## What is under your Carpet?

The ultimate goal of every Christian is to become more like Jesus each day by living a holy life. Horatius Bonar described holiness "extends to every part of our persons, fills up our being, spreads over our life, influences everything

we are, or do, or think, or speak, or plan, small or great, outward or inward, negative or positive, our loving, our hating, our sorrowing, our rejoicing, our recreations, our business, our friendships, our relationships, our silence, our speech, our reading, our writing, our going out and our coming in-our whole man in every movement of spirit, soul, and body."

A once-strong tree fell unexpectedly, revealing that termites had eaten away its core from the inside. Though it looked sturdy on the outside, it had been hollowed out over time. This serves as a powerful metaphor for our spiritual lives. We may appear spiritually strong, yet hidden sins-like spiritual parasites-slowly weaken us.

As children of God who are called to be Holy (set apart) for His purposes, we secretly set apart some of the old self and cling to it even though we know that it could kill us spiritually. Often, we hold on to remnants of our old life, compartmentalizing our faith. We tell God, "You can have most of me, but I'm keeping this one small thing." We cannot ignore them, because they will never go away unless when we expose them and submit them to the light of Christ. To simply ignore their presence only seals our fate of being slowly hollowed out and eaten alive. There is still work to be done by the Holy Spirit in the hearts of us all! There may be small pockets of the old life still resistant and evident in us. No one else knows it. By all appearances we look fine and healthy on the outside, yet on the inside we're struggling to stay alive as we just sweep things under our carpets. However, holiness requires complete surrender. Ignoring these hidden struggles only leads to spiritual decay.

*To prevent this, two things must happen:*

- 1. Expose the sin** - Acknowledge it before God. Bring it into the light instead of hiding it. True spiritual maturity begins when we confront and confess our deepest sins.
- 2. Surrender it completely** - Once exposed, we must let go and give it to Christ. Growth and renewal can only occur when we fully submit to Him.

The tree didn't have to die, and neither does our spiritual walk. If we reveal and surrender our hidden struggles, healing will begin, allowing us to grow in the image of Christ. No private victory, No public victory - ***Mr. John Samuel President FMPB. Let's be victorious in our private life and lead others to victory!***

# *From the General Secretary...*

**D**ear Prayer Partners,

During a recent time of personal Lenten devotion, I was profoundly struck by a simple phrase in Luke 19:31(NIV): "The Lord needs it." Though a brief instruction, its meaning runs deep. go into the village, find a colt, untie it, and if anyone questions you, say these four words "The Lord needs it." But those words have continued to echo in my heart. Some Scriptures thunder with power, others whisper with stillness-but both change us when we let them. It reminds us that God chooses to work not through force or grandeur, but through what we willingly surrender. How humbling that the Creator of the universe invites us-ordinary people with ordinary resources-into His extraordinary mission. He doesn't need us out of lack, but desires our partnership. What a sacred privilege to be needed by the One who needs nothing. He has chosen to involve us-ordinary people with ordinary resources-in His extraordinary mission.

**The Power of Availability:** The colt that carried Jesus into Jerusalem wasn't chosen for its strength. It wasn't prepared or polished. It had never even been ridden -it was simply available. On its back rode the King of Kings into Jerusalem, fulfilling centuries-old prophecy (Zechariah 9:9) and setting into motion the final chapter of God's plan for our redemption. Its unnamed owner offered it, and God used that simple act of obedience to fulfill prophecy and advance His redemptive plan.

**This is the essence of missions:** Ordinary people offering what they have,

and God doing the extraordinary. Throughout history, missionaries and mission partners have echoed this same lesson. He doesn't wait for perfection-He asks for surrender. He doesn't call the equipped; He equips the called. So, what is your "colt"? Your time, talent, calling, or simply your availability? Whatever it is, hear His gentle call: "The Lord needs it."

**A Call to Deeper Surrender:** "God does not need your strength; He has more than enough power of His own. He asks for your weakness. He has none of that" - Charles Spurgeon. God isn't seeking the most talented, the most educated, or the most resourced, but the most surrendered-those who say, "Lord, I give You what I have, not out of obligation, but out of love."

Today's mission work in India and beyond needs such surrendered hearts. Strategies and resources matter, but they must rest on obedience and love. The owner of the colt had no idea that his offering would be remembered for generations. But Heaven took note. Could it be that your offering-however small it seems-might carry the presence of Christ into places where He has never been named? Let us pray more, give more, and serve more-holding nothing back. Whatever God places in your hands, offer it freely. The Lord needs it, and eternity will reveal its impact.

