**You have made them a little lower
than the angels and crowned
them with glory and honour.**

(Psalm 8:5)

The seeking God!

Christianity is unique among all other religions in this world as it consists of not men seeking God, but God seeking men. God

of the Bible reached out to men and revealed Himself rather than waiting to be sought and found by men. For example, we read, "For this is what the Sovereign Lord says: I myself will search for my sheep and look after them." (Ezek. 34: 11) and "I will search for the lost and bring back the strays. I will bind up the injured and strengthen the weak." (v.16) Yes, it is a strange and unique factor to know that our God, although is so high, He stooped down to relate and to have fellowship with the human beings which was just a creation of Him, created out of mud.

The reason God took such an initiative to make relationships with human beings is noteworthy. We, the human beings, according to the Bible, are not only His image [Gen.1:27], but also His breath [Gen.2:7] and His precious one [Ps.139:14] who was bought by His blood [Acts 20:28] which was shed for the salvation of all mankind. God has even permitted those to find Him who were not His people and who did not seek Him. He has repeatedly made Himself known to them. "I permitted Myself to be sought by those who did not ask for Me. I permitted Myself to be found by those who did not seek Me. I said, 'Here I am, here I am,' to a nation which did not call on My name" (Isa.65:1, Rom.10:20). God's intent is for everyone to honour Him and has desired and sought all men

Frontline...

to worship Him. Jesus not only sought man out, He also gave His very life so that people could be reconciled to the Father from whom

they had been alienated since God had expelled Adam and Eve from the Garden of Eden [Lk.19:10].

The most important truth in Christianity is that God loves us enough to seek us out even before we start trying to find Him. The God who seeks, created us in the image of God means that we were created to be mirrors of God's glory. The only way we can reciprocate to our benevolent God and His merciful Son is by glorifying His glories and magnifying His magnificence to the highest. If God's desire for all mankind is to worship Him then this should make our purpose of evangelizing all mankind that much more clear. Now, in the Age of the Spirit, God is seeking to use His people as His mouthpiece and use their hands and legs for carrying this message to every nook and corner of India. Therefore, Christians ought to be His rightful ambassadors, as though God were making His appeal to men through them. It is about seeking the whole human race for the Lord. "For we are God's masterpiece. He has created us anew in Christ Jesus, so we can do the good things He planned for us long ago" (Ephesians 2:10). **Don't we hear the lines of the song written by Bro. Patrick Joshua that "In this world, no one knows who a man is.....All who are seeking the unreached people group are the loved ones of God?"**

- JJ. Harris (Communication Dept.)

“We are not to look to what men in themselves deserve but to attend to the image of God which exists in all and to which we owe all honour and love.” - John Calvin

“When the Lord lays His hand upon a man, that man ceases at once to be ordinary. He immediately becomes extraordinary, and his life takes on cosmic significance.

The angels in heaven take notice of him and go forth to become his ministers.” - A.W. Tozer

“Embrace with tender affection the whole of humanity, especially the poorest, the weakest, the least important.”

- Pope Francis

Before I formed you in the womb I knew you, before you were born I set you apart; I appointed you as a prophet to the nations. (Jer.1:5)

FROM THE GENERAL SECRETARY...

Dear Partners in the fulfilment of the Great Commission,

Greetings to you all in the mighty and matchless Name of our Lord and Saviour Jesus Christ.

Corona is devastating the whole country. The losses of dear ones and livelihoods are unbearably huge. People are searching for answers, why this suffering Lord? Why is it in my family? The same question was asked by Job, when he lost his family, wealth and health. He accused God in different places. [Read: Job 9.17 & 22]. Job 31:35 says "Oh, that I had someone to hear me! I sign now my defence- let the Almighty answer me; let my accuser put his indictment in writing."

When God answered to Job, He replied nothing directly to Job's question. God spoke about His sovereign power and His control over everything; His wisdom and knowledge and the majesty and splendour of His creation (Job 38: 2, 4).

After listening to God what Job responded is the truth about God which we too need to understand. Job knows God can do all things (Job 42:2), Job acknowledges that he spoke of things he did not

understand (Job 42:3) and then Job repented in dust and ashes (Job 42:6). In addition to that Job put his complete trust on a God who is trustworthy and will never do any mistake in the lives of His children. Job 19:25 - I know that my redeemer lives, and that in the end He will stand on the earth. Job 13:15 - Though He slays me, yet will I hope in Him.

