## CHRISTIAN PRAYER IS UNIQUE!

## Frontline...

Christian prayer is unique among the religious prayer traditions of the world. It is not depending on one's power or sinlessness. It is not a magical or ritualistic chant, a therapeutic and meditation-type of exercise. It is not just asking God for things or bargaining with God. Neither is it making demands from God nor a way to control the Lord, one's spirituality a guarantee against suffering or an opportunity for us to show off.

### **Christians believe that -**

- ◆ **Prayer time is the private meeting with God.** Prayer grants us the privilege of experiencing God. Prayer brings us closer to God.
- ◆ **Prayer changes us.** When we spend time with God, He is working to change our heart to be more like His. The more time we spend with Him, the more we become like Him.
- ◆ **Prayer keeps our selfishness in check.** In prayer, we are not attempting to force God to do our will, but we yield ourselves to do His sovereign Will. It aligns our heart with God's heart.
- ◆ **Prayer gives us strength.** When we feel God's presence in prayer, we are reminded that He is always with us. We are not alone in our struggles. When God directs us, our faith and trust in Him grow stronger.
- ◆ **Prayer inspires Hope.** When we trust God, he fills us with the hope that everything will turn out fine.
- ◆ **Prayer opens our spiritual eyes.** It enables us to get in touch with what God is doing and how He is doing it [II Kings 6:15-17].
- ◆ **Prayer enables us to move forward.** Prayer engages God, enables God's people, and enlarges His kingdom.
- ◆ **Prayer helps us internalize the burden.** It deepens our concern of the burden for the lost souls and our partnership with God in His ministry.
- ◆ **Prayer transforms others.** Interceding for others changes the course of their life. Our prayers can give others courage, influence their decisions, and change their hearts and world view too.

In which way do our prayers are unique and differ from the people of other faiths? Are we growing in our prayer life? "The great tragedy of life is not unanswered prayer, but un-offered prayer" - says, F.B. Meyer. So, let our prayers be unique and the breath of our spiritual life!

## From the General Secretary...

Dear Elders, Brothers, Sisters and Children

Greetings in our Lord's name!

Prayer is a privilege and a responsibility. Privilege, because it gives us direct access to God. It ushers us into His very presence for an exclusive audience with Him in the priestly role that God has assigned us saying, 'You will be for me a kingdom of priests and a holy nation (Exodus 19:6). We stand before Him representing all of God's creation. It is a responsibility because God is ready to act at our behest when we request Him to and when we fail to do that we deprive the world of God's intervention in whatever area of need that the world is seeking to address.

If God is all knowing why does He want us to tell Him what we need? Is prayer then a formality God wants us to go through? Is God hard hearted that He wants us to cry out night and day before He can act? The answer to these questions is that God wants to involve us in what He does which shows how much He regards us, unworthy that we are. When

God wanted to punish the people of Sodom and Gomorrah He says, 'How shall I hide from Abraham what I am about to do?' (Gen. 18:17). Further in verse 19 He says, 'No, I cannot hide it from him because I have chosen him.' Let us therefore not reduce prayer to a ritual or an activity. Let it be a passion that makes us not mere spectators of events unfolding before us but as people of God who can change the course of events through our priestly role of representing people before God while at the same time representing God before the people.

### New General Secretary

On completion of my five year term in the month of March 2021, the Executive Committee has appointed Rev. John Berlin as the next General Secretary. Rev. John Berlin has worked for several years among the Maltos in Jharkhand and has rich administrative experience, having worked as the head of the Communication and Finance departments. He has a B.Com., and an MBA with specialisation in Finance. Currently he is based in Nagpur and is in charge of all our mission fields. Remember him and his family in your prayers as he takes over from me in March 2021

### Prayer Mobilisation

As most of you are aware we in FMPB observe the season of Lent by organising prayer sessions of varying time duration in our prayer groups through our thousand hour prayer initiative. Do plan for prayer initiatives in your areas as well or write to us for help in this regard if you are interested in being a part of this initiative.