### **A Sacred Milestone: A Moment of Grace:**

By God's grace, the Installation Service of FMPB's new General Secretary was held on April 1, 2025, at Emmanuel Methodist Church, Vepery, Chennai. More than a ceremony, it was a spiritually rich and historic moment, marked by unity and purpose. Leaders, partners, missionaries, and prayer warriors from across India gathered to affirm our shared mission to reach the unreached. We were honored by the presence of Senior Church Leaders, Mission Heads, Partners, and representatives from various denominations. We thank all who supported us through prayers, presence, and participation, and extend special gratitude to Emmanuel Methodist Church for their warm hospitality.

**A Spirit-Led Commissioning:** The service was marked by prophetic prayers and a deep sense of God's direction. As I received the mantle of leadership, I was reminded that promotion does not come from the east or west, nor from the south-but from God alone, who raises one and brings down another (Psalm 75:6-7). It is His hand that appoints, equips, and sustains. This is not an end, but a new beginning. With deeper faith, stronger partnerships, and a shared vision, we move forward to carry the Gospel to those who have yet to hear. The harvest is plentiful, and our God is more than able.

Let us journey together in His strength and for His glory.

**Corn of wheat:** I had the solemn and heart-wrenching privilege of participating in the funeral of our beloved missionary, Mrs. Jeyanthi Karthikeyan (42). With deep sorrow, we share the passing of our beloved missionary, Mrs. Jeyanthi Karthikeyan (42),

who tragically succumbed to a head injury after falling from a motorcycle in Haryana. A devoted servant of God, her compassionate ministry touched countless lives and left an indelible mark on the FMPB family. The funeral was held on 16th April 2025 at Ratia Church, followed by burial at the Christian Cemetery in Fatehabad, attended by fellow believers, missionaries, and pastors who gathered to honor her legacy. We extend our heartfelt condolences to her grieving family-husband Mr. Karthikeyan and daughters Evangeline (21) and Jasmine (19). As we honour Mrs. Jeyanthi's legacy, we urge all supporters to keep our missionaries in prayer-for their safety, protection, and strength in challenging fields.

### **Introduction of the New Office Bearers - A Spirit-Led Gathering:**

Praise God for the successful introduction of FMPB's new office bearers on April 6, 2025, at Snehalaya, Palayamkottai. Over 300 leaders, sponsors, and prayer partners from southern Tamil Nadu gathered in a spirit of unity, worship, and shared purpose. We thank our dedicated leaders for their excellent planning and hospitality. creating a space for meaningful fellowship and powerful prayer. Our President Mr. John Samuel, Vice-President Mr. Sam Ponniah, Treasurer CA Nelson L, and I, as the new General Secretary, shared FMPB's renewed vision-deeper faith, wider compassion, and a commitment to reach the unreached. It was a time of encouragement and fresh dedication to God's calling.

### **Church Mission Relations and Partnership:**

On 5th April 2025, we were warmly welcomed by Rt. Rev. Barnabas, Bishop of the Tirunelveli CSI Diocese, in

a meaningful time of fellowship with our leaders. This was not merely a meeting, but a sacred moment of reconnection—a reminder of how the Church and mission organizations like FMPB can walk together in obedience to the Great Commission.

The Church has always been the womb of missions, nurturing the faithful and commissioning them into the harvest field. Together, we explored new avenues for collaboration—mission awareness, joint prayer, youth engagement, and leadership training—aiming to align the Church and mission more closely for kingdom impact. We renewed our shared commitment to see every believer and congregation actively involved in God's redemptive work. Please continue to pray as we move forward with these initiatives. May this renewed partnership bear lasting fruit for His glory.

**A Clarion Call for Missionaries to Rise:** From cities to villages, India's need is urgent—not just for change, but for the light of Christ. The call to missions is clear: who will carry His love and truth? The call to missions is not a distant echo; it's a divine summons from the heart of this land. God is raising a generation willing to say yes—choosing obedience over comfort, sacrifice over safety. We need teachers, evangelists, nurses, pastors, intercessors, and everyday believers to live the Gospel where it's needed most. Will you go? **Will you send one from your family, your church, your street, your village?**

**A Call to Serve As Teachers:** In the tribal villages of Jhawada (Gujarat) and Pandeni (Jharkhand), mission schools are bringing hope to children through education. These schools offer more than education;

they offer dignity, dreams, and a future to children facing deep social and economic hardships. But these young lives need mentors—Christian teachers with a heart to serve, not just educate. This is more than a job; it's a calling to inspire, uplift, and believe in a child's potential. The need is urgent. Will you answer the call?

**A Call to Prayer: Upcoming Mission Conferences:** As we prepare for the State and Regional Mission Conferences in Tamil Nadu and Andhra Pradesh, we stand at the threshold of a vital season for the Gospel.