Loss of missionaries and prayer group leaders:

Last month until I write this, 4 more missionaries and some more prayer group leaders and supporters have been called into eternity to be with their Saviour. This is a loss to the families and FMPB in a big way. It is our heartfelt prayer, 'Lord, no more lives to this Corona.' FMPB salutes the Soldiers who have finished their race successfully and gone before us to receive the crown of righteousness and to live in a place where there is no tear and

no pain. Their contribution towards evangelizing this nation will be remembered for ever.

Rev.21:3 & 4 - And I heard a loud voice from the throne saying, "Look! God's dwelling place is now among the people, and he will dwell with them. They will be His people, and God Himself will be with them and be their God. 'He will wipe every tear from their eyes. There will be no more death' or mourning or crying or pain, for the old order of things has passed away."

General Secretary Installation program:

It was a personal moment of joy to me as a missionary to Maltos that our own believer Rt. Rev. Patras Malto who is the Bishop of Rajmahal Diocese of Jharkhand graced the occasion and brought greetings.

Corona 2nd wave:

Corona 2nd wave is sweeping across the nation and making people writhing in pain and weeping in loss. The governments and medical infrastructure of our country is overwhelmed by the size of the devastation. Vaccination is the only known solution now, but sufficient doses are not available for all to have the vaccine. I appeal to you to have the jab whenever there is an opportunity.

Asking God to bring healing to our nation:

In the light of suffering created by the 2nd wave of the corona, FMPB called for a 72 hour chain of prayer in all three departments. All of our full-time missionaries and many of our supporters joined to plead before the throne of grace to have mercy on our nation.

CAD formation, guidebook in Hindi, English and Tamil:

To assist the administrative structure helping the missionaries and evangelists in Corona time, a Covid Assistance Desk (CAD) is formed having the Secretary - PREM, Secretary - HQ and Secretary - HQ Administrators as its members. They prepared a Corona guideline pamphlet in three languages and the e-copies of the same have been circulated.

I request all of you to follow the corona protocol, have the vaccination and stay safe. My prayers are that the Lord of Harvest helps us to reach the nation with His gospel and keep all of you safe and healthy.

The Gospel to The Unreached People!

"I have made you a light for the Gentiles, that you may bring salvation to the ends of the earth."
(Acts.13:47)

Once a local Christian asked me a beautiful question. He asked me, "Why does FMPB not do evangelism and Church planting in the city of Nagpur?" I answered him, "When there are so many Churches in this city, why is it necessary for us to do evangelism here? Instead, it is better if we send our missionaries to the needy places." Many Churches do Church planting where there are already plenty of Churches. Gospel is to be preached to those who are in need.

What does the Bible say about presenting the Gospel to the unreached?

When Jesus came to this world, He

preached the Gospel to the needy. Luke mentions the purpose of Jesus coming in his Gospel as, "The Spirit of the Lord is on Me, because He has anointed me to proclaim good news to the poor. He has sent Me to proclaim freedom for the prisoners and recovery of sight for the blind, to set the oppressed free, to proclaim the year of the Lord's favour" [Lk.4:18-19]. In a way, we can interpret the word 'poor' as those who are spiritually poor and those who are longing to hear the Good News. The people who followed Jesus were very ordinary people. They had spiritual and physical need. The Great Commission urged the disciples to go around the world to preach the Good News.

Early Church presented the Good News to the Needy

Before ascension to Heaven, Jesus asked His disciples to tarry before God so that they would receive the power from above. It was granted not to be only enjoyed among themselves, which meant that they were not to limit the preaching of Good News only among themselves, but rather they were asked to take it all over the world. When the early Church was scattered due to persecution that became a golden opportunity to reach the unreached nations with the Good News. When the Church faced with the issues related to social concern like taking care of widows, a committee was formed which constituted of seven people. Among them, Stephen was not simply confined with that job. Instead, he went out to preach the Word of God. Bible says that he was filled with grace and power and

did great wonders and signs among the people. That means he was preaching the Good News to non-Christians along with the special assignment given to him by the Church. In some cases just to save one soul the Spirit of God sent His servants to walk miles and miles. Philip reaching the Ethiopian Eunuch to explain the Word of God is also a very good example (Acts 8: 26-40). There was an urgency to take the Good News to the person who was in need.