Yours in Christ

# THE GREATNESS OF PRAYER

(Bro. M. Patrick Joshua,  
FMPB - Former General Secretary)

**N**ow if you obey me fully and keep my covenant, then out of all nations you will be my treasured possession. Although the whole earth is mine, you will be for me a kingdom of priests and a holy nation.' These are the words you are to speak to the Israelites. [Exodus 19:5-6]

But you are a chosen people, a royal priesthood, a holy nation, God's special possession, that you may declare the praises of him who called you out of darkness into his wonderful light. [1Pet.2:9]

- God has chosen us as the people who intercede [Priests]
- God has chosen us as the people who lead holy life [Holy Ethnic]

## 1. Prayer brings Revival:

When we join together in one accord and pray, four things are happening.

1. The Spirit of Prayer will be poured upon us.

2. The spirit of oneness will be preserved among us.

3. The faith or trust in the Lord grows and multiplies.

4. The power of God will be exhibited.

As a result, all our programs become continuous outbreak of revival. This is the greatness of prayer indeed.

## 2. Prayer can change the unchangeable things:

Because of the 7 day fasting prayer of our believer Ezra Malto, Churches were established in 60 villages of Hiranpur, Jharkhand. The human sacrifice which was practiced for long years was stopped and the people repented and started to worship the Lord Jesus Christ. Punjab experienced spiritual revival through the prayer of John Hyde missionary. Yes, Prayer will change the unchangeable customs and make the impossible things possible!

## 3. Prayer can change the Character that is unchangeable:

When we seek the help of God for the change of character, our unchangeable bad characters will certainly change. Prayer will give us victory over the sin, deliverance and peace when our evil practices and bitterness get changed.

## 4. Prayer will unite the families that are separated:

Our believer Packiam of Thirubalabandam,

Sankarapuram, Tamil Nadu's husband left her within their married life of three months. Fervent prayer of seven years by the believers of her Church brought her husband back with repentance.

## **5. Prayer will change the murderous practices:**

The villagers of Nowkasi from Boria mission field of Jharkhand have the practice of murdering the unknown people who enter their village. Our believers went to preach the Gospel as a team among them. But they were not responsive to the Gospel, instead they sent them back by threatening them. But the believers who returned did not give up praying for the salvation of the believers of Nowkasi village. As a result, our powerful God heard their prayers and the whole village came under the saving knowledge of Jesus Christ and they all worship the Lord Jesus Christ together.

## **6. Prayer protects the people from destruction:**

God heard the prayer of Abraham and protected the families of Lot and his family from destruction. So when God destroyed the cities of the plain, he remembered Abraham, and he brought Lot out of the catastrophe that overthrew the cities where Lot had lived [Gen.19:29].

Moses prayed to God not to destroy his own people due to their sins. "Then the LORD relented and did not bring on his

people the disaster he had threatened" [Ex.32:14].

### **How should we pray?**

Do not be anxious about anything, but in every situation, by prayer and petition, with thanksgiving, present your requests to God. And the peace of God, which transcends all understanding, will guard your hearts and your minds in Christ

Jesus [Phil.4:6-7].

### **1. We need to keep our burden upon the Lord and pray without fear:**

When we bear the burden for the building of the Kingdom of God, God will bear your own burden. For example, "After Job had prayed for his friends, the LORD restored his fortunes and gave him twice as much as he had before" [Job.42:10].

### **2. We need to pray until we get it:**

Mat.15:21-28 - The faith of the prayer of a Canaanite woman is a good example.

Lk.11:1-8 – The Lord's Prayer and the request of a friend at midnight for bread.

Isa.62:6-7 – Pray to God without give Him any rest.

### **3. We need to pray and beg to God wakefully:**

Lk.22:44-46 – Jesus prayed with anguish and with earnestness.

We need to pray at least for an hour for not falling into temptation.

John Wesley prayed for eight hours a day.

#### **4. We need to pray by leading a holy life:**

We need to hate and eradicate all our sinful desires.

We need to rely on God with a belief that He is the one who makes us holy and to lead us in to the life of holiness [Lev.20:26].

We need to lead a holy life continuously with much commitment [Rev.8:3-4].

God will accept the prayers of the people who lead holy life [Heb.4:15-16; 2Cor.9:8; Rom.3:22].

#### **5. We need to do all kinds of prayers and requests:**

We need to “pray in the Spirit on all occasions with all kinds of prayers and requests. With this in mind, be alert and always keep on praying for all the Lord’s people” [Eph:6:18].

##### **We need to pray in 7 ways:**

1. Ask, 2. Search, 3. Knock, 4. Pray with fasting, 5. Pray with burden, 6. Pray as a beggar, 7. Pray with wrestler.

When we pray, keeping up the hallmarks of a real prayer warrior, our prayers will be answered.

