send missionaries from Telangana."

Hearing this broke our hearts. Telangana is known for producing scientists, entrepreneurs, engineers, doctors, and other professionals. Our cities boast mega-churches and thriving congregations, yet we are faced with the sobering reality that we have not raised a single missionary to serve in these fields for the last many years. My heart cries for the need. This trip has deeply convicted us. We can no longer be complacent. The need is urgent, and the fields are ripe for harvest. As a team, we have committed to earnestly praying for the mission field and raising awareness about this pressing need.

Let us be a generation that answers the call to go, to send, and to intercede for the unreached. The Great Commission is not an option but a command. Together, let us step out in faith and make a difference in God's kingdom. Please join us in this mission of prayer, support, and action.

His Love melts the hardest heart too

Nodi is a village located in the foothills of the Amalagachi range in Jharkhand. The believers had gathered in large numbers because there was going to be a program for professing faith in the village. The Kurkhi couple, who had strongly opposed the ministry in the area and had controlled the villagers through witchcraft, invited the missionaries to their home. The members of the congregation tried to prevent them from going there because their house was located on top of a hill and far away from the village. However, the missionaries decided to go with the others to their home. When they arrived, they found all the puja items and tools used for performing magic piled outside the house. To their surprise, the sorcerer asked the missionaries to pray and burn those items, saying that he had accepted Christ. The missionaries joyfully accepted and prayed, fulfilling his request. Today, the Kurkhi family has become believers and is glorifying God. Hallelujah!

A Prayer for the New Year

Lord, please bless the coming year. Help me to use my time wisely and strengthen my resolve to consistently do all of the following:

Never stop praying (1 Thessalonians 5:17)

Lord, teach me to pray without ceasing. Remind me to make prayer my first response rather than a last resort. Conform me to the image of Christ, that I might with Him pray, "Not my will, but Thine be done."

Encourage one another (1 Thessalonians 5:11)

Lord, open my eyes to the needs of those around me. Help me to love my neighbors as I love myself and to put their interests ahead of my own. May every word I speak edify and uplift and point others to You.

Work without complaining (Philippians 2:14)

Place a guard on my mouth. God, that I might not grumble about the tasks I've been given to do. Help me to serve others with gladness and do my work heartily and cheerfully, as a sacrifice of praise unto You.

Yearn for Christ's return (Mark 13:32-33)

Lord, keep me mindful of the fact that my hope is not rooted in social movements or political reform, but in Christ alone. Speed the day of His return and let me be found faithfully doing His work when He appears.

Evangelize the lost (Mark 16:15)

Give me a heart for those who don't know You, God. May I boldly and urgently proclaim the gospel of grace and forgiveness of sins that is freely available to all who confess Jesus is Lord and believe You raised Him from the dead.

Acknowledge Him (Proverbs 3:5-6)

Don't let me outlive my love & devotion to You, Lord. Let my life serve as an example of what it means to trust You fully. May all I do and say and hope and think bring glory and honor to Your precious, holy name.

Redeem the time (Ephesians 5:15-16)

"Lord, teach us to number our days, that we might apply our hearts to wisdom." Don't let me squander my time on earth. Show me how to invest it wisely in activities and pursuits that will bear fruit for all of eternity.