These gatherings are not mere events—they are **Spirit-led moments** of vision, worship, and mobilization. To see lives transformed and missionaries raised, we need your **earnest prayers**. Let's cover these conferences in prayer—and believe for a mighty move of God.

**Management Committee Meeting:** As we prepare for the Management Committee meeting on May 3-4, 2025, we invite you to join us in fervent prayer for this important time of planning and decision-making.

We are grateful for your continued partnership. Your prayers and support strengthen the work we do for God's Kingdom. Let us move forward together in faith, trusting that **God goes before us and the best is yet to come.**

Humbly In His service,

**Rev. Vijay Prasanna Isaac**

## More on **HOLINESS**

*"I am holy, so be holy" - 1 Peter 1:16.*

The Ermine, a small animal, lives for only 4 to 7 years. This white creature, measuring 13 to 29 centimetres in length and weighing about 300 grams, is hunted for its fur. In ancient times, the ermine was considered a symbol of purity. When hunters sought to capture it, the animal would rather die than allow its pristine white fur to be tarnished. This devotion to purity serves as a powerful reminder for us to consider how we, created in the image of God, should live holy lives.

### **What is Holiness?**

Holiness means separation - a life set apart from the sinful activities of the world. All the items kept in the Ark of the Covenant, for example, were used in ordinary ways. But when they were separated and placed in the ark, they became sacred and holy (Hebrews 9:4). As Hebrews 12:14 reminds us, "Without holiness, no one will see the Lord." Holiness is a characteristic of God, and He has revealed it to us through the words of Jesus Christ. Through faith in Jesus Christ, confessing our sins, and receiving forgiveness through His blood, we are called

to live as witnesses of His holiness in this world, bearing His image.

### **Why is Holiness Necessary?**

Holiness must touch every part of our lives—our clothing (Exodus 40:13-15), eyes (Job 31:1; Matthew 5:28), speech and thoughts (Psalm 66:18), and with the opposite gender (1 Corinthians 3:17; 6:19; 1 Peter 1:14; Romans 6:19; 12:1). We are called to be examples, pursuing holiness in all things. As Jesus said in John 8:36, "If the Son sets you free, you will be free indeed." By His grace, we are freed from sin and sanctified to live holy lives.

### **How to Grow in Holiness:**

As William Shaw said, "He who has learned to pray knows and experiences the secret of a holy life." Jesus modelled prayer in all circumstances—alone (Mark 1:35), with others (Luke 21:36), and even at Lazarus' tomb (John 11:41-44).

Prayer—whether personal, family, or group—is vital for a holy life. It is the breath of God's children, deepens holiness, and moves the heart of God. As John Bunyan said, "Pray often, for prayer is a shield to the soul, a sacrifice to God, and a scourge for Satan." Like biblical heroes—Moses, Nehemiah, Esther—we too can overcome through prayer. Vikash, a man in Rajasthan, was healed from heart swelling, and liver swelling for months after his believing wife prayed fervently. Her tears moved God, reminding us of John Vance's words: "If the eyes had no tears, the soul would have no rainbow."

Let us continue to increase the time we spend in prayer, morning and night, in our personal lives and families, and we will experience victory.

## Abiding in the Word of God to Grow in Holiness:

"If you abide in Me and My words abide in you, ask whatever you wish, and it will be done for you." (John 15:7) Jesus Himself relied on Scripture-to reason (Luke 2:46) and to resist temptation (Matthew 4:4, 7, 10). Likewise, we are called to read, study, and meditate on God's Word, as Psalm 119:7-11 encourages.

Sadly, many neglect the power of the Word. But Scripture transforms lives. I was born into a devout Hindu family and began reading the New Testament in 1984 at age 18, inspired by my father. In just three months, I read it six times. God spoke to me through His Word, leading me to accept Jesus, get baptized, and follow Him. For the past 41 years, I've lived as a child of God and served as a full-time missionary in FMPB for 33 years.

As D.L. Moody said, "The Bible was not given to increase our knowledge, but to change our lives."

## Growing in Fellowship with God's Children:

In John 15:12, Jesus calls us, to love others as He has loved us-sacrificially and unconditionally. In Ambabani village, Gujarat, new believers faced persecution when the village head banned them from using the public well. But Ranjit, a believer, dug a well on his land after receiving a vision, and his wife chose to share the water freely with all, including those who opposed them. This act of love softened hearts, leading 40 families to Christ. Like them, we are called to demonstrate Jesus' love through our actions.