## **Missionary Dedication**

Our missionary Bro. Thanglal Zou from Mundargi Mission field of Karnataka was dedicated on 27th January 2021 on behalf of P. Phaimol Baptist Church [CBCA]. The Rev. Thangkholum Touthang, the Mission Secretary of CBCA conducted the dedication service. It is noteworthy that the CBCA sponsors 18 missionaries of FMPB.

Our missionary Chuchau Vemai Poumai who is working Kerajodi mission field, Jharkhand was dedicated on 6th February 2021 at S. Gamnomjang village by Rev. Ngamkhosei Tuboi, Lecturer of Discipleship Theological College. In fact Rev. Ngamkhosei Tuboi is sponsoring Mr & Mrs. Chuchau Vemai Poumai.

We are grateful to CBCA and the congregation; and Rev. Ngamkhosei Tuboi, the sponsor for their generosity and partnership in the ministry of FMPB.

## Principles of Prayer to Ponder...

祷火 Prayer is talked about more than anything else in the Christian circle, but practiced less than anything else. Prayer is, for the most part, an untapped resource, an unexplored continent where untold treasure remains to be unearthed. And yet, for the believer it remains one of the greatest gifts our Lord has given us outside of salvation.

祷火 Each Christian's prayer life, like every good marriage, has in it common factors about which one can generalize and also uniquenesses which no other Christian's prayer life will quite match.

祷火 C. H. Spurgeon said that, "The heart of prayer is the prayer of the heart."

祷火 "Prayer is the address of a poor creature on earth to a great Creator and loving Father in Heaven." It reveals the supreme wonder of prayer that a poor sinful being can commune with the high and lofty One (Isaiah 57:15).

祷火 The Bible makes it clear that prayer is intended as the line of connection from the heart of the praying person directly to the heart of God.

祷火 Jesus himself practiced a lifestyle of prayer and urged his disciples to imitate him by making it part of their daily existence.

祷火 The key to prayer is simply praying.

祷火 The wisest Christian believers are students in the School of Prayer.

祷火 We may all be praying as God means us to do. The only rule is: Stay within the biblical guidelines, and within those guidelines, as John Chapman put it, "Pray as you can, and don't try to pray as you can't," as God, the Holy Spirit will pray for us without words but groaning.

祷火 By nature we humans are selfish. Prayer helps keep our self-absorption in check, especially when we pray for others.

祷火 We please God most, not by frantically trying to make ourselves good, but by throwing ourselves into His arms in prayer.

-  God answers our prayers not because we are good, but because He is good.
-  Prayer will become effective when we stop using it as a substitute for obedience.
-  Some of the greatest prayer is prayer where you don't say one single word or ask for anything.
-  Prayer has wings. It can lift you beyond the dark clouds of the human struggle so that you are able to soar above.
-  Before praying for anything, we should know whether it is the will of God or not, for the issue that we are going to pray.
-  Praying for the revelation of God's will is more important than praying without knowing His will for hours together.
-  One man who walks in purity and holiness and prays for three hours each day, does far more good to the Kingdom of God than thousands of prayerless preachers who preach many sermons to thousands of people each day.
-  Only long, continued, faith-filled travailing prayer can bring true revival to an individual heart and to the Church.
-  Everyone who wants to make progress in the School of Prayer must exercise self-control in everything - sleep, the use of time, the use of his mind, the use of his mouth, and so on.
-  All revival, that is not rooted in heart-searching and heart-rending prayer to the Lord is at best human emotionalism.
-  Distractions in prayer must be conquered or they will conquer us. So let us cultivate simplicity.
-  God cannot be persuaded to alter His Word nor talked into answering selfish prayer.
-  God has three answers to prayers: 'Yes,' 'No' and 'Wait.' When the answer is 'Wait,' it means, God is not on our schedule, prayer forces us to be on God's timetable.
-  People who spend time with God grow in His love more and more. That helps them to understand God's will better and creates a greater awareness of what is going on and situations and people they should care about.
-  God's looking for people through whom He can do the impossible; what a pity we plan only things we can do ourselves.
-  At the judgment seat of Christ, the greatest crowns will be won by those who soaked their ministry in prayer.

