## God, the Master Planner!

## FRONTLINE...

**P**lanning" is God-inspired. Yes, our God is the Master Planner! He does not direct to run our ministry striking at a "spur of the moment" or spontaneously every second of every day. In fact, our God is into planning. The word "plan" appears 205 times throughout

the books of the Bible, beginning with Genesis and concluding in Revelation. Planning for Church planting ministry or missionary work was not only mandatory, but also biblical. God is not only directly working in the plan, but also is part of the development of that plan. So for better planning, we need to rely on God, the Holy Spirit who is the author and finisher of everything.

Our God is a great planner. When we read the story of creation, we see a plan. Each day there was a creation and the next day expanded on the former. Even in the creation of man and woman God planned them in His own image. (Gen. 1:26). Not only that, but we can perceived God as a meticulous planner attending to minute details. He instructed people like Moses, Joshua, David and others. When the separation of the mankind from God happened through the 'fall' (Gen. 3), God already had a plan for our salvation by sending Jesus as the Messiah. Jesus' entire life on earth was all part of God's plan to bring redemption to mankind, as Jesus came to "seek and save the lost." (Luke 19:10)

God's Will is to make the earth His kingdom and wanted it to be ruled by His own people. That's what we call a plan. He seeks men and develops them to send out and carry on the mission which He has started and given them a plan to do so (Mark 16:15 & 16; Acts 1:8).

Yes, God's ministry is the most important work in the world. A great price has to be paid to make the ministry of Christ a reality. The Lordship of Christ calls for the discipline of planning in order to establish His Kingdom on the earth. The call for excellence in ministry requires careful planning and prompt decision. We must give our best in the ministerial planning. As God's earthly representatives and God's agents in mission, we too can like Paul who steadfastly pursued his call and relied on God to work out things for His glory. Similarly we too must learn to plan in the light of eternity which makes a historical breakthrough more and more in our ministries indeed!

# FROM THE GENERAL SECRETARY...

**D**ear Elders, Brothers, Sisters and Children

Greetings in our Lord's name!

St. Augustine said, "Work as if everything depends on you. Pray as if everything depends on God." This insight could be applied to planning as well. Planning well and working according to the plan does not mean that we don't depend on God. Even as we plan and carry out the plan we look unto God for his guidance and wisdom. When it comes to the outcome of our efforts it is God who grants it. God can grant an outcome that is much beyond our expectations. As Paul writes in Ephesians 3:20 - "... (God) is able to do immeasurably more than all we ask or imagine..."

## Planning:

A good plan needs to be viable (doable), measurable, adaptable (based on feedback and change of circumstances), multidimensional and sustainable. Do kindly remember to pray for the National planning Conference to be held on the 13th and 14th of February in Chennai

Though our monthly magazine is published in multiple languages, the Tamil edition named 'Araikooval' is registered with the government so as to avail of postal concession. Please pray that the registration is updated and that the postal concession be granted.

## A tribute to a Visionary:

Mr. J.J. Ratnakumar, the Founder of Missionaries Upholders Trust or MUT as it is known had his home call on the 18th of January. MUT has been addressing the various needs of missionaries pertaining to their health, finance, family, bereavement, interpersonal relationship and many such areas of a missionary's life. He will be long remembered for his passion for missionaries' welfare and will be greatly missed.

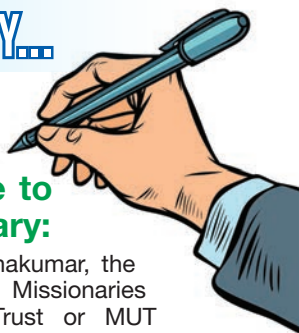

## Missionary Commitment Camp:

A two and a half day camp to follow up on young people who had committed their lives for full time cross cultural ministry was held in Madurai District of Tamil Nadu. There were two hundred participants out of whom a total of 61 young men and women affirmed their commitment to go as cross cultural missionaries. Five of these youngsters expressed their willingness to come right away. Others made a commitment to start sixty one prayer groups in their neighbourhood

### Escaped from the Train wheel:

In Gujarat, at Dashoi mission field, our believers Raysinghbhai and four of his friends were just sitting and chatting on a railway track as there was a track repairing was going on. During that time, without any signal or sound, a train was coming towards them. When it arrived near just 6 feet to them, one of the believers saw it and pulled all the others from the track. God protected all the five from great accident. Glory to God.

