## At the foot of the Cross

Fanny Crosby, born on March 24, 1820, in Brewster, New York, was the descendant of the founder of Harvard College. She tragically lost her sight at an early age due to improper medical treatment but later became renowned for writing beautiful poems and hymns. For many years, Fanny struggled with questions about faith and did not yet accept Christ.

One day, her close friend Theodore Camp invited her to a convention. Initially hesitant, she had a vivid dream that night where her dying friend asked, "Will you meet me in heaven?" Fanny replied that she would if God willed it, echoing the same words she had spoken when her grandmother was near death. In the dream, her friend reminded her of her promise to meet him in heaven.

The next day, Fanny attended the convention with her friend. Over three days, various servants of God prayed for her, but nothing changed. On the third day, while praying at the altar, she still felt no difference. However, when the choir began singing "At the cross, at the cross where I first saw the light," she suddenly cried out, "Hallelujah!" and received the salvation. Fanny later went on to write thousands of hymns (5500-9000), many focused-on themes like the cross and soul-winning etc.

Though she never physically saw the cross, Fanny experienced the salvation it secured through the eyes of faith. Her story shows that the power of the cross is not in vain, nor is the blood Christ shed. The cross still holds the power to transform lives, just as it did for Fanny. By drawing nearer to the cross, we too can experience profound change.

During this Lenten season, we meditate on the significance of the cross. How much closer have we come to it? What barriers prevent us from drawing nearer? Sinful burdens often hinder our progress as we seek to approach the cross. In Galatians 5:24, we read that those who belong to Christ crucify their flesh with its passions and desires. The cross is a symbol of victory-Christ overcame the world, the devil, and the flesh for us. Our goal as Christians is to approach the cross and crucify the sinful burdens that weigh us down-our attachment to the world, self-centeredness, and fleshly desires every day. In doing so, we can inherit the victorious life Christ made available to us through the cross.

Whatever burden you carry in your heart, lay it at the foot of the cross and rest in His grace. May we also guide those who wander without rest to the path of the cross.

# From the General Secretary...

## Personally...

Dearly Beloved in Christ,

Greetings to you in the precious name of our Lord and Savior Jesus Christ.

I am deeply humbled and honored to be unanimously selected as the General Secretary under the divine guidance and will of our Almighty God. This is not the triumph of an individual but a shared victory-one that belongs to all of us. I firmly believe it is God's will that I step into this responsibility as part of my calling in missionary ministry. With a heart full of gratitude and a deep sense of duty, I accept this appointment, trusting in God's strength to serve my Master, this organization, and our nation. As the Scriptures reminds: "**Because the Lord loves His people, He has made you their leader.**" (**2 Chronicles 2:11**). I am greatly encouraged by the countless messages, emails, and calls from many of you, assuring me of your prayers and support for this great movement of God. Your unwavering commitment to prayer strengthens and inspires me. It is with profound thanksgiving to God and to this missionary movement that I pledge to serve with dedication, giving my very best, relying wholly on His grace.

## Faith, Hope, and Love - The Core of Our Christian Journey

Aligned with the Olympic motto, "Faster, Higher, Stronger - Together," our spiritual

journey calls us to move forward in faith, rise higher in hope, and stand stronger in love as one body in Christ. The author of Hebrews, in his exhortation on living under the new covenant (Hebrews 10:22-25), highlights three fundamental duties that God considers essential in light of the absolute and glorious superiority of the new covenant.

### 1. Our Duty to God - Drawing Near in Faith

The first call is to draw near to God through Jesus Christ. Because of the new covenant, we now have full and unrestricted access to God. Our entire lives should be a pursuit of Him, seeking a deeper connection with the One who created us. As Hebrews reminds us: "**Let us draw near in full assurance of faith.**" (**Hebrews 10:22**). This is our sacred duty-to come before

God with sincerity, trusting in Jesus, who grants us access to His throne for forgiveness, grace, and justification.

## **2. Our Duty to the World - Holding Fast to Our Hope**

The second call is to remain unwavering in our confession of hope. We live in a world filled with uncertainty and despair, yet we are called to stand firm in God's promises. The writer of Hebrews urges us: "**Let us hold fast the confession of our hope without wavering.**" (**Hebrews 10:23**). This means remaining steadfast, without hesitation or doubt, regardless of trials. The world needs to see believers who are resolute in their faith-men and women who shine as beacons of hope. This unwavering conviction fuels the fire of evangelism and points the lost toward salvation in Christ.