## Perseverance in Bearing Fruit to Grow in Holiness:

Jesus chose us to bear lasting fruit (John

15:16-the fruit of the Spirit (Galatians 5:22-23). Joseph is a powerful example, displaying these qualities throughout his life (Genesis 37-50).

To bear fruit, we must stay connected to Jesus, the Vine, allow Him to cleanse us, and live for His glory. This means sharing Jesus with others, forming prayer groups, share about the FMPB ministry, visiting the sick, and spreading His love in our communities and workplaces.

As we grow in holiness, may our lives lead others to Christ. May God have mercy on us. Amen!

# President's Message

Dear brothers and sisters

*"I love Christ. It's just that so many of you Christians are so unlike Christ. If Christians would really live according to the teachings of Christ, as found in the Bible, all of India would be Christian today".* This profound statement by Mahatma Gandhi to Stanley Jones is a stark reminder of our need to live like Jesus, as taught by Jesus. When Christians live and lead by Biblical values and principles, we can impact the world.

## **"It Shall Not Be So Among You!" - NOT SO WITH YOU**

The values of the Kingdom of God always stand in total contrast to the values of this world. Often, we struggle to understand this divine paradox, which makes it difficult for us to embrace and act according to the mind of Christ. That is why Jesus personally spoke to His disciples and taught them the values of the Kingdom in Matthew 20:25-26. He explained how worldly rulers exercise authority with pride and dominance, but "it shall not be so among you"-those called into Christian leadership.

Instead, He said, *"Whoever wants to become great among you must be your servant."* God isn't looking for celebrities, he is looking for servant leaders because in God's Kingdom, greatness belongs to the servant. It's my desire that as Christians, we usher in a culture of love and compassion, humility and integrity. This 'new culture' calls for a few changes in the way we live

### **1. Do the 'Donkey Duty' (Matthew 21:2)**

When the disciples returned after preaching and healing, Jesus gave two of them an unexpected task-fetching a donkey. Though it seemed menial, they obeyed without murmur. That is what I call 'donkey duty': willingness to do humble tasks for the sake of the mission. Whatever assignment God gives us, including the donkey duty, can He count on us?

Many years ago, we had a large students camp in Papanasam for the college students of Tirunelveli. I remember Prof Rajadurai from St Xaviers college taking the responsibility to buy the needed vegetables and provisions and to bring them through the bus coming from Tirunelveli to Papanasam. It's unbelievable to see the college Professor doing this 'menial' work so that the Camp will be a blessing for many. He was willing to do the 'donkey duty' for God's Kingdom purposes.

I am aware that many FMPB leaders walk long distance or go by cycles to visit families,. They study the Bible with them, pray with them and collect the contributions from the donors. It's difficult and yet they do this 'donkey duty' for enlarging God's Kingdom. Some may perceive this as a menial task but it is actually Kingdom-critical. The Lord will surely bless such committed men and women who are 'walking messengers of God' ! We need people in every village and town who are willing to do 'donkey duty' for God.

## 2. The Leader Is the Servant; The Servant Is the Leader

The teachings of Jesus are topsy-turvy. The leader is the servant; The servant is the leader. It represents a new culture of service. Every person - from the General Secretary to the missionary, from the President to the prayer group leader - is called to serve with love, not dominate with authority. Leadership in FMPB shall reflect Jesus' example of humility, kindness, and concern. Selfless service is the hallmark of Christianity.

FMPB, as a God-inspired movement, will continue to invest in the total development of the poor and the down-trodden in various parts of India because we want to serve the nation and build the nation. As a part of the mission, we will invest in 'adult literacy' projects, health care projects, education projects, child development projects, tribal development projects, women development projects, church development projects, spiritual development projects etc. We seek your prayers and involvement as we venture into these spheres of service.

Recently, I visited Donavor Fellowship and Santosha Vidyalaya along with Bro James Dharmabalan. It was a delight to spend half a day with the children of the missionaries studying at the school, along with the Principal and the Chairman of the School Board. More than 300 children of FMPB and NSM missionaries are studying at the school. When I met them, I could see radiance in their eyes and passion in their attitude.

I look at them as the future leaders of our nation - missionary doctors, missionary engineers, missionary civil servants, missionary judges, missionary scientists, missionary teachers, full time missionaries, missionary political leaders who will bring a decisive change in the society. All it requires is our willingness to invest in their tender lives - not just schooling but more than schooling. We want to invest in their university education, career development, character development and missionary calling. Just like you visit the mission fields, you may also visit the school children at Santosha Vidyalaya, encourage them and empower them, in consultation with the Principal of the School.