# PLANNING IN MISSIONS

## God and Strategic Planning

God is a planner. We as His children should also be Planners. How can we say that God is a planner? Has He not planned the whole sequence of Scripture from the beginning to the end? He had it written down in the form of the BIBLE. In this incomparable divine book, He made sure to show us that His plans can be traced even to single individuals like Moses, Jeremiah and many more. He declares that He has plans for the person Jeremiah, for his prosperity, hope and good future. (Jere 1:5 & 29:11)

Jesus accepted the process of planning. In Luke 14:28-32, Jesus was speaking to a large crowd (the subject was important for every one) and gave two examples why planning is necessary. 1) People will ridicule you if you fail to examine the adequacy of your resources before undertaking to build a tower/ or any other project (v28).

Example 2) About a king (person of authority and power) going to war against

his enemy who has a larger army. Would he not first consider / contemplate over his possibility for success and then decide the mode of action.

In these mini parables we find words pointing to some principles of Strategic Planning (SP).

**First sit down** - before taking any action "sit down" and think.

**Estimate the cost, consider** - study and assess the present situation (finance or manpower) and understand adequacy to take up the project.

**Send a delegation, ask for terms of peace:** have one or two plans to take suitable action to attain the goal.

When we imitate God's methodology He gets glorified through us and we are blessed. Theologians will strongly oppose that the verse in Proverbs 29:18 "where there is no vision, the people perish" has anything to do with SP. By principle and by example, God's Word establishes that SP is one of the ways God works in and through His people. Many Biblical leaders thought and acted strategically.

Jethro (father-in-law of Moses) found him struggling with too many demanding just verdicts issues. He taught Moses the Strategic plan God gave him - choosing "capable men from all the people-men who fear God, trustworthy men who

hate dishonest gain“ as leaders, train them in law and delegate judgment responsibilities to them. This resulted in finding new leadership resources to work with him to accomplish the goal efficiently.

In Numbers 13 God gave Moses a strategic plan for exploring Canaan.

V 2: go and explore the present status of Canaan. (Knowing present state).

V 3 & 17: their starting point, route to take and destination. (clear action plan)

Vv 5 - 15: choosing leaders from all tribes, to form a team. (Co-opt many for success).

V 18f: study the land, people, and their protection. (Thorough study of destination)

V 20: study fertility of soil and bring samples of produce. (clarity of investigation)

Yes, God through Moses used some important steps of “Strategic Planning” which are being used in the modern secular context. They are adopting biblical principles in secular planning and not vice versa.

**The Book of Proverbs** offer us some useful advice regarding how we should proceed in SP.

**Prov 21:30** Plan in partnership with God  
“There is no wisdom, no insight, no plan that can succeed against the Lord.”

**Prov 19:21:** “Many are the plans in a man’s heart, but it is the Lord’s purpose that prevails.”

As believing Christians we have to depend upon the wisdom of God, make Him a partner and seek His counsel through study of His Word, seek personal revelation through prayer. Remember that you have to plan on paper and use a pencil (write it down but be willing to change when God guides you differently). “Commit to the Lord whatever you do, and your plans will succeed.” (Prov 16:3).

### Plan In Partnership With Others

Proverbs 15:22: “Make plans by seeking advice; if you wage war, obtain guidance.” Proverbs 20:18: “Plans fail for lack of counsel, but with many advisers they succeed.”