## **3. Our Duty to Fellow Believers - Encouraging One Another in Love**

Lastly, we are called to uplift and strengthen one another in love. True faith is not self-centered; it overflows in acts of kindness and service. The writer exhorts us: "**Let us consider how to stir up one another to love and good works, not neglecting to meet together, as some are in the habit of doing, but encouraging one another-all the more as you see the Day approaching.**" (**Hebrews 10:24-25**) Unlike the legalistic traditions of the early Hebrews, which focused on self-righteousness, the new covenant calls us

to selflessness-to be actively engaged in the fellowship of believers, serving, strengthening, and encouraging one another.

### **Let Us - Together**

Throughout Scripture, the phrase "Let us" appears repeatedly, reminding us of our collective responsibility as the body of Christ. We are not called to walk this journey alone but to move forward together, encouraging and building one another up. In unity, we grow stronger, and in togetherness, we fulfill God's mission.

- ❖ **Let us draw near to God in faith** - growing deeper in our relationship with Him.
- ❖ **Let us hold fast to our hope** - remaining unwavering in our testimony.
- ❖ **Let us encourage one another in love** - building up the body of Christ.

Just as in the Olympic motto, "Faster, Higher, Stronger - Together," our Christian walk is strengthened when we strive together. The mission of the Church is not an individual pursuit; it is a collective calling. Together, we worship, we serve, and we proclaim His name to the nations.

I was blessed to participate in the **Veteran Missionaries Conference** at Madurai, where I had the privilege of interacting with steadfast warriors of faith who have labored tirelessly for the Lord. Their testimonies were a source of immense encouragement. The feedback from the

program was overwhelmingly positive, and the proposal to make this an annual gathering was warmly welcomed. I also conveyed the Executive Committee's decision: "**Once a missionary, always a missionary,**" encouraging our veterans to continue serving in mission fields under this initiative. Please continue to uphold them in your prayers.

The **1000-hour prayer initiative** during Lent has been meticulously planned and implemented across all mobilization areas and mission fields. This effort seeks to raise fervent prayers for our nation and ministry. Special prayer materials have been prepared and can be obtained from the prayer department at HQ. I urge you to join us in interceding for a mighty move of God.

## **Upcoming Conferences - A Call to Prayer**

Preparations are underway for four significant gatherings:

- ❖ **Kerala State Conference -**  
April 25-27, 2025, in Kozhikode
- ❖ **CGR Oraon ministry Silver Jubilee Celebration** - April 25 -27, 2025  
at Pathalgaon
- ❖ **Tamil Nadu & Pondicherry mobilization staff & leaders family retreat** - April 25 -27, 2025 at Kodaikanal
- ❖ **Tamil Nadu & Pondicherry Annual Conference** - May 15-18, 2025,  
at Bethel, Danishpet

These conferences will serve as powerful platforms to share the burden for the lost and the urgent need for more laborers in the mission fields. Please uphold these events in prayer, asking that the Holy Spirit would move mightily and bring forth an abundant harvest for His kingdom.

## **In Closing**

"Faster, Higher, Stronger - Together" is more than just an Olympic motto; it mirrors our Christian journey of Faith, Hope, and Love. We are called to:

- ❖ **Commune with God in faith -**  
Drawing closer to Him every day.
- ❖ **Witness to the world with unwavering hope** - Standing firm in our calling.
- ❖ **Love and serve one another in Christian fellowship** - Strengthening and encouraging each other.

I sincerely seek your prayers as I embark on this journey. May the Lord grant wisdom, strength, and discernment as we work together to advance His kingdom. Your continued support and intercession are invaluable, and I trust that, through God's grace, we will see His purpose fulfilled in greater ways. Let us move forward in unity, with faith and dedication, for His glory.