When the Church gathered to worship the Lord, the Spirit of God moved the congregation to send Paul and Barnabas to preach the Good News (Acts 13:2). From then onwards they started their ministry of preaching the Good News to the unreached. We know about the three famous missionary journeys of Paul in which he took the Gospel to the lands where unreached gentiles were there. After the resurrection of Jesus Christ, all disciples went to the whole world taking the Good News to the needy. We are also aware that history has recorded the wonderful ministry of St. Thomas in India too. So, early Churches and the disciples followed the model of Jesus Christ in taking the Good News to the unreached people.

From the History of Missions

We have plenty of examples in the Church History and the History of Missions to understand how the early missionaries focused on preaching the Good News to the unreached people. St. Francis Xavier came to India in 1541 as a Jesuit missionary. He was considered as the Pioneer of Missions in Asia. His

work was mainly among the poor and lowly. He had a great passion to spread the Message of Christ. Hundreds and thousands of people were able to hear the message of Christ in South India through his ministry. Father of Modern Missions, William Carey did his wonderful ministry in the eastern part of India. As he had the desire to take the Gospel to the unreached people, he also translated the Word of God into several languages.

The great missionaries like Ringle Toube, Rhenius and so many others concentrated on preaching the Good News to the needy. They aimed at spreading the Gospel to the unreached people of India. On account of this noble task, many of them never returned to their countries. Their tombs are in India. The first Indian Bishop Azariah Samuel was a champion of preaching the Gospel to the needy. The diocese namely Dornakal Diocese roughly had 2,00,000 people during his life time from different people groups like Malas, Madigas, tribals and low caste non-Brahmins. Church history clearly says that his ministry was focused mainly on rural untouchables who were in need of the good news. He said, “**It is by proclamation of the truth that the early Church turned the world upside down... Even today, it is this that redeems Indian society and emancipates it from the thrall of centuries.**”

The early Marthoma Church was very much involved in evangelism and was able to bring many people to the Lord's fold. The Marthoma Church became

one of the strongest Churches in Kerala because of its active missionary work among the needy people. When the missionaries of the London Missionary Society came to South India. i.e. Travancore area, they did their ministry among the people who were oppressed by the people of the upper caste. They worked very hard to liberate the socially oppressed and downtrodden people. That is the reason we are able to see a good population of Christians in South India. The missionaries who came after LMS were also involved in the missionary activities among the needy people. For example, the Lutheran Church, The Salvation Army and other denominations did their Gospel ministry among the very needy people. In other words, their ministry was among the people who were in need of the Gospel.

After the foreign missionaries stopped coming to India, the Lord raised more indigenous Mission Agencies to take the Gospel to the unreached people groups. Friends Missionary Prayer Band is one such organization. Our missionaries reached the interior places with the Gospel. Their primary motive was to bring a total transformation in the lives of different people groups. We have number of case studies for the tireless ministry of our missionaries to reach the unreached people for giving new life and hope to them. The light of the Gospel changed the lives of Malto People. Eventually, it affected the lives of Santal people too. In fact, the Lord sent the missionaries there in right time. When our missionaries reached in Malto Area, i.e. in Rajmahal Hill area, people were

dying without Christ. As we know after the death of our beloved missionary Mr. Jeyaraj and his son David Livingstone, people started to come to the Lord. When the Gospel was preached to this unreached group, there was a very good response. Power encounter took place. This history continues even now. During the early days of ministry of our missionaries, many Maltos asked the missionaries why they were late in taking the Good News to their villages. Because, many of their family members had already died without knowing the Lord Jesus. God sent the missionaries to this needy people group in the right time and because of that thousands of Maltos came to the knowledge of Christ. Today, the Malto Church has grown to the level of having its own diocese with a Bishop from the same community.

What a tremendous power the Gospel has! It has the power to transform a whole community. Gospel has to be preached first to the unreached people group and not for those who have already heard several times.