When I visited Donavor Fellowship, I was deeply touched by the excellent work, initiated by Amy Carmichael from Ireland. Founded originally in 1901 by Amy Carmichael (fondly known as 'Amma') as a home for rescued children, Donavor Fellowship is an epitome of selfless service. I was moved by the compassionate and caring service provided by Donavor Fellowship to the aged and the poor.

Servant leadership means stepping out - to serve the broken and marginalized. Servant leadership means 'Go or send'. This is what Christian service is all about.

## 3. Lead with a towel

A man who never held political office, never built a company, and never led an army introduced a radically different kind of leadership. And it happened in an upper room, not a boardroom.

During the Last Supper, Jesus-fully aware of His authority and destiny-got up from the table, took a towel, knelt down, and began to wash the feet of His disciples. Even the feet of the man who would betray Him. In that moment, He redefined what love, leadership, and legacy would mean for generations to come. The one with ultimate power and authority over the world led not in power but, applying the towel, as a servant, Jesus demonstrated Kingdom values.

Let me make it clear that leadership starts with serving. Whether it's helping in the VBS or Sunday School or Prayer group or serving as a missionary in a remote location, the noble leaders stoop down to lift others up. Let there be a culture change where everyone carries towels, not titles.

'Lead with a towel' inaugurates a community of foot washers. It deletes the image of clamouring for power, people climbing over each other to get to the top. Families, organizations and societies in all cultures around the world will be progressive and prosperous, when leaders 'lead with a towel'

It shall not be so among you - In Christian homes, husband will not boss over wife and wife will not boss over husband. Both will respect one another, love one another and uplift one another.

#### 4. Have your own 'Lamberene'

Many recognize Albert Schweitzer as a doctor from Germany, but his life was far more than extraordinary. He earned his Doctorate in Philosophy and Doctorate in Theology. He was an accomplished musician and a great philosopher.

Despite these remarkable achievements, when God called him, he humbled himself to become a servant. He pursued a Medical degree and, in 1914, went to Gabon, Africa, as a Medical missionary, along with his wife, who was a nurse. His calling took him to the jungles of Africa, where he healed many and touched the lives of millions worldwide.

In 1952, he was honored with the Nobel Peace Prize for his 'tireless humanitarian work'. The Time magazine put him on the cover and named him "the greatest man in the world." Schweitzer once said, "I never wanted to be a normal person. I wanted to be a global missionary." We are also called to live like Him-humbly, yet as visionary leaders. Schweitzer built a large hospital at Lambaréné in Gabon, to serve those who had no healthcare facilities. Each of us must discover our own "Lambaréné"-our God-given calling-and be a blessing to others.

After my retirement as the Chief Post Master General and the Member of the Postal Board, I discovered that my "Lambaréné" was equipping committed young men and women, free of cost, to join the civil services in India. Just like Schweitzer, I want to tread the path of service. Last year, a young woman named Caroline from Manipur dreamt of becoming an IAS officer. We trained her, and today, she is the first woman IAS officer from her community. This is the fruit of discovering one's "Lambaréné"

What is your Lambaréné? Discover it. Pursue it...

#### 5. Follow the 'Greatness Code'

Jesus' model challenges our whole concept of power, position, prestige and authority. When his disciples were arguing about who would be greatest, Jesus made it clear *"Whoever wishes to become great among you shall be your servant, and whoever wishes to be number one shall be slave to all.."* To paraphrase it, be influential and yet be humble.

Mother Teresa says she received in her life a call within a call. She heard the voice of God as she was journeying from Calcutta to Darjeeling, in a train in 1946. She heard a call to "follow Christ into the slums to serve him among the poorest of the poor". Then, after her months of preparation, she returned to Calcutta, where she lived in the slums and initiated the

Missionaries of Charity. No wonder, she was honoured with Nobel Peace Prize, Bharat Ratna, Templeton Prize and many other awards.

Mother Teresa said, "A life not lived for others is not life at all." Live not for yourself, but for others. We need many Mother Teresas, many Sam Kamalesans, many Patrick Joshuas to bring transformation to the nation.

Be influential and at the same time, be humble. The Kingdom of God flips the world's values upside down.

- Be humble, not arrogant. • Be gentle, not rude. • Be gracious, not impolite, • Be truthful, not lying • Be kind, not unkind • Be loving, not hateful • Be generous, not selfish

*"It shall not be so among you." Greatness in God's eyes begins with serving others.:*

**Mr. John Samuel** - President, FMPB

**G**eneral Secretary and I, along with the FMPB leaders of Tirunelveli had a very blessed meeting with Rt Rev Dr Barnabas, Bishop of Tirunelveli at his residence in Palayamkottai yesterday. Mr James Dharmabalan, Former Vice President FMPB had also joined us in the meeting.