Joyfully in His Service,

**Rev. Vijay Prasanna Isaac**

# LEAD ME TO THE CROSS

## A Journey from Jerusalem to Golgotha

The Lenten days are the solemn time in the liturgy of the Church, when we are given the opportunity to take a meaningful and perceptive look at our crucified and risen Lord. The Cross is becoming more and more a reality to the Indian Church and mission. Christians are facing severe persecution everywhere. God grant that as we face the onslaught, we may do so in the power of the crucified Christ, never ashamed of the cross of Christ. The cross of Jesus Christ stands at the center of our faith. A place where sin was defeated, grace was poured out and redemption was made available to all who believe. Yet, the cross is not just a historical event, it is a daily call to every believer. The hymn "Lead me to the cross" captures the longing of a heart that desires to be near Christ, to surrender at His feet, and to live in the power of His sacrifice.

The countdown to Calvary begins from Jerusalem it reviews Jesus' life, previews what is soon to come, views who He really is, and interviews us, posing the million-dollar question " Who is this?" (Matt 21:10). The tension mounts as Jesus approaches Jerusalem. The dusty street of Jerusalem bore witness to a drama that would change the course of history. Soon the same city that had rejoiced at

His arrival, shouting "Hosanna, to son of David" (Matt 21:9), Hosanna means 'save us' now the entire city is stirred or in turmoil, the word used is to describe the tremors caused by an earthquake (8:24, 24:7, 27:51, 28:2) chilling cry "Away with him! Give us Barabbas! Crucify him!". The street of Jerusalem was filled with voices - some jeering, some weeping, all witnessing the greatest act of love the world would ever know. Jesus the sinless Son of God, walked the road to Golgotha carrying a cross that was not His own. He bore the burden of humanity's rebellion, the weight of sin from every nation, tribe, and tongue (Rev 7:9-10).

This was not just an act of suffering - it was a mission. From the very beginning, Jesus has come "to seek and to save the lost" (Luke 19:10). The cross was the culmination of that mission, a moment when redemption was secured for all who would believe.

### The Mission of the Cross

*"Surely he took up our infirmities and carried our sorrows, yet we considered him stricken by God, smitten by him, and afflicted. But he was pierced for our transgressions, he was crushed for our*

*iniquities, the punishment that brought us peace was upon him and by his wounds we are healed. (Isaiah 53: 4-5)".*

From the betrayal in Gethsemane to the moment Jesus breathed His last, every step toward Calvary was purposeful. This journey was not only about personal salvation - it is about the redemption of the world.

**1. A Gospel for All People** - The Jewish leaders condemned Him, the Romans executed Him and as Jesus stumbled under the weight of the cross, a foreigner Simon of Cyrene was pulled from the crowd to help carry the cross (Luke 23:26). The very road to Golgotha was a picture of the global nature of Christ's sacrifice. He came not just for Israel, but for "the sins of the whole world"(I John 2:2). Nailed to the cross, He endured the wrath of God so that we might receive grace. Even as He suffered, His heart remained fixed on His mission:

- He prayed for His enemies: "father forgive them, for they do not know what they are doing" (Luke 23:24)
- He extended mercy to a dying thief: "Today, you will be with Me in paradise" (Luke 23:43)
- He bore the horror of separation from the Father: "My God, My God why have you forsaken me?" (matt 27:46; Psalm 22:1)

Yet in His final breath, He declared, "It is finished"(John 19:30), the temple veil was torn from top to bottom (Mathew 27:51). This symbolized unrestricted access to

God, not just for the Jewish people, but for all nations. The dividing wall of hostility was broken (Ephesians 2:14) and salvation was no longer confined to a temple - it would now go to the ends of the earth. The price was paid. The mission was complete. The way to salvation was opened for all who believe. This is the heart of the gospel: Jesus did not just die - He died in our place. The path of the cross is path of sacrificial love.

**2. The call to discipleship and Missions** - when Jesus told His followers. "Take up your cross and follow Me". (Luke 9:23). He was preparing them to follow him not as a one-time decision but a lifestyle of surrender. To be a disciple of Jesus at least during the first three centuries of Christianity was to have one's head on the block. Jesus had already cautioned his disciples that they would be handed over to councils, tried in the synagogues and dragged before governors and kings (Mathew 10:17-18, Luke 21:12). His death was not the end - it was the beginning of the Church's mission. After the resurrection, Jesus stood before His disciples and gave them their mission: " Go and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit."(Mathew 28:19). The cross was not just about personal salvation - it was about global rédemption. As Christ carried the cross to Golgotha, we now carry the gospel to the ends of the earth.