# Missionary Biography

## MR. ESAW AND MRS. RUTH ESAW

### Early days

Mr. Esaw was born on 5th August 1943 at Anbin Nagaram, near Sattur. His mother delivered two boys and the elder one was called Esaw and the other was called Jacob. Their parents also had 6 more children, one boy and 5 girls, thus this family had 8 children. As the family experienced poverty, higher education became impossible for them. Most of the children from their early days worked in the Match Factory or Crackers factory at a nearby place. Mr. Esaw later joined the Tamilnadu Electricity board as a temporary helper along with his brothers. Even though Esaw was born in a Christian family he did not know the Lord Jesus Christ personally. He was addicted to many bad habits prevalent among young people. God who had mercy on him gave an opportunity through Baptist missionaries of that area. With the help

of the missionaries he accepted Jesus as his personal saviour and began to grow in the Lord.

### Married Life

Mrs. Ruth was a nominal Christian. Her parents were Mr. Devadoss and Mrs. Mariammal. She was born and brought up in a Christian family at Elayirampannai. Her father who was a teacher died early due to illness. Ruth and her sister Pitchaikani were sent to their maternal uncle's house. Ruth took care of the children of her uncle, so, she could not continue her studies. Mr. Esaw married Mrs. Ruth Athisayamani on 24th December 1962. At that time Mr. Esaw was working in a match factory. In the meantime one day attended the mission challenging Gidionite's meet of FMPB at Sawyerupuram. In that meeting Mrs. Ruth accepted Christ as her Saviour. As she was a dropout from the school, unable to read and write. He sought the help of God and God blessed her efforts and began to read the Bible. God blessed their family life with two daughters.

### Mission work

In 1967 FMPB conducted a mission challenging meeting at Kovilpatti. During that meeting Mr. Esaw was very much attracted by the sermon and wished to help in the mission. In 1967 the first missionary of FMPB Mr. Harris Hilton was sent to Periamalai as a pioneer missionary on 9th June 1967. Dr. Pushparaj also joined with Mr. Harris Hilton and they started the missionary work based at Pettamugulalam. FMPB sent Mr. Esaw and Mr. John Jacob to help the missionaries to fulfill the given task.

Mr. Esaw committed to do any hard work and he helped the missionaries. He used to prepare needed food and did the purchases. For every purchase he had to get down from the hill to Marandahalli a small town at the feet of the hill. Coming up to the hill with luggage will be a challenging one physically. Also there were dangers due to the forest animals, especially the elephants. On many occasions he came to face to face with wild elephants on the way. God protected him from the elephants. He brought his wife Ruth also to the Periamalai along with their children. God blessed them with one more daughter in this place. The third daughter Helina was born on this hill without any medical help.

In 1974, Mrs. and Mr. Esaw were sent to Missionary Training Centre at Tuticorin. Again in 1987 they returned to Periamalai field. In 1994 due to the need, they came down to Chennai to take care of the new land purchased to build the HQ at Ambattur. Mr. Esaw took care of the old building of the newly purchased land for FMPB HQ construction. While Mrs. Esaw visited the prayer cells and participated in the women prayer cells. In 1997 Mr. Esaw went to Jhansi, to help in the Missionary training centre for women to take care of the mess and the women candidates.

### **Sickness of Mrs. Ruth Esaw**

In 1996, she was suffering from breast cancer and went through treatment at CMC, Vellore. In the meantime God blessed all the six children and all got married and settled. God blessed them with 14 grandchildren. People used to appreciate the hospitality of Mrs. Ruth.

From 2005 onwards she was suffering from kidney problems. God heard her prayer and gave a beautiful house at Sekkadu, Avadi. When she was in her house, she became very weak, even unable to undergo the dialysis. She was admitted to the hospital for further treatment. God called Mrs. Ruth Esaw to the eternal home on 15th August 2008. God blessed the six children and their families. One daughter Mrs. Mary Daniel is working with FMPB as a full time staff, at present she is in charge of the Children Wing. And their granddaughter Mrs. Shekinah is a FMPB missionary in North India. All other children were doing God's ministry in different ways. Elder daughter is engaged with her husband in establishing a Bible book store, selling Bible wall texts and other items. Mr. Job is doing ministry based at Ranchi. Mrs. Helina is Gurukul Seminary lecturer. Their sons John Ragland and Richard are doing part time ministry along with their job.