“**Brain storming**” is a useful method in gathering ideas. We ask people to give their small, big, silly or wise ideas and write them down. You may find excellent ideas among these. People like to consult others to get ideas but while implementing pride and jealousy intervenes when some one else has a better idea than theirs.

In a group involving leaders and staff from other ranks, assumption that leaders will have all the answers prevails. They assume that leaders would only tell others what they should do, rather than ask others what they should do? Humility of leaders is of great value. Sometimes for urgent plans we tend to skip the advice-gathering stage. “The plans of the diligent lead to profit, as surely as haste leads to poverty” (Prov 21:5). We

should allow time at least for a brief consultation. Scripture warns us against an independent approach to SP. Creation of an advisory group of godly and smart employees and outsiders will help quick gathering of counsel.

There is no “one right way” that is agreed-upon to do S P. We can pick up some generally-accepted guidelines from the way organizations practice it. The word “**Strategic**” means matters and methods that help to achieve our goal.

“**Planning**” means the thinking process which we have to do first thing to achieve a desired goal. This involves preparation of a plan and maintaining it.

Thinking about FMPB.....We know that our ultimate goal is to present the gospel to those who have not heard of Jesus and give them opportunity to take a well considered decision to accept or reject Jesus as their Saviour. This being an enormous task, we can accomplish it only when every believing Christian help us by taking the responsibility to share the gospel. We need to convince Christians that God has given them the role as leaders and managers in this task by disciplining them. As St. Paul advises we have to coach Christians to “excel still more” (1 Thess 4: 1) in the task.

This gives us a dual task –

1) To prepare existing Christians to take the challenge of living a witnessing life and share the gospel in progressively increasing way. The **mobilization** part

of the ministry does this and generates prayer, giving and involvement.

2) When they are prepared, use them along with themselves to reach every place possible and share the gospel. **The outreach ministry** does this.

For this we have to be a better steward of your time, talent and treasure. FMPB therefore has two kinds of ministry

Often Mission leaders say that they have a plan in their mind, but it is not written down. Then it becomes difficult to make it transparent to create consensus among colleagues and like minded people to work with you for the plan. We see in Habakkuk 2: 2: “And the Lord answered me, write the vision, make it plain on tablets (write on stone tablets), so that they (co-workers) may run (act) who read it.” Here we see God appointing the Prophet as a watchman for the city and commands him write it down on stone. Very rarely did the rulers and administrators of the OT times have put their plans in writing. So they never took off, not being open / transparent to those who should get involved and work.

One would be surprised at the volume of advice the Book of Proverbs has on Planning.

Prov: 11: 14 - For lack of guidance a nation falls, but victory is won through many advisors.

Prov 15: 22 - Plans fail for lack of counsel, but with many advisors they succeed.

Prov 16: 3 - Commit to the LORD whatever

you do, and he will establish your plans.

Prov 19: 21- Many are the plans in a person's heart, but it is the LORD's purpose that prevails.

Prov 21: 5 - The plans of the diligent lead to profit as surely as haste leads to poverty.

Prov 20: 18 - Plans are established by seeking advice; so if you wage war, obtain guidance.

Prov 20: 5 -The purposes of a person's heart are deep waters, but one who has insight draws them out.

### **The 7 Principles of Strategic Planning:**

- ✓ Be clear on **purpose**. ...
- ✓ Start with an accurate assessment of where you are today.
- ✓ Create a shared / written down **vision**.
- ✓ Identify your critical factors for success as well as barriers.
- ✓ Define the executives who would work with you
- ✓ Supervise periodically.
- ✓ Have incentives and punishments to build responsibility.

### **Let me conclude giving you one instance for the planning nature of Jesus -**

Jesus in Acts 1: 4 – 8 presents to us a meticulous plan He has prepared for the goal of taking the gospel to the whole world.

V4: don't leave Jerusalem do not rush. Wait, sit down, plan?

V. 7: not for you to know times or dates – don't be distracted by non-essential matters .

V. 5 & 8: "... you will receive power when the Holy Spirit comes on you" gave the most essential resource that is required to reach the Goal successfully.