◆ **The cross calls us to go** - "As the father has sent me, I am sending you." (John 20:21)

- ◆ **The cross compels us to preach -**  
“Woe to me if I do not preach the gospel!” (1 Corinthians 9:16)
- ◆ **The cross commands us to make disciples -** “How can they hear without someone preaching to them?” (Romans 10:14).

The path of the cross is a path of mission. To truly follow Christ means to proclaim His sacrifice to the lost.

## Golgotha and the global mission

At the place of the skull, Jesus was crucified between two criminals - one who rejected His hurled insults demanding Jesus save himself and another who believed convicted of his own sin, turned to Jesus and pleaded. Even on the cross the mission continued. A dying man was saved in his final moments, proving that no one is beyond the reach of grace for redemption.

This moment challenges us:

- Do we see the lost, even in unlikely places?
- Are we willing to proclaim Christ, even when the world rejects Him?
- Will we suffer for the sake of those who have yet to hear?

Our response: A Life on Mission

The journey from Jerusalem to Golgotha was not just a path of suffering - it was the road of love of Christ's mission of redemption. Now we walk the road of mission carrying His message to the world.

Because of the cross -

- We have redemption through his blood (Ephesians 1:7)
- We are justified by faith (Romans 5:1)
- We are made New creation in Christ (2 Corinthians 5:17)
- We have the promise of eternal life (John 3:16)

**We carry the cross in our lives** - The call to follow Christ is a call to surrender. Paul declared, "I have been crucified with Christ and I no longer live, but Christ lives in me" (Galatians 2:20) True discipleship means dying to self and living for His glory.

**We carry the gospel to the lost** - just as Simon of Cyrene helped bear Christ's cross, we are called to bear the burden of the lost. Missions is not an option; it is a mandate. "How can they believe in the One of whom they have not heard?" (Romans 10:14)

**We go because He went first** - Jesus endured suffering for the sake of the world. Are we willing to leave comfort behind to bring the gospel to those who have never heard?

The cross is not just where we find salvation - it is where we find our calling. Jesus endured Golgotha so that the nations might know Him. Now He commands us: "As the Father has sent me, I am sending you." (John 20:21)

Lord, lead us to the cross. Let us never lose sight of its power, and may we take its message to the ends of the earth.

**- Rev. Vijay Prasanna Isaac**  
General Secretary

# NANAKMATTAFIELD

## The Land of gods

**U**ttarakhand, formerly known as Uttaranchal, is a state in Northern India, located east of Nepal and west of Uttar Pradesh, close to the state of Haryana. Its capital is Dehradun. The state comprises 13 districts, which are grouped into two divisions: Kumaon and Garhwal. The people of Uttarakhand are primarily known as the Garhwali and Kumoni. The state is often called "Dev Bhoomi" (Land of gods) due to its many holy places, and it is blessed with abundant forests and wildlife. Everywhere you turn, you can witness hills, dams, rivers and greenery.

In 2005, FMPB began its ministry in this region. The mission field in Maldanchaur was established by Rev. Manoj's family. Currently, the mission has expanded into five fields, and the work continues. This month, we are focusing on the Nanakmatta field and ask for your prayer support for the ministry there.

## Nanakmatta

Nanakmatta is located in the Udhamsingh Nagar district of Uttarakhand. Originally called Ghorak Mata, it was renamed Nanakmatta in the sixteenth century after Guru Nanak visited the Gurdwara situated here. The Rai Sikhs, along with the Tharu (Buksa) tribe, live in this area. Our ministry mainly focuses on the Rai Sikhs, who speak Hindi and Punjabi. Instead of temples, they have Gurudwaras, as there is no idol worship among them. Key celebrations for them include Guru Nanak Jayanti and Vaisakhi, but they do not observe any specific worship days.

The Rai Sikh community consists of around 10,000 people spread across 115 villages and two major cities. Their primary livelihoods are in agriculture, as well as the production of liquor and drugs. The women in this community engage in agricultural work and animal husbandry, while the young men serve in the army, work in

factories, or run their own businesses. Of the community, 73% of men and 58% of women are educated, and they also have an interest in politics. Village leaders make most of the decisions for these people.