When we study all evidences in the Bible and Church History, it is crystal clear that the Spirit of God wants us to take the gospel to the unreached. I want to finish with the statement made by Oswald J. Smith. He said, ***No one has the right to hear the Gospel twice, while there remains someone who has not heard it once.*** May the Lord bless us and grant His grace to take the Gospel to the unreached Indians until the last breath of our lives.

BLESSINGS TO BARELA PEOPLE GROUP

(A bird eye view)

The Barela tribe is living in Guna, Shivpuri districts and also other parts of Madhya Pradesh with approximately a population of more than 15 Lakhs. The surname Barela is a name for a courageous or brave person having derived from the Latin word "barus." They are a sub-tribe of Bhil tribe, migrated mainly from the Khargone district of Madhya Pradesh. They speak Barela language among themselves.

Due to the varied socio-cultural and geographical environment and its parameters, the Barela tribal world of Madhya Pradesh has been largely cut-off from the mainstream of development since Independence. The Barelas are very simple, poor, needy and loving people, who live around forest and hilly areas. There is no proper road, drinking water, electricity and other basic facilities in the places. Their main source of income is through cultivation and shepherding only. Many of them are ruled over by the so called high caste people. The Barelas depend on agriculture and hard labours for livelihood. Their children also work. The Barelas are not vegetarians but they do not eat beef or pork. Unleavened bread is eaten by them. Ghinshri is their clan deity.

Cultural aspects:

There are two kinds of dresses they wore predominantly. One is Gaguru which is the traditional style and the other is Natti which is modern kind of dress. The Barela women wear half sleeves tops which have two pockets at the lower end of the front portion of the top. Head scarf with designed border is proportionately placed and confidently carried by women showing their age. The Barela women are also well known for wearing heavy jewellery (ornaments) made up of

silver, aluminium or German silver. Jhumkas (typical hanging earrings with floral design), a woven beaded necklace with silver/aluminium coins attached, a chain, and necklaces of colourful beads. The most beautiful ornament around her neck is half opened and highly artistic necklace which is mainly seen to be used by the Barela tribal women and not other. Nose pin is a typical Indian tradition and women in several part of India use it at large. A bindi/sindoor (Tikka) is applied mainly by married women.

A). Wedding:

Barela people mostly go for systematic arranged marriage. The men are married while still boys at the age between the ages of 14 - 16. The women are also married early between the ages of 12 - 15 soon after the onset of puberty. The partners are selected during Bhangoriya (One week before Holi). The selection is usually done by applying colours on the person they wish to marry. After selection the parents from both sides come together to arrange a wedding. The Bridegroom's side gives dowry to the Bride's side. Barela people group marriages take place for 3 days. Village people bring Rice, Grain, wheat, corn, millet etc and they help in bringing wood and cleaning rice and all. On the day of marriage the village priest makes holy their house and does all kinds of puja after which marriage ceremony starts.

B). Festivals:

Barela people celebrate so many festivals among which the primary one is Nawai and the other is Diwali. There is no idol worship in this community. The festival "Nawai" is a celebration of the first fruits of the harvest. This festival is celebrated by bringing in the harvest of cucumber, black-eyed peas, green gram and maize along with anything else that might have been harvested at the same time. Actually this celebration is to thank their god and goddesses.

The Festival "Diwali" is celebrated differently in this community. The celebration involves taking small portions of grains of Sorghum, maize, pearl millet, green gram and black-eyed peas together and placing them in a rice pounder to be ground into flour. It is then mixed with a little water to make small balls and then placed in a winnowing basket. The winnowing basket is then taken to the house of the oldest sibling or youngest. The sibling then places it in front of themselves and offers prayers. The balls are given to the bull and it is worshipped. The food prepared in the house is first given to the dog in their house.

They also celebrate the Indal Puja festival once in five years in the month of December for two days in order to thank God for his blessing and fulfilment of vows. During

this festival they invite all the village people and nearest village people also. In this festival they cut the goat as an offering. They also celebrate Goyana Puja Festival for binding evil spirits and harmful events in the village. And they celebrate Puau Puja festival in the month of February, as they believe that if they do this puja then they will have more fruits of cultivation in their farm. They also celebrate Khobo Puja festival in their cultivating fields itself before harvesting the crops. It is also called as Paban Dev Puja which is offered to worship the air.