"and you will be my witnesses" the method to be used for the propagation of gospel.

"in Jerusalem" (that is where you are now) "in all Judea" (one step wider in the district) "and Samaria" (penetrating into unreached and despised area) and "to the ends of the earth" (final destination to be reached).

Yes, Jesus gave a clear, step by step explanation for what He meant by what appears to be a vague statement "Go into the world" in the great commission. Matt 28:19. This same Jesus who has been taken into heaven will come back in the same way .... (Acts 1:11). The greatest incentive one can have to keep winning souls for Jesus. You and I are co-workers to Jesus and His apostles; we have a strategic, written down plan by Jesus – why think twice whether Strategic Planning is Biblical or not?

# Planning and its Success

**P**lanning has been the strength of FMPB. Every February, we have our National Planning Conference (NPC) in which all our leaders – both missionaries and lay leaders participate and plan every part of our ministry in a meticulous manner. As aptly described in [businessjargons.com](http://businessjargons.com), “**Planning** is an intellectual process which lays down an organization’s objectives and develops various courses of action, by which the organization can achieve those objectives. It chalks out exactly, how to attain a specific goal.” In this short article, I do not endeavor to explain the various aspects of planning. So, if anyone wishes to know more about planning, we have an excellent lesson written by R. Jeyakumar, a management expert in our book, ‘Equipping Leaders for the Church-in-mission’ which is available both in English and Tamil. Now, let us ponder about an important question: Are we satisfied with the success of our planning? Do we achieve the desired results?

## Factors that lead to success:

### 1. Our plans should align with the vision of FMPB:

In the Corporate World, a business may look at its strengths and its environment and plan to start a new project that offers a greater financial gain. A Christian ministry does not have such a freedom to do anything that circumstances allow, it must work on its assigned mission. It has to formulate its long term and short term plans accordingly. In the sixties of the 20th century, when all foreign missionaries have been forced out of our motherland, God burdened our first leaders to reach the unreached of our motherland with the life changing Gospel of Jesus Christ. He also brought clarity into the vision that all the resources to fulfill this vision had to be wrought through the revitalization of local churches. As this vision is palpably clear, we need to be faithful to the original vision that God gave to our forefathers and our plans have to align perfectly with that vision. The unreached are found in remote parts of our Mother land as well

as near us. That is why, last year when we introduced our project – ACT 2020, we planned to reach people near us – both inside and outside churches and also in the mission fields. We should be careful not to call a mere achievement of some preset numbers as success. If only the ‘so called’ disciples exemplify transformed lives and become active participants in our ministry, we can say that our plans have succeeded and we are reaching the unreached. We need to check, whether all our plans converge on this single purpose of reaching the unreached.

## **2. Our plans should reach every layer of FMPB:**

By God’s grace, FMPB includes people from all walks of life in its operation. The member of a prayer group in one corner of our country who sincerely prays for FMPB is equally important as the Head of a Division of FMPB or its General Secretary. Everyone should understand the spirit of our plans. Then, only the plans will be executed. If planning is done in the very best manner and yet, its execution is poor, who will be benefited? If our plans to be fruitful, all our members, irrespective of whether fulltime workers or overtime workers, should feel included in the schemes. For this to happen, we need to streamline the functioning of the existing ‘review and control’ mechanisms. For example, in the Field Division, we have an excellent forum called, ‘Regional Planning Meeting (RPM)’ in which all missionaries of a Region are members.

In this forum, all aspects of ministry in that Region are discussed and actions are planned. So, the plans discussed in the National Planning Conference (NPC) should be thoroughly explored in the RPMs and every Region should have its micro-planning to achieve the goals set in the NPC. Also, the progress in this direction has to be reviewed periodically and necessary course corrections have to be carried out. We should have such working forums for other divisions and for lay leaders too.