Though there were no Christians in this community initially, a Catholic Christian organization had been working in the area for some time. However, their current work in this mission field has ceased. Despite this, the Rai Sikhs are very receptive to the Gospel.

In this community, problems such as drug addiction among the youth, the worship of gurus, political instability, the prevalence of unconstitutional weapons, child marriages, and divorce are common.

## Our Ministry

In June 2021, our missionaries, Mr. Ramasamy Jerome and Mr. Sivakumar, conducted a survey in this area. The mission field was officially opened on August 1, 2021, by Mr. Sivakumar and Mrs. Sushila Marak. While distributing tracts, the wife of Mr. Satveer Singh, requested prayer for her husband who had been tormented by sleepless nights due to

the bondage of an evil spirit for 40 years, Our missionaries prayed at their home for three consecutive Sundays. On the third Sunday, God miraculously healed Mr. Satveender Singh, freeing him completely from the evil spirit's bondage. As a result, both Mr. Satveer and his wife, Baljeet Kor, accepted Jesus Christ as their Savior and publicly confessed their faith. They became the first believers in the Nanakmatta field. With your continued prayers and support, the harvest of souls continues to grow in this area.

## Prayer Requests

1. May the anger and illegal use of weapons among these people come to an end.
2. May those involved in the production of alcohol and drugs for their livelihood experience a change of heart and find alternative, dignified employment opportunities.
3. May the challenges related to marriage be resolved, and may strong, beautiful families be established.

- Even if their marriages are conducted according to Christian rituals, they want the people from the Gurudwaras to recite from Kranth their scriptures. May these people be freed from the bondage of Guru worship, and may they come to experience the fullness of Christ,
- As there are no churches in this area and believers gather in small groups in homes, we pray for the removal of barriers and the establishment of churches.
- We pray for God's protection over believers and missionaries from dangerous wild animals, such as pythons, crocodiles, and leopards.
- We ask for divine protection over believers and missionaries from religious fanatics, especially given the law prohibiting conversions.
- We pray that opposition and intimidation from religious extremists will cease.
- We pray that the believers in this area will worship Jesus Christ freely, growing deeper in their faith and rooted in Christ.
- Finally, let us pray that God powerfully uses Mr. Ramasamy Jerome and his wife, Mrs. Rajam, who are currently serving in this mission field.

## Audio Bible Dedication in Chaudhary Language

The New Testament, translated into Chaudhary language by our translators Mr. Christopher Thomas and his wife Mrs. Vasantha Vembu, was published by the Bible Society of India in 2006. # POSHERA Church History

MOKHADA FIELD,  
GODAVARI REGION,  
CENTRAL ZONE

**Mrs. Agnes Edward**

Poshera is a large village located in Mokhada Taluka of Thane district, Maharashtra. It belongs to Konkan Region with a total of 987 families residing. The Poshera village has population of 4417. As per constitution of India and Panchayati Raaj Act, Poshera village is administrated by Sarpanch (Head of Village) who is elected representative of village. In Poshera village, most of the village population is from Schedule Tribe (ST). Schedule Tribe (ST) constitutes 94.63 % while Schedule Caste (SC) were 0.09 % of total population in Poshera village. They are involved in cultivation (owner or co-owner) or as Agricultural labourers.

## BEGINNING

Rev. Johnson Barnabas and Rev. Bethuel Bardan began a mission field in Mokhada in 2006, targeting tribal and unreached populations. They sent Basavaraj and Sanmata Basavaraj for language training. In 2007, they moved to Jawhar to minister in Mokhada. Poshera village had already seen Christianity spread from 1990s through Mr. Tukaram Yashwant Wagh. After facing persecution, they migrated to Nasik and

gathered for worship. By 2004, over 8 families had accepted Christ but had no Pastoral care.

**1st believer:** Mr. Basavaraj, began visiting Bahu Dharma Kadali's house in Poshera village and led worship, which was initially opposed by anti-Christians. In August 2007, the police intervened after being alerted by anti-Christians but released the believers after a warning. Despite facing threats, Mr. Basavaraj continued his visits, even holding a secret night meeting, where anti-Christians gathered outside. They attempted to harm him, but he escaped at 3 am. Worship continued secretly until a Sunday service at Govind Kawar's house was disrupted by police after the anti-Christian elements informed them. The police escorted Mr. Basavaraj to safety.