The Bishop was very kind to us and he appreciated that many FMPB leaders / missionaries have been helping the Tirunelveli Diocese in spiritual revival. He wanted FMPB to be involved in helping the Diocese in mission initiatives as well as in helping youth programs. He desires to have many FMPB missionaries and leaders to share the vision about mission in the churches. He mentioned that he would consider sending some of the pastors as missionaries to the mission fields for short term so that they can get exposure to the missions.

We discussed some of the areas of cooperation between CSI Tirunelveli diocese and FMPB - organising FMPB Mission Expo in Palayamkottai with a view to create awareness to the Christians on missions, organising Mission Sundays in various churches, getting involved in missions in identified villages in Tirunelveli diocese, and helping the youth and women in spiritual revival by having Araiakoal meetings. We will appreciate your prayers for the Bishop of Tirunelveli

Today, the Lord gave me the grace to speak in the Tirunelveli Diocese School teachers conference, where around 2000 people attended. When the teachers produce students of character and competence from the schools, with Biblical values, the nation will be transformed.

## Joy in the midst of Suffering...

### Power of Prayer

Your prayers upheld us. On February 15, we were released and warmly welcomed by our Kanpur Regional Secretary, two evangelists, and my father-in-law, Rev. Philip Bischoy (BYM Retired missionary).

Thank you for your love and support.

Dear Prayer Warriors of the FMPB Family,  
Greetings in the name of our Lord Jesus Christ.

We were transferred from Jhinhak to Bhindki on January 13, 2025. On January 26, during Sunday service in Chotelapur Village, a mob along with police accused us of conversion. We were detained overnight and, on January 27, sent to Fatehpur Jail under anti-conversion charges, remaining there until February 15.

### God's Hand in Our Suffering

Despite the pain of separation from our children, we surrendered our lives to God's will. His presence sustained us through Scripture (Joshua 1:6-7, Psalm 46, Isaiah 43), reminding us of Christ's own suffering. God protected us—no harm came from either the mob or police.

### Ministry in Jail

Among Youth: I counselled young inmates, ten of whom repented and accepted prayer. My wife ministered in the women's cell; one woman, Uma Devi, was healed after 15 years of suffering from gynaecological issues.

# Fallen Corn of Wheat!

## A Lost Gem of the Mission

Mrs. Jayanthi M, was born on 01/06/1982 in the Palacode Taluk of Dharmapuri District, Tamil Nadu. Her family belonged to a different faith. They were led to the path of God by missionaries. Her grandfather Mr. Iyyaswami was a FMPB evangelist in the Mallanur field in the Southern zone. She was five years old when her father passed away which hurled the family into financial difficulty. These left her with a longing for peace and love that she could not find anywhere. Then one of her friends talked to her about Jesus. She was reluctant at first, but slowly changed her heart. She started reading the Bible, understood the love of Jesus, and confessed her sins and received the gift of salvation.

Despite her family's disapproval, she stood firm in her faith. She was committed to work for the Lord. She was initially working as a security for 2 years in Chennai. Then she met with Martin brother from FMPB who invited her to join the ministry. She worked as a local evangelist for 3 years- 2 years in the

Nallampalli field, Dharmapuri and 1 year in the S.R office.

She was united in marriage to Mr. Karthikeyan S, on 15/12/1999. Together, they finished their missionary training at Kacchwa, Uttar Pradesh in 2004 and started their ministry as full-time missionaries in February of 2005. God has blessed them with two daughters. The elder daughter, Miss Evangelin K has completed her BSc. in the Physician Assistant course and the younger daughter Miss Jasmine has completed her 12th grade from Santhosha Vidyalaya.

From a young age, Mrs. Jayanthi has dedicated her life for the Lord's work. Along with her husband, she has worked in many Northern regions of India. They have worked in places such as, Sangaria, Hanumangarh, and Sikar in Rajasthan, and regions of Barwala, Pehowa and finally Ratia in Haryana, in which she was last working.

In the mission field, she was always quick to adapt to the people's culture. She became one among the communities she had worked with. She has conducted multiple women's and youth meets. She has boldly proclaimed the Word of God to huge gatherings. She was always humble, as well as loving and caring towards the believers and helped them with everything. She considered the people of the field as her own kith and kin.

After 22 years of her life dedicated to the mission, she has entered the Kingdom of God on 14/04/2025. Mrs. Jayanthi had passed away from an accident on the field. Till the last moment, she had been ardently working for the Lord. The light that she has left behind from her diligent work is relentless, keeping her alive in the hearts of many, in fond remembrance. Let us praise God for the blessed life of our dear missionary Mrs. Jayanthi. We pray for God to command peace and comfort over her husband, children, and family.