## **3. Charismatic leaders are required for successful implementation:**

It is no secret that God works through individuals, not through a group or a community. So, if our plans need to succeed, we should have a strong central leader who will lead others to stick to the plan. Hurdles and delays are natural in God’s ministry because our efforts will be severely opposed by satan and his demons. The world also will be against us. In this situation, we need a leader like Nehemiah who can plan counter measures with the help of the Holy Spirit and lead us towards the set objectives (Neh. 4:16ff). At the same time, one person will not be able to do everything and so this central leader should have the support of capable Spirit-filled leaders to execute the plan in their areas of ministry. These leaders are not born but have to be developed over a period. The forums mentioned above will be very good avenues to identify

such charismatic leaders and no doubt that effective impartation and reiteration of our core values in such forums will continually produce quality leaders.

#### **4. Our plans should curtail activities unrelated to our vision:**

An example from the life of our Lord Jesus will help us to understand this. Jesus planned His ministry according to the purpose of God which was revealed on the day of man's fall in Eden (Gen. 3:15) and set His objective as seeking and saving the lost (Lk. 19:10). In order to achieve this, He chose to saturate Galilee with the Gospel as prophesized by Isaiah centuries ago (Is 9:1-2). Along with that, He also planned to develop leaders who will extend His mission to new frontiers after His departure. As He began to preach, "Repent for the kingdom of heaven is near", He was confronted with the need of healing people with various sicknesses and demon-possession. Although He healed all who approached Him, He used every opportunity to teach the core values of His mission (Mt 8:3-4, 10-12). But, He was also quick to relieve Himself from the places of healing needs, by saying to His disciples, "Let us go elsewhere, into the surrounding villages, so that I can preach there too. For that is what I came out here to do (Mk 1:38)." FMPB also has been called to do the same – preach the message of repentance. Erecting church buildings

or upbringing poor children or creating medical facilities is not its call. So as Jesus did, our plans need to set quick boundaries for such activities which not only drain our energy and resources but divert us from our mission of reaching the unreached. We should allow our believers to enjoy the fulfillment of God's promise – "But above all pursue His kingdom and righteousness, and all these things will be given to you as well (Mt. 6:33)."

Let me conclude with an incident that happened during the first Christmas season of my mission field experience. Two of my senior colleagues and myself paid a courtesy visit to a distinguished Jesuit priest Fr. Christudoss in Dumka. At that time, FMPB had completed two decades of ministry among the Maltos. A remark made by the Father is still fresh in my mind. He said, "We wanted to alleviate the suffering of the Maltos by giving education and poverty eradication programs. Yet, we have largely failed. But, FMPB by giving Christ first to the Maltos has achieved what we dreamt." It is a true witness from a co-laborer in Christ's vineyard.

*You have departed from your first love!  
Therefore, remember from what high  
state you have fallen and repent! Do the  
deeds you did at the first (Rev 2:4-5).*

## Missionary Biography

**REV. PHILIP ASIRVATHAM**

(1949 - 2008)

### Early Life:

Rev. Philip Asirvatham was born on 19th March 1949, in a Christian family hailing from Sivagiri of Tenkasi district. His father Mr. Devadoss was an assistant in a hospital, mother Mrs. Packiam was a home maker. God blessed this family with 6 children. Rev. Philip Asirvatham had two elder sisters and two younger brothers. As his father was the only bread winner of the family, the family lived in poverty. But they believed and trusted Jesus Christ for every need. And God met all the needs of the family. Along with the other children, Rev. Philip Asirvatham studied in the local Government School near to his house. He finished his School final (Old SSLC) 11th Std and waited to join in the Pre-University Class in the college. But the economic condition of his family did not allow him to join in a

college. Instead he joined the Industrial Training Institute at Coimbatore, where the fee was nominal than the regular college. By the grace of the Lord he finished the course successfully and got an employment in Coimbatore itself.