### **Last Days of Mr Esaw**

After retirement Mr. Esaw used to go with the local pastor for village ministry. Then after the death of his wife, he went to Madurai to help in the Children's home of a Christian Organization. He used to share the Gospel to inmates and people around the campus. While he was in Madurai, Mr. Esaw met with a road accident and was admitted in the hospital. Due to age and blood loss the treatment could not save his life. He entered into the glory on 15th December 2015. Thus they were with the FMPB for a long time, giving their God given talents for His ministry.

- *Rev. Dr. E. Rajan*

## TRAIL BLAZERS

John Hunt

### Hawaiian Transformation

John Hunt, was born at Hykeham Moor near Lincoln on Dec 12, 1812. Although he died at the age of 36, Hunt was instrumental in bringing Christianity to Fiji and is still celebrated there today. During his childhood he was a regular member at the Methodist chapel in Swinderby. One evening he went to hear the evangelist Rev John Smith preach at Thorpe on the Hill with his 'flaming zeal and irresistible energy.' He thought about going home, but remained till the

meeting was over and he expressed, 'I was in a minute completely bathed with tears and perspiration as if I had been thrown in a river.'

A key factor in his life was that his Church members identified his talents and encouraged him to share his witness and to preach. While working at Potter Hanworth and Waddington, Hunt became a regular preacher, and he was often characterised as a 'ploughboy preacher.' His messages won decisions for Christ. He decided to enter full-time ministry. He enrolled himself for training at the Wesleyan Theological Institute in Hoxton, in London and planned to marry his love, Hannah Summers of Newton on Trent.

Just as he landed to study for his future ministry in London, there was a revival and he began to consider missionary work. He first thought of going to South Africa but later opted for the challenging, cannibal-ridden isles of Fiji. He told his decision to his would-be wife. She told him that she would go wherever he did. The couple sailed from England in 1838. On the way he refused a lucrative offer to remain in Australia just as he refused an easy assignment to South Africa, and sailed on to Fiji, arriving on the scene of their labors on December 22, 1838 with his new young wife just before Christmas.

When he arrived, language wasn't the only problem for them, there was also the real risk of being killed, and even eaten. John stated in one of his journal entries, "I feel myself saved from almost all fear though surrounded with men who have scarcely any regard for human life." John strongly believed I Timothy 2:3-4: "For this is good and acceptable in the sight of God our Savior, who desires all men to be saved and to come to the knowledge of the truth." He preached three times every Sunday and lectured three days a week. He opened a small medical clinic. He routinely sailed to nearby islands that had not heard the Gospel message.

Giving an account of his work, he wrote once, "twelve places, besides Viwa, are under my charge. I cannot go round my circuit in less than a month; as I have to sail about three hundred miles, at seven or eight different stages; so that I am one week out of four on the water. We have very little travelling inland; nearly all our circuit work is done in canoes. There is neither an important place in Fiji that I have not visited, nor a chief of any respectability, with the exception of two or three, to whom I am not personally known, and to whom I have not, in my humble way, preached the Gospel. In this I have been remarkably guided, - I might say, compelled, by Providence.

While keeping up his demanding schedule, John became skilled in the Fijian language and spent and found time to translate the New Testament. God rewarded his efforts. After a hard beginning, revival began to break out on one of the islands. In the first week alone over 100 natives confessed their sins. They spent time on their knees as warriors of prayer, instead of being warriors who used to kill each other and eat. In 1845 the nephew of a chief accepted Christ and soon others followed. Finally one day, the queen of Viwa became a devoted Christian. After that, the local beaches stained with blood were washed away by the waves of Christian love. John joyously wrote in a letter, "Many who, a little while ago, were among the worst cannibals in the world, are now rejoicing in God their Saviour."

One of John's greatest successes was the translation of the New Testament, not only into the Fijian language but with originality in Fijian expression. As he translated, John consulted a Greek Testament and a lexicon. Since so much of the New Testament had no literal equivalent in the Fijian culture, John relied on help from the converts. He completed the New Testament, and it was published in 1847. The New Testament translated by John Hunt,

was freely circulated among them; and that the Old Testament, which he commenced was later completed by the Rev. James Calvert and soon reached the hands of Fiji people.