Seeking help from the minority commission, Mr. Basavaraj organized a night meeting and baptism service, with 20 police officers present for security. On that day, 148 believers were baptized at Poshera dam, including Mr. Bahu Dharma Kadali. Following the baptism, worship resumed at Mr. Kadali's house with 80 attendees, continuing until the Church was built.

**Bahu Dharma Kadali**, a drunkard from Poshera village, experienced witchcraft and alcohol abuse from his villagers. He became mad, seeking money to drink alcohol and hearing evil spirits through various means. He tried to escape by leaving clothes in a bag, but the spirit returned. He sought help from witch doctors and relatives, but ultimately received relief from the evil spirit and witchcraft. Finally, he approached the old Christians of his village (they were his relatives) and they prayed for him and he got a complete relief from the evil spirit and witchcraft.

**Tulsiram Kadali**, from Poshera village, experienced stomach pain and went to a witch doctor and was healed, later his eldest son, Kesab, died from the same sickness. He returned to Poshera village and faced similar sickness again, this time affecting his daughter. Tulsiram sought help from an old Christian, Mr. Tukaram, who prayed for her and she experienced a bright light. Despite accepting Christ, they continued to consume alcohol and chew tobacco, unaware of their sin.

## Opposition

As the number of believers in Poshera grew, opposition intensified. Anti-Christian elements and the believers' relatives threatened them with severe consequences if they continued worshipping. The believers, along with their Bibles and songbooks, were taken to the police station, where they were forced to

sign a statement promising not to pursue Christianity. They were then reconverted to Hinduism at a Maruti temple by a Brahmin. From that point, worship in Poshera ceased, and the believers became secret Christians out of fear.

In July 2007, Mr. Basavaraj and his wife, Mrs. Sanmata, were assigned to the Mokhada field. Rev. Perinbadass showed Mr. Basavaraj the name of Savnji Motiram Mukhane from Poshera in the baptism register. Mr. Basavaraj went to Poshera to find him and, after inquiring about Christians, met Sita Bai, the wife of secret Christian Bahu Dharma Kadali. She was initially afraid but, upon seeing Mr. Basavaraj's Bible, she greeted him and shared that they were living in fear. Mr. Basavaraj took her husband's phone number and left.

## CHURCH GROWTH

The Katkari people, after accepting Christ, experienced economic and social development, giving up alcohol and tobacco. They had children, grew wealth, and cultivated their own crops. Bahu Dharma Kadali, the first believer, won the Panchayat election in 2011 and became the sarpanch of 18 villages. He gave NOC for Church construction, which was opposed by anti-Christians. His leadership stopped opposition and led to bolder acceptance of Christ among the Katkari people.

Ramu Arjun Wagh once an anti-Christian, persecuted believers with his group. When

his wife had a lump which travelled through her body to the throat causing suffocation and fainting due to an evil spirit. He initially sought help from witch doctors but in vain. Despite his resistance, he eventually took her to Christians for prayer, and she was healed after experiencing a bright light during hospital treatment. Over time, he became a strong believer and was baptized, refusing to renounce Christianity even when pressured by his former group. His father, an alcoholic who had cancer, sought witch doctors without success. One day, his parents attended Church, and through prayer by missionary Mr. Basavaraj and the believers, his father was healed. This divine healing led to his parents, brother's family, father-in-law (a witch doctor), and brother-in-law (a drunkard) all accepting Christ and being baptized. Hallelujah!