C). Death Ceremony:

After the death of a person their body is cleaned with hot water. The body is dressed in cultural clothes, covered with a white cloth and placed on the bed. On the basis of surname the body is placed either outside the house or near the stove. After that they roam outside the house five times with the corpse. They tear the cloth of dead body. They put bow, Turban, Brass plate, while they bore the dead body. They play large dholak and the body used to be buried in the past but recently people have begun cremating them. For 12 days they have rituals if ladies die. They have 13 days of rituals if a male dies. After 2 days of death that family members call to (budwa) means shaman and they clean the house. A program called "Nukta" is conducted after cremation. It can be held anytime from one or two month up to one or two years from the death of the person. It is a strongly held belief that the soul does not return to God before this ritual.

Our ministry among Barelas:

FMPB started its ministry in this community in the year 2002 among Barela people group in Guna District and Shivpuri District of Bundelkhand Region, Madhya Pradesh and Rajasthan border of Nahargarh area under the Leadership of Rev. S. Azariah Raj Kumar. The first missionaries to Guna field were Rev. Paul Daya Singh and Rev. Suresh. Then the families of Rev. Pachhiya Bhai and Mr. Hosiel Naik came to work among them. Two families namely Mr. Kasiram and Mr. Karansingh work in the Dhulkot field. Mr. Isaac with his family began ministry in Pandhana field. At present the families of

Bro. Hebal Kumar and Mr. Rakesh Gavit and seven local evangelists are doing their ministry among them. By the grace of God we are doing ministry among Barelas in around 115 villages from Guna district, Shivpuri District Nahargarh area in which

approximately 2 Lakhs Barela people are living. The first believer of this community was from a village named Sarai from Dhulkot field.

One of the most effective ways of ministry is through healing and signs and wonders. Apart from that by hearing the Gospel shared in the evening meetings and outreach program, many come to the fold of Christ. Another effective strategy for Barelas accepting Jesus Christ is family relationship method. All the Barelas are sensitive and related to one another. They give more importance to their relationship with their own local people and wherever we go in Guna district and Shivpuri district and Nahargarh area we can see and have found their relatives who are open to the Gospel. This is also a very good effective way to reach more families and many people come to Jesus Christ just through one believing family.

God has so far given us two Churches, 16 congregations, 28 worship groups, and follow up ministry in 67 villages. Till now by the grace of God we are able to add 2010 people into God's kingdom. God has given an open door to share the Word of God among Barela people group amidst opposition.

Indigenous process in Barela people group ministry is going on well. By the grace of God, we have started the indigenous process since 2018 in the Guna field. Every year we conduct Christmas mela and Easter mela and we could see the greatness of God because people make it possible and celebrate the programs happily and all things are done by their own expenses and they ensured that the program is conducted peacefully and every need is met. They raise funds by themselves for the programs such as evangelism, training, Church dedication, Church needs and other. Most of the decisions for field ministry and field programs are taken by only our Church elders. Our believers are very active and any time they are ready to help us in the ministry.

Community Development:

In 2019, we have started children home exclusively for Barela children at Chhindwara with the help of IELC where 29 Children are studying. Another 20 children are studying in Jhansi and Bhind children homes.

Vision and Goals:

By 2025, our missionaries plan to bring another 2000 people to the fold of Christ and to build 5 Churches, to form 50 worshipping groups and to place another 20 local evangelists to reach another 200 villages there in order to touch 2 Lakhs people with the Gospel of Christ.

Prayer Points:

- ◆ All the believers to give up their traditional evil practices completely.
- ◆ Many unreached districts where Barela people are living also to be reached with the Gospel.
- ◆ Believers' day to day cultivation work and shepherding should not become a hindrance to attend the worship services regularly.
- ◆ Migrating believers to keep up their faith.
- ◆ Believers should not be disturbed by the false teachings of other Christians.
- ◆ Repentance of the opponents of the Gospel.
- ◆ Need more committed missionaries, evangelists and volunteers.
- ◆ Hostel to be built in Guna field itself for Barela children education and development.
- ◆ Indigenous process to be implemented fully.
- ◆ To develop the youth movement so that they will take the responsibility as volunteers to support in ministry.
- ◆ To develop more children ministry.
- ◆ To start a literacy program for uneducated people.