But alas, not long did the hero of Fiji's pioneer Gospel enterprise last. His strength began to fail with dysentery. The Islanders prayed for his recovery, offering God to take ten of them rather than him. Suddenly he grew utterly calm. "You see a bright prospect before you," said someone. "I see nothing but Jesus," said John and then exclaimed, "Hallelujah! Hallelujah!" and passed to his everlasting Home. Among the words of his last hours were: "Lord save Fiji! Save Fiji." Thou knowest my soul has loved Fiji." By then he had completed the New Testament's translation and had commenced the Old Testament. He had seen hundreds, if not thousands, of cannibal Fijians coming to the Saviour's

feet, and in his vision he realised that Fiji would in the days to come be one of the greatest glories of the Gospel's power throughout the world.

He died, just 36 years old. But after Hunt's death, many men of the same spirit carried on the work in Fiji so that within fifty years of his landing, there was not a single person in the islands who openly professed the old heathen religion. Fiji became a miracle of Gospel grace, and John Hunt deservedly ranks high with Livingstone, Paton, Chalmers, Hannington, and a hundred others in the modern apostolic and especially Pauline succession of devoted missionaries. In the words of Dr. Woodrow Wilson, America's Christian President, "Life lasts only a little while, and if it goes out lighted with the torch of glory it is better than if it lasted upon a dead level a thousand years."

- *Bro. David Benny*

## **Handicapped, but not spiritually:**

In Rajasthan, at Sri Ganga Nagar mission field, our believer Sumitra's elder sisters' daughter from S.S.B Colony is a physically disabled who is studying 8th Std. She attended our Children class and accepted Jesus Christ as her personal Lord and Saviour. Then she went along with her parents to a different place where she did not have the privilege of attending any Bible class. After two years gap, our missionaries met her in a place and they surprised to see that she has regularly studied the Word of God, memorised many verses from the Bible and prayed with few of her friends. Her constant touch with the Lord and spiritual growth is noteworthy.

## **FMPB introduces OFFERING COLLECTION MANAGEMENT APP!**

We are thankful to God for each of you, our prayer group members and leaders who support the ministry through your prayers and generous giving.

Under the present system of receiving and acknowledging your donations and contributions, the details sent by you through your remittance forms or emails are manually entered into our computer systems by our Finance Department and receipts are generated. This gives rise to errors owing to various reasons like the presence of multiple people in our database with the same name and sometimes even the same initials or surnames. Apart from this, it consumes a lot of time to manually enter receipt details for each and every donation.

To avoid this, we have come up with a **Mobile Phone App** with provision for registering regular contributors under each Prayer Group (PG). As soon as the representative or the leader from a Prayer Group collects the contribution from a registered member under him and enters the amount collected in the form of cash or cheque in this App, an SMS acknowledging the transaction will immediately be sent to the donor's phone. This information can be viewed by our Finance Department also. Once the leader remits the money to FMPB by cash or cheque or through bank transfer and enters the detail in the App he/she will receive an SMS acknowledging this transaction. After bank reconciliation, receipts for every individual donor will be generated by the APP without the need for manually entering the donor details.

This will eliminate human error and reduce manpower in our Receipts Section and also save the leader's time in filling the Remittance Form. This will soon be the primary mode of monthly donation collection and remittance and so all leaders are requested to adhere to this. Our IT department through the concerned Promotion Secretaries will help you in registering the names of your Prayer Group members in the new system.

### **The Beginning:**

The Musabani mission field was opened on 25.10.1989. The first missionaries of Musabani mission field were Mr & Mrs. Dharmamony, Mr. Mohanraj and Mr. T Y P Asir. The missionaries underwent many hardships during those days. To satisfy their hunger, they had to eat uncooked rice and they were denied water from the village well. But nothing stopped them from proclaiming the gospel.

In March 1994, the Mussabani mission field was shifted to Dhalbhumgarh area. Mr & Mrs Dharmamony along with Mr. Mangal Marandi and Mr. Sonathan (believers from Bakra Kocha village) reached Sunderdih village in the beginning of 1994.