## End of a Journey in Faith

Mrs. Esther Baby Nathaniel was born on 06/08/1952 in Neyyoor, a town in Kanyakumari District. Mrs. Esther had finished her Nursing course. She was united in marriage to Mr. Nathaniel Logaraj in 1981, who was also a missionary in FMPB, actively working for the Lord in various fields in the Northern Regions of India. They had a son, Mr. Joy Shalom, who was born in 1982.

In her town, when one of our elder missionaries shared about the need for missionaries to proclaim the Gospel to our nation, Mrs. Esther felt God's call. When her sister met with a fire accident, doctors had given up hope. But she prayed that if God healed her sister, she would commit herself to do His work. Both of these incidents motivated her to join the mission. She overcame her family's opposition to her decision, and

joined FMPB on 12/08/1980, when she was 28 years old.

When she joined our organisation, she started the mission in Northwestern Regions. Along with her husband, she has worked in the Regions of Akkalkuva in Maharashtra, Selamba, Kevadi, Angleswar, and the Rajpipla Mission Field in Gujarat, in the Jhansi Mission Field in Uttar Pradesh, and also in Pippalwada in Telangana. They have also worked in the Bethel Bible Institute. Later, they worked in the fields Aravalli Region, Saha Yatri Region, and in Bhopal. After 32 years of service to the Lord, Mrs. Esther had retired in June of 2012.

Mrs. Esther had been facing health issues in the later years. She was battling cancer. Mrs. Esther and her husband had moved to Chennai for her treatment. They both worked in the Human Resource Development office, and then in the Mobilization office in Tambaram. After her husband Mr. Nathaniel had entered eternal rest in November of 2023, her health had deteriorated. She entered the Kingdom of God on 8th April, 2025.

Mrs. Esther was kind and hospitable to everyone at all times. She has dedicated her life to do the Lord's work and her life now serves as a witness to many. She has actively worked to change people's hearts and helped them receive salvation. Just as Paul states in 2 Timothy 4:7 "I have fought the good fight, I have finished the race, I have kept the faith", Mrs. Esther has lived a faithful and testimonial life. Let us pray for the comfort of her family.

# Khajuwala FIELD

**Rajasthan**, India's largest state by area, was once called Rajputana by George Thomas in 1800 and later referred to as Rajasthan by historian James Todd. Meaning "Land of Kings," it was historically protected by royal rulers. The state shares a 1070 km international border with Pakistan, known as the Red Cliff Line, and has Jaipur as its capital. Geographically, it features the Thar Desert, the Ghaggar River in the north, and the ancient Aravali Range, which includes Mount Abu-its only hill station. Rajasthan has 41 districts and was once ruled by tribal communities before Rajput clans rose to power in the medieval period. Khajuwala, formerly known as Beriawala, is a town in Bikaner district, Rajasthan, located 23 km from the Indo-Pak border. It serves as an intermediate panchayat with 58 villages under its administration. The region has a dry climate, extreme temperatures, and faces water scarcity, leading to poverty and migration. Despite challenges, agriculture thrives with canal irrigation—mainly producing raw cotton and wheat. The area also hosts mustard oil mills, cotton spinning mills, brick kilns, and gypsum plants. Communities include various Sikh groups, Megwal, Bagari, Prohit, Choudhary, Jaat, Bhil Nayak, Muslims and Bishnoi., and others. Languages spoken are Hindi, Bhagari, and Punjabi.

**Friends Missionary Prayer Band** began its ministry in Khajuwala after a 2021 survey by Mr. V. Kumar and Mr. Bodar Amrut. Mr. V. Kumar and Mrs. Patricia Kumar pioneered the work on 04/04/2022, focusing on the Bhil Nayak, Megwal, and Bagari people groups. The region has mosques and gurdwaras, with festivals like Eid, Ramdev Mela, and Kullupir. Most people are farmers or daily wage laborers. Literacy is low-33.84% for men and 28.83% for women-though

every village has a school and children attend regularly. Previously unreached by missions, some independent pastors now visit the area. Effective outreach includes Bajan Satsangs, personal evangelism, and miracle encounters. Believers have emerged from Majbi, Pawri, and Kumhar Sikh communities.

**Some of the barriers** found here for them to accept Christ are the Guru movements, the mandira and Majids. The thought that Christianity is a foreign religion and Christian workers are converting people for money is an added factor. Many are reluctant to confess their faith in Jesus because of the society and relatives. Some independent pastors from Punjab are money minded and convey false teachings.