Please pray for a mass movement among Barelas to take place so that all the Barelas would be blessed by God and as a result they would become a blessing to many.

Blessings of the Installation Service of the new General Secretary of FMPB

God blessed the installation service of Rev. John Berlin S, the 8th and new General Secretary of our organization - Friends Missionary Prayer Band which was held at 6pm on 24th April 2021 at St. Andrew's Kirk, Egmore, Chennai. Many Church and Mission leaders and prayer group leaders [PG] were present in this gracious occasion, observing the Govt. social distancing norms amidst the threat of Covid'19.

Rev. Isaac Johnson, the Presbyter of St. Andrew's Kirk offered the opening prayer. Rev. Prabhakara Sarathy, the Secretary of FMPB-HQ welcomed the leaders and the participants.

Then, the new General Secretary was introduced. Rev. Isaac Johnson and Rev. Premkumar Jackson, the Pastor of Tamil Emmanuel Methodist Church, Puthur conducted the installation service of the new General Secretary.

Rev. Premkumar delivered the Lord's message on the topic 'the cost of true discipleship' [Mk.8:34], citing Moses as a good model for leadership. Moses never used his leadership for his own ends. He emphasised this type of leadership to be followed.

The following eminent persons conveyed their greetings and exhortations -

Rev. Sutharson Thomas, the outgoing General Secretary of FMPB:

In FMPB, any position carries more responsibility than status. At this point of time, when Rev. John Berlin has taken up the responsibility I would like to facilitate him and assure him our whole hearted support.

Rt. Rev. Patros Malto, Bishop of Malto Diocese, Jharkhand:

If FMPB had not sent missionaries to Jharkhand, the society of Malto would have been destroyed. Through the prayers of prayer groups and the sacrifice of FMPB missionaries, our death, starvation, disease, drunkenness, evil practices and fear are wiped out from our place. We have got the Word of God also printed in our language through FMPB.

Rev. John Berlin worked in Tinpahar and helped to establish Churches and congregations in 86 villages and he along with his fellow missionaries sowed the seed in this hill area that now yields fruits abundantly. Tinpahar believers are now known for their spiritual growth. Our God has anointed Rev. John Berlin with the 'oil of gladness' [Ps.45:7] and He will certainly shower him with double blessings.

Mr. Anbu, the President of MUT:

A prepared servant for a prepared place is God's approach for the ministry. Jesus said, if any one wants to serve me [Jn.12: 26], let him follow me; wherever I am [24:7], my servant will also be there. Wherever John Berlin leads, God is there; because God is there before, John Berlin goes there. Today, the Father has honoured John Berlin to lead. God would do mightier things through him that has never happened before.

Rev. George Edward, the translator of Bible in Malto language:

It is a historical occasion that has happened never before in any Church and Mission across the world. A person who became a believer through the ministry of FMPB and then became Bishop, came all the way to convey his greetings and participate in the installation service of the General Secretary who himself had served among them as a missionary. Rev. John Berlin is a gift to the organization. He has multiple talents. I am sure, he can excel in the task entrusted to him. God is the one who brought him up to this stage will continuously use him mightily.

Rev. M. Raju, NPN:

The Bible speaks about the transition of leadership that the successor has to remember the good life of the predecessors. This day is a good day to remember our pioneers and leaders of FMPB, and learn from their good lives and practice their legacy for the blessing of FMPB and the nation. In any leadership, if character is lost, everything is lost. May the God of hope fill you with all joy and peace as you trust in him, so that you may overflow with hope by the power of the Holy Spirit" [Rom.15:13].

Mr. Sam Manohar, the native of John Berlin, Seynamvilai, K.K. Dt:

Although the responsibility of the General Secretary involves a heavy burden, we assure him that we uphold him through our prayers and support to carry the burden of leadership.

Rev. Dr. Rajasingh Elias, General Secretary, IEM: (Letter through Mrs. Helen Sunder)

I remember Rev. John Berlin sharing in our outreach training institute about the book titled 'Servants of the Cross,' written by Rev. Dr. Theodore Williams, that helped him to step out into missionary service. He is a well known person in the IEM circle as he has written teaching materials on different topics in the past. We, as a family of IEM assure our prayers that the Spirit of God empowers Bro. John Berlin in this crucial and complex time of our generation.