### Born Again Experience:

During his high school days at Sivagiri, he used to go to the Church regularly. Even though he was very sincere in attending the Sunday school and the youth meeting of the Church, he did not have a personal experience with God. While he was working in Coimbatore, due to some problem he left the job. Due to his own need and the need of the family he sought for a job at Coimbatore. He knocked the door of many companies, he did not get a job. Due to frustration he started his own cycle repairing and rental shop, at Sivagiri, in his own place. He also sought the Lord wholeheartedly and attended the local Church service regularly. The local pastor noticed his interest and sincerity and wanted to help him. During their friendship Rev. Edwin led Mr. Philip Asirvatham into the fold of the Lord. He confessed his sins and accepted Jesus Christ as his personal Saviour and got the assurance of his Salvation. He accompanied the local Church Pastor to the Church's village ministries and was trained to preach the Word of God in the village Churches. He was so helpful to the pastor.

### Marriage Life:

Sis. Gnanam was the daughter Mr. Simon Devadoss and Mrs. Silammal of Sankarankoil town of Tenkasi district. The parents of both families decided to conduct the marriage between Mr. Philip

Asirvatham and Sis. Gnanam. Still he was working at Coimbatore, the family arranged their marriage at Sivagiri on 22nd of August 1975. God blessed the marriage ceremony. On 1977, 30th September God blessed this couple with a boy child. They named him Sam Renold.

### **Missionary call and Ministry:**

Even after the marriage he assisted the local Pastor Rev. Edwin in his Church ministries. The pastor encouraged Mr. Philip Asirvatham to undergo Theological training. As this couple had agreed, the Pastor helped them to get a seat in the Bethel Bible Institute, Danishpet, Salem. This couple joined BBI for their theological training in 1979. Friends Missionary Prayer Band used to train their missionary candidates at BBI. Rev. Dr. Samuel Devadasan was in-charge for this training. Mr. Philip Asirvatham used to pray along with the missionary candidates. On every Wednesday they used to pray for Church Planting ministry in North India. Rev. Dr. Samuel Devadasan too used to share about the FMPB ministry in North India and its need. God laid a burden in the heart of Mr. Phillip Asirvatham, for the perishing souls of North India. Mrs. and Mr. Asirvatham began to pray regularly in their personal and family prayer about their future ministry. So, they approached Rev. Dr. Devadasan about their interest to go as missionaries to North India. Thus, they joined FMPB after the interview in 1979 itself.

In the meantime, parents of Mr. Philip Asirvatham arranged a job in a Middle

East Country through one of his friends. So, they called Mrs. and Mr. Asirvatham back to their village. The pressing need of their family compelled him to go to Middle East for a job. In the meantime, the calling of the Lord to North India missionary work pulled his heart towards that. So, he suffered between this and found it difficult to take stand. God reminded this couple a verse from the Bible i.e., Luke 9:62, Jesus replied, "No one who puts a hand to the plough and looks back is fit for service in the kingdom of God." So, they prayerfully decided to go as missionaries, though their families were very upset and not happy about their decision.

### **Church Planting Ministry:**

After the training at BBI, Mrs & Mr. Philip Asirvatham was sent to the Periamalai field, which was the first FMPB mission field in 1980. Later, they started their new ministry based at Iruthukottai. They preached the Gospel to the people around Iruthukottai for two years. Thus, they learnt the Church Planting ministry. Due to the organizational need of the ministry in North India, this couple were sent to Pokarayan mission field of Uttar Pradesh State in 1982. They learnt the Hindi language and started the ministry in that area. Then they shifted their base to Datia of MP state. Also they did ministry in and around Tikamgarh and Jhansi.

### **Sickness**

In 1986, Mr. Philip Asirvatham was affected by the contagious disease Tuberculosis (TB) which was prevalent in that area. So, they came down to Chennai and stayed at FMPB HQ and he underwent treatment for the TB and by the grace of

the Lord he was completely healed from this contagious disease. In 1987, they were sent again to UP state. As a family, they did the ministry in Pokarayan, Konch and Rura preaching the Gospel village after village. God blessed their ministry. Then, they were placed in NSM Children Home at Jhansi for a year. Again, they did the ministry among the Hindi speaking people of Oriya and Ottawa.