Mrs. Mandeep Kaur from Rawla village, Anupgarh district, became the first believer in the Khajuwala field. Connected through Mrs. Paramjith Kaur of Nukera village (Sangaria field), her family received the Gospel in 2022. That evening, seven people accepted Christ, and five publicly confessed their faith. They were taught basic Bible truths and prayer. Mandeep, who suffered from severe wheezing, fell critically ill and died-but miraculously revived after heartfelt prayer by her daughter-in-law, Mrs. Kulwinder Kaur, and her husband. God helped her to open up and she received new life from Our Almighty God. The family now continues in faith, actively witnessing in their village. A Sunday service is regularly held in Rawla. Please keep this family in your prayers.

### **To Pray:**

1. To get an evangelist from their own believers.
2. For Ankrej Kaur to receive Salvation.

6. Sandeep Singh and his whole family to accept Jesus Christ as their personal saviour and to confess their faith boldly.
7. Suresh Choudhury, Ramesh, Babu Singh, Prohit Ganesh who are a stumbling block to the spreading of Gospel to have a change of heart. Gospel and the missionary's Testimony had been shared among them.
8. For worshiping groups to be transformed into Churches.
9. For the believers here be nurtured in God's Word and to grow strong in the Lord.
10. Let us remember Mr. Kumar his wife Mrs. Patricia Tamilselvi and 2 children Marcia and Gracia

### **At the Shadow of His wings**

When our missionary Raju Nayak, who is working in the Hanumangar field in Rajasthan, was returning from visiting his sick mother, the Hanumangarh Police Officer DSP called him three times over the phone and asked for the Church register, details of the believers, etc. Then he realized that something was wrong at his mission field. At the same time, they were traveling with their sick children without a reservation. So, they decided to return to their mother's house in the meantime and leave the children alone at their mother's house. Then his believers called him and said that the police had been investigating their filed and are interrogating about the missionary and his whereabouts and contact numbers for three days and so had asked him to come back after a few days. Let us pray that this tense situation will change and that our missionary will be able to do ministry freely!

Encouraged by the believers, he sought healing through faith in God. Within just one week, he was completely healed, and as a result, he accepted Jesus Christ as his Savior. Kandai then began preaching the gospel to his village. His new faith was met with fierce opposition. The villagers, enraged by his conversion, beat him, cut off his water supply, and even attempted to kill him by tying him in a sack and throwing him into the river. ## 404 MISSIONARY ALBUM

### Mr. Densingh & Mrs. Jasmin Kavitharani Family

Densingh was born in a small village called Vellalanvilai in the Thoothukudi district of Tamil Nadu on April 16, 1979. His father, Mr. Ratnaraj, and his mother, Mrs. Grace, were devout Christians who raised him with daily prayer and a disciplined life. As a child, he was deeply moved by the stories of missionaries who shed their blood for Christ. He often declared that one day, he too, would die as a martyr for the Lord. However, his mother wisely advised, "First, you must experience salvation. Only then can you speak of martyrdom for Christ." At that time, he had not yet truly encountered salvation. As he grew older, he drifted away from God and fell into worldly temptations and sin. However, one day, in utter desperation, he cried out to God. At that moment, God's word spoke powerfully to him through Matthew 11:28: "Come to Me, all you who are weary and burdened, and I will give you rest." Right then, the Lord Jesus delivered him from all his sins through His precious blood. In response to God's call, he made the decision to serve Him. He embarked on a two-year mission trip to Karnataka, where he witnessed the transforming power of the Gospel. Thereafter, he pursued a three-year theological course in Bible college, equipping himself for God's ministry. In 2010, he joined the Friends Missionary Prayer Band (FMPB).

Jasmine Kavitha Rani was born on September 23, 1982, to Judge Mr. Mariappan Deva Asirvatham and Professor Mrs. Jeya Tamilarasi. She struggled academically due to a speech impediment. When advised to withdraw from school, she felt worthless and attempted suicide in 8th standard. At that moment, she heard God's voice: "I love you, my daughter. Read the Bible." A vision of hell led her to surrender to Christ, igniting her faith. God transformed her life through sports-she excelled in athletics, became a national hockey player, and even captained the Tamil Nadu state team. Later, she obeyed God's call, joining FMPB in 2007 to serve the Mishing tribe in Assam.

After their marriage on May 15, 2010, and following Densingh's missionary training in Jhansi, God led them to Majuli Island in Assam for full-time mission work. For six years, they had no children, but God blessed them with spiritual children. Later, He gave them two daughters. Lisa Miraclin was born on July 7, 2015, and Liya Praiselin on October 12, 2017. Lisa's leukemia diagnosis tested their faith, but through prayers and medical care, she was miraculously healed. Today, she is alive and well, a living testimony of God's faithfulness and the power of prayer. Let us uphold this family in our prayers!