Sunderdih village had some Baptist believers already. They went for worship to Uljhadi village (7km from Sunderdih). One Baptist believer named, Mr. Kala Chand Murmu opened his house for the missionaries to proclaim the gospel to his fellow villagers. Some people responded to the gospel. The first Sunday service was conducted at Sunderdih village on 13.2.1994 at the house of Mr. Mangal

Kisku who was the uncle of the first believer, Mr. Sunil Kisku. At the very first gathering, 16 to 17 people participated. The service was led by the missionary, Mr. Dhurubaraj Beberta. Since the Baptist believers felt comfortable to attend the Sunday worship at their village, they joined the worship at Mr. Mangal Kisku's house. In March 1994, one of the Baptist believers, Mr. Kala Chand Murmu willingly donated his land for Church construction at Sunderdih.

### **Church Growth:**

On 7.4.1994, the CNI Bishop of Chotanagpur diocese, Rt. Rev. James Terom confirmed 19 believers by the laying of hands. In July 1996, in Dhalbhumgarh prayer report, the missionary writes, "Samal Murmu was unable to walk for a long time. They tried doing puja and took her to the hospital also. Even after taking medicine, there was no remedy. Finally they asked the believers to pray for her. Believer, Sunil Kisku and other believers prayed for her in unison. God heard the prayers and helped her to walk miraculously. Seeing the miracle, they believed the Lord."

The worship at Mangal Marandi's house continued for 2 years till a pucca Church was constructed in 1996. Seekers camp, Discipleship camp, VBS, youth convention and other programmes were conducted at Sunderdih Church. Even believers' wedding were solemnized at Sunderdih Church.

Social activities like free medical camp

and Independence Day celebration along with the local government school staff was conducted at Sunderdih Church. Believers' children received quality education at the Dhalbhumgarh children home.

Z. James Terom, CNI Bishop of Chotanagpur diocese dedicated the Sunderdih, Christ Church. New believers' confirmation and children dedication were also done. Holy Communion service is conducted in every first Sunday of the month. Nearly 30 to 35 persons take part in the Holy Communion. The small group participants sing songs and pray for their village, relatives, community, Ojha gurus, Santhal pilgrims and for their state. Here are some miracles occurred through small group prayers.

- Pithamber Tudu from Durgadih village was mentally ill for 7 years. His illness became chronic in the last 3 years. People were afraid of him as he harmed them. In the small group prayer at Durgadih, the believers prayed for Pithamber Tudu's healing. God graciously healed him and he became normal. Praise God.
- The small group leader at Durgadi, Mr. Visu Soren's leg got swollen and caused terrible pain and burning sensation. On new moon days the pain was intensive. Through prayers Visu Soren got healed.

### **1. Women's fellowship:**

The women's fellowship meets twice a month immediately after the Sunday service.

### **2. Outreach:**

Every month the Sunderdih Church elder and 40 believers hire a vehicle and go for outreach ministry. They sing songs, proclaim the gospel and pray for the sick and needy. The vehicle rent is borne by the believers.

### **3. Offerings:**

The monthly offering ranges from Rs.1200 to Rs. 2000. Kinds of offerings: First fruit offering, Thanksgiving offering and Tithe in the form of hens, pigeon, produce of the field and money.

### **4. Church committee:**

The Church committee has 7 members. They gather and take decisions during marriage, death and other special programs.

Thus, the local Church believers are managing the affairs of the Church. We praise God for the faith community in Sunderdih and pray that it may grow in order to be a blessing for many.

### **For your kind attention Please:**

In our magazine - Friends Focus - February 2021 issue, in the article, entitled "Planning and its success," we would like to clarify hereby the concerns written about erecting Church buildings, upbringing poor children and involving in medical services. It was mentioned not to undermine, involving in the activities of social concerns, but with the concern that our priority of missionary work should not be pushed to the back burner by those activities. We hereby affirm you that we will continuously involve in the social activities in the places based on the need.

### God's miracle triggers Bhuiyan ministry:

In Jharkhand at Kathikund mission field, Jairam is a married man, belonging to Bhuiyan Ghatoal community. His wife is in-charge of Anganwadi. They have built their own house in their village called Bag Jhonpa. Their son Bitu Roy is studying 10th Std. He got severe pain in his stomach. When it was investigated it was found that there is a kidney stone. While taking treatment he got pain from his thigh to foot and was unable to walk now. Having become tired of arranging treatments from different sources, now the whole family has started trusting Jesus. They have hired a house in a nearby town Kathikund to avail medical treatment. We have started prayer meeting in his rented house. They go to Church for Sunday service too. Please pray that this seeking believers to experience God's miraculous touch and this may give us a good start for mission to Bhuiyan people coming into Christ in this field.