## THE CHURCH LAND AND CONSTRUCTION

The Poshera congregation members are from the Katkari people group and they always wanted a Church for them at their village. They prayed 40 days skipping 2 meals. God opened the way and a land was purchased from Dutta Ale and his brothers for Rs. 25,000. It was a 20,000 sqft land. Church Name: St. John's Church. The Poshera Church foundation stone was laid in September 2012. It is a Pucca Church. The sponsor is Mr. Nelson Rajkumar from Coimbatore. There was no opposition during the time of construction. The first Church among the Katkari people group was dedicated for the glory of God at Poshera village by the sarpanch, Mr. Bahu Dharma Kadali on 22.6.2013. The sponsor Mr. Nelson Rajkumar asked the first believer and the sarpanch to dedicate the Church. Mr. Kanagaraj, the Coimbatore prayer group leader was also present. Missionaries,

Mr. Shankar and family, Mr. Srinivas and family and Mr. Hemant Kumar family were present at the time of dedication. Apr 2013 -At Poshera village, Mr. P. Jayachandran and Mr. Christopher, a Prayer Group from Mumbai visited and helped for digging bore well. The water gushed out at 35ft. A room for LTI was also constructed beside the Poshera Church in December 2015.

## CHURCH ACTIVITIES AND INFORMATION

The Sunday school is conducted every Sunday during the sermon time of the Sunday service. The missionary's wife, Mrs. Sanmata, Ms. Rekha, Ms. Surekha and Ms. Swapna conduct the Sunday school regularly. All the believers go for outreach ministry 7 to 8 times a year. They distribute tract and pray for their relatives and the sick. Worshipping groups are formed. But due to persecution and migration, regular worship is not conducted in all these villages. In 4 villages, regular worship is conducted. 40 to 50 people have accepted Christ through the Poshera believers. Every Wednesday, fasting prayer is conducted from 6 pm to 9 pm.

## Prayer Points

- Pray for some believers who are addicted to alcohol still.
- Since some of the believers are very poor, they migrate to other places to earn their living. They don't own any land to do agriculture. Pray for God's blessing on them.

## MISSIONARY ALBUM

### Mr. Sambhunath Nayak & Mrs. Rajeshwari Pradhan

Mr. Sambhunath Nayak was born on March 5, 1979, as the second son of the late Mr. Subal Nayak and

Mrs. Darbani Nayak in the village of Padamakittala, Angul district, Odisha. He has two brothers and two sisters. Growing up in this family, he encountered the love of Jesus Christ through a missionary working in the area when he was in seventh grade. Later, he accepted Jesus Christ as his personal Savior, but his decision led to persecution from both his family and the village. Despite the challenges, his father warned him that he would be cast out of the house. However, through his fervent prayers, the opposition eventually subsided.

When Sambhunath prayed for guidance regarding his higher education, God inspired him to serve Him. He then received two years of Bible training at Believers Church of India (BCI) and served in the ministry for a few years. While working at a children's home in Cuttack, Odisha, he learned about the work of FMPB through missionary Rev. Anil Kumar Bisoyi, who was conducting a Bible class for the children. Sambhunath felt called to dedicate himself to full-time ministry.

Mrs. Rajeshwari Pradhan was born on June 10, 1982, into a Christian family as the eldest daughter of Rev. Sarabhu Pradhan and Mrs. Renuka Pradhan in Serango village, Gajapati district, Odisha. Tragically, when Rajeshwari was six years old, her father died in an accident, and her mother sent her and her brother to study in a children's home. Overcome with loneliness, Rajeshwari felt depressed and abandoned. However, during a Vacation Bible School, God spoke to her through Hebrews 13:5, "I will never leave you nor forsake you." This verse led her to accept Jesus Christ as her personal Savior. Witnessing the dedication of the staff at the children's home inspired her to serve God in the same way. After completing her school education, she joined Bible College and studied for a Bachelor of Theology (BTh).

On June 13, 2009, Rajeshwari married Mr. Sambhunath Nayak. Together, they joined FMPB as full-time missionaries on June 16, 2009. They received training at Salem Bethel BBI College and then served among the Vasava people in Gujarat for six months. From 2011 onward, they served in the urban areas of North Gujarat, including Dediyapada, Malsomot, Vagnagar, and Mansa. Currently, they are committed to serving the Srimali, Parmara, and Prajapati people groups.

The Lord has blessed Mr. Sambhunath and Mrs. Rajeshwari with three children. Their eldest daughter, Joyce Katsia (July 26, 2010), is in 9th grade; their youngest daughter, Jessica (born on August 12, 2013), is in 6th grade; and their son, Joshua Sam (born on November 15, 2015), is in 4th grade at Grace Academy in Dehradun.

Let us remember this dedicated missionary family in our prayers.