### Higher Studies:

In the year 1991, FMPB decided to send this couple for Theological Higher Studies. So, they joined in the YCLT college at Yavatmal, Maharashtra. After completing their studies for two years, they were placed at Chennai, FES School Hostel to take care of the missionary kids and do the ministry in the Slum areas. Then, they were placed in the Chennai Promotional ministry for two years from 1996 to 1998. In 1998 they were placed in the capital city of India, Delhi to work among the people living in slums. In the meantime, FMPB started a Leadership Training Institute in Ambala, Punjab to train Church elders and local evangelists. So, they moved to Ambala and conducted the training programme for the Church elders and evangelists. Then they shifted the training centre to Sikar and continued the ministry. God helped them to plant few Churches in that area, and God helped them to train many elders and local evangelists.

### Last Days:

Rev. Philip Asirvatham had his base at Sikar to conduct the training. As it was very difficult to gather all the Church elders to one place and conduct the

training, he went to their places and conducted the training for the Church elders. He arranged a two days training programme at Kalavalli of Haryana state on 3rd and 4th of Sept. 2008. God blessed the first day of the training in which many attended. On 4th September, when he was preparing for the training programme, he felt a terrible pain in his chest. In the morning at around 8.30am he was taken to the Sirsa hospital for the treatment. The needed treatment was given as there was no medical facility in that hospital. He was taken to cardiologist of Bathinda city hospital. The doctors found blocks in the blood vessels leading to the heart. So, they decided to do the angioplasty immediately. After the angioplasty, he felt little bit better. Later, he had some breathing problem, they kept him in the ICU and gave the needed treatment. All the efforts of the doctor did not give any improvement in his health condition. On 6th September he breathed his last breath. After hearing this news, senior leaders and other missionaries rushed to the place. And on the next day his body was shifted to Delhi. The funeral service was conducted in the Cathedral Church, New Delhi and he was buried in the Church Graveyard with the hope of resurrection. After finishing the God given task, Rev. Phillip Asirvatham is now taking rest in the Kingdom of God. His wife continues her ministry. She is currently placed in the mobilization ministry in Coimbatore. Please pray for her and their son who is residing in Chennai with his family.

- Rev. Dr. E. Rajan

## TRAIL BLAZERS

*Samuel Mills*

### Who will Go?

**A**merican Board of Commissioners for Foreign missions was organised by the General Association of Congregational Churches of Massachusetts on 5th September, 1810. It was formed to promote the spread of the Gospel in Heathen lands. The Board sent its first missionaries to Calcutta in 1812, and since that time, thousands of missionaries and other shorter-term workers have worked in countries all around the world.

On the 12th year following the founding of Williams College in Williamstown,

Massachusetts, a 23 year old student named Samuel Mills enrolled as a freshman. The son of a pastor, Samuel's home church had been touched by a wave of revival that instilled in him a passion to take the Gospel to the nations. This revival was generally known as the second great awakening in American history. Samuel Mills soon proved to be a poor student in the classroom but a great student in the work of the Lord.

While at Williams College Mills began to meet with a group of students - Harvey Loomis, Byram Green, Francis L. Robbins, and James Richards - twice a week for prayer. On a warm August Saturday in 1806, a rainstorm drove the group to seek shelter at a large stack of hay. Sheltered from the wind and rain at the side of the great haystack, the men continued in prayer. While there Mills proposed a mission to India. Then and there he uttered his famous words concerning his proposal, "We can do it if we will." Although Loomis felt the focus should be on domestic missions as that performed by men like David Brainard, the rest agreed to share the Gospel in Asia.