Then Mr. Wilson, the General Secretary of Vishwavani and Mr. Alex, the treasurer of BYM also conveyed their greetings to the new General Secretary.

Rev. John Berlin gave his response in his installation service. He said, this responsibility in FMPB is carried out by great stalwarts. I do not consider myself worthy to have this responsibility. God was holding my hands all the 34 years of my ministry in FMPB. All my fellow missionaries who really shaped me up in many ways and I thank God that such a wonderful fellow missionaries God has given to me in FMPB. I press on towards the Goal [Phil.3:14] of reaching the unreached people with much obedience to the vision and adherence to the ethos of FMPB.

Rev. Emmanuel Ranjitsingh coordinated the programs well. Rev. D. Abraham, the Secretary of HRD gave the vote of thanks to all the people who attended the program in person and through online. Rev. Premkumar Jackson offered the closing prayer and benediction. All glory to God!

OBITUARY

Mr. S. Daniel (Age 85), one of our senior prayer group leaders of KGF, Karnataka entered into God's glory on 25-04-2021. In fact, he was the first person who played a key role in developing mission awareness about FMPB ministries in KGF and Bangarapet areas. He wanted every Church to be a missionary sending Church. His zeal for FMPB and its ministry has made a great impact in many families. We thank and praise God for his beautiful life. Let us remember the bereaved family members in our prayers.

Fallen Corn of Wheat!

Rev. K. Israel (1957 - 2021)

Rev. K. Israel was born on 1st November 1957 in Pasivedala village of West Godavari district, AP State, to the Christian parents Mr. Samuel and Mrs. Esther. As his father died when Israel was 6 years old, his mother Mrs. Esther brought him in Christian faith. He married to Sis. Taneti Uttama Sri, on 11th May 1977. In 1978 he committed his life to God while he was attending a convention meeting of his Church. God blessed their married life with one boy namely Johnson and a girl Sharon Rose. Now his son Mr. Samuel Johnson is a professor in Vellore Institute of Technology at Chennai and his daughter Sharon Rose has got married and settled.

Mr. Israel would like to prepare himself for the ministry of God, so he studied

in a theological college. Once he had a chance to visit some places in Uttar Pradesh, where he met a few missionaries serving the Lord. When he saw the spiritual need of these people, God laid a burden in his heart to pray and proclaim the Gospel to them. When he was praying about it, through his friend he came to know about FMPB. Then he and his wife joined FMPB on 25th June 1987. They were sent to YCLT, Yavatmal for one year training and after completing their training they were posted in the UP state for the Church Planting ministry. Mr. Israel's family started their ministry among Hindi speaking people based at the first North India mission field Basti. After that they moved to MP State and started their ministry in Bhind, Datia etc. Due to the need of the organization, they were transferred to the mobilization ministry in AP State. So, they have been in the mobilization ministry since 2005. They were serving the Lord based at Eluru.

In 2021 April last week he was suffering from throat pain, headache etc. Later the Doctor found that he was infected with Covid'19. So, he was admitted in a hospital and there was some improvement in his health. Suddenly from 4th May his oxygen level began to decrease and he found it very difficult to breath. Rev. K. Israel entered into God's glory on 05-05-2021 due to Covid-19 in Eluru, Andhra Pradesh. His contribution to the ministry of FMPB is remarkable. The family of FMPB praises God for Rev. Israel's life and 34 years of his ministry through FMPB. Please pray for the consolation of his wife Mrs. Uttama Sri and their children.

Mrs. Stella Rani Gilbert
(1967 - 2021)

Mrs. Stella Rani was born on 7th May 1967 to the non-Christian parents Mr. Thankappan and Mrs. Gnanasoundari at Kattathurai, KK district. As she learned Tamil, English type writings and shorthand, Sis. Stella came to Chennai and stayed with her Aunty (mother's elder sister), seeking a job opportunity. Her aunty married to Mr. Dasaiyan, was a pious Christian and FMPB leader. Through this family, Stella came to know the Lord. She was interested in reading the Bible and went to the Church along with her aunty. With the help of late Mr. M.A. Victor, our Scan leader of KK Nagar, sis. Stella joined FMPB HQs as a casual volunteer in 1986.