Subsequent historians have referred this meeting as the Haystack Prayer Meeting. In 1808 the group organized to study and pray for missions, calling themselves the "Brethren." Also in

1808 Adoniram Judson joined them at Andover College. During their study and prayer they gave serious contemplations to world missions. The prayer meetings continued, leading several other students to pledge to service overseas. After their seminary graduation, the events that followed are landmarks for the American Missions Movement.

Samuel Mills, James Richards, Luther Rice, Samuel Nott, Gordon Hall, Samuel Newell, and Adoniram Judson formed a missionary fraternity with the goal to represent Christ and the Congregational churches on the foreign mission field. These men prompted the General Association of Congregational Churches to form the American Board of Commissioners for Foreign Missions on June 28, 1810. The first meeting of that board was held on September 5, 1810. Dr. Samuel Worcester was appointed as the Corresponding secretary.

Two years later the Board of Commissioners for Foreign Missions, the first mission society in the United States, sent its first five missionaries to work alongside William Carey in India. By the time of its centenary in 1910, the Board was responsible for 102 mission stations and missionary staff of 600 in India, Ceylon, West Central Africa (Angola), South Africa, Rhodesia, Turkey,

China, Japan, Micronesia, Hawaii, the Philippines, North American native American tribes, the "Papal lands" of Mexico, Spain and Austria. After 150 years, the American Board had sent out nearly 5000 missionaries to 34 different fields.

The Haystack Prayer Meeting sparked the mission enterprises to which we still remain in debt. Diverse groups like Baptists, Methodists, Presbyterians, Episcopalians and the United Church of Christ all trace their involvement in foreign missions back to that prayer meeting of young students. Oh how many prayer and mission movements originated with the young! They were just a bunch of college students, meeting for a time of prayer. God took ordinary students with a radical passion for Christ to publish His Good News to the nations.

Let us take a moment to thank God for such movements in the past but also let us not neglect nor forget to pray that God would raise young men and women who would risk all, not for fame or influence, but for the Gospel. Let us pray and expect God to give us a generation like that! Let us not cease to pray in anticipation like Simeon and Anna until we behold the fruit of our prayer!

## **Covid '19 cannot separate from the love of God:**

In Andhra Pradesh, at Ananthapur mission field, Emmanuel, one of our Church elder and active members of Jaderahalli village is basically a truck driver and every day he used to go to Bangalore for his work. He was affected by Corona virus and nobody was allowed to meet him for 20 days. After a few days of his treatment in the hospital, the doctor also gave-up the hope of saving his life. But the whole congregation prayed for him and encouraged him and his family members through phone. Emmanuel said, whether I die or live, I will never give-up my faith in the Lord Jesus Christ. Gracious and merciful Heavenly Father touched him and amazingly he was healed and now his health is gradually improving. Let us continuously uphold him through our prayers.

## Tamil Nadu Denkanikottai:

### Jebbaraj & Esther Thangam

**Praise:** Two persons came to the faith in Jesus Christ. Repairing works were done for the Church at Andevanapalli. The wedding of Rajkumar and Joy went on well without any hindrance.

**Pray:** A temporary worship place to be built for the believers of Sikkehpuram. For the consolation of the children of our evangelist

Pushparaj and his wife Anitha who passed away. For the salvation of Shivkumar of Osahalli. For the outreach ministry planned by the believers of Marakatta and Andevanapalli every month.

## Abnormal faith led to normal delivery:

In Andra Pradesh, at Roddam mission field, Punyavathi of Sanipalli village, on her 9th month of pregnancy suddenly got a severe stomach pain. She was taken to the nearby hospital at Penukonda. The doctor, after the medical test told, she and the baby are in critical condition and advised them to take her to the Anantapur Hospital. The doctors at Ananthapur had a medical investigation and suggested for immediate surgery and added, there is a possibility of saving only the mother. Our believers gathered together and exercised their faith in the Lord in doing a great miracle in her life. So God honoured their faith and gave a safe and normal delivery and both the mother the baby are safe. All Glory to God.