Sis. Stella married Mr. Gilbert Williams

who was a HQ missionary, working in the finance department of FMPB, Chennai on 28th May 1990. God blessed their married life with three children, Ethel Sheeba Rani, Stegil Juliet Rani and Giftson Daniel. Both the daughters got married and lead a witnessing life for the Lord. Their son Giftson is doing final year MCA in Bangalore.

As a family, they were placed in the Chennai Mobilization ministry since 1991. After several years of ministry in Chennai, they were transferred to Tiruchirappalli and Rev. Gilbert was given the responsibility of Secretary-TN and Pondy. Then they have been involved in the South India Mobilization ministry, based at Bangalore for the last three years. Their impact in the mobilization ministry was remarkable.

Mrs. Stella Rani's husband Rev. Gilbert was the first person in the family who was infected with Covid'19 and took treatment and quarantined himself in the house. This virus gradually infected Mrs. Stella and their younger daughter and son too. Mrs. Stella was unable to breathe freely and became very weak. Although she was admitted in the hospital, her oxygen level was fluctuating. On 8th May, around 4.45 am she went to be with the Lord, leaving her loving family. Her body was buried in Christian cemetery, Bangalore.

As a family of FMPB, we praise God for the life and ministry of our beloved sister Stella Gilbert and we pray that God would console Rev. Gilbert Williams, the two daughters' family and the younger son.

Mrs. Shanthi moved to North India (UP) along with her aunt Mrs. Daisy Victor Packiraj (FMPB Missionary - Retired) where she worked in FMPB as a volunteer after the completion of Bible training at Allahabad Biblical Seminary. During her visit to many mission fields in North India, God gave her a burden for the unreached and she committed herself to God's ministry. Mrs. Shanthi married Rev. Anantharaj on 19-08-1988 and joined FMPB full time on 15-10-1988. Rev. Anantharaj and Mrs. Shanthi were blessed with two Children, Ashish Prem Raj and Abishek Santhosh Raj. Bro. R. Mohan (1988 - 2021)

Brother R. Mohan was born on 15th June 1988 in Nayandahalli village of Dharmapuri district, Tamil Nadu to the parents Mr. Raman and Mrs. Muniyamma who were the followers of another faith. As his mother became a Christian, Mohan had an opportunity to read the Bible. After reading the Bible regularly, the Spirit of God led him to the truth and he accepted Jesus as his personal Saviour and Lord. He started attending worship service regularly and began to grow in the Lord.

One day when he was reading the Bible passage, God spoke to him through the verse John 12:25-26. This passage motivated him to follow Jesus and to serve Him. Then he started reading many missionary biographies. That motivated him to do something for the Lord. So, he

started to preach the Gospel to others along with his friends.

Once he had a chance to read 'Araikooval' and was motivated to do the ministry in North India. He joined FMPB in the year 2017 and was sent to Jhansi for missionary training. After completion of the training, he worked in Rajasthan with the Jeep Team. In the year 2019 he got married with Sister Archana and both were placed in Kanpur region of Uttar Pradesh. Within a short span, he covered three villages with the gospel and God enabled him to bring 11 persons into His fold. He started a congregation.

When the Covid'19 waves attacked the Kanpur Region and Bro. Mohan was also infected with Covid'19. From 26th April 2021 he had fever and took treatment from a clinic nearby. On seeing the fever continuing for more than three days, the missionaries of that area took him to the hospitals in Auraiya on 29th May, but they could not find any place. Finally he was admitted to a hospital in Mithi city. On 2nd May 2021 he felt uncomfortable in breathing and went to be with the Lord. Our senior missionaries and Presbyterian Church Pastor Xavier helped for the funeral service and his body was laid down in the Christian burial ground at Kanpur. Within a short span of time Mohan did what he could do for the glory of God.

He was known among his fellow missionaries for his patience, politeness, humility and commitment. He is survived by his wife Archana and 8 month old son Jason Jenish. Kindly uphold them in your prayers.

Educational needs for the missionaries' children

With much grateful hearts we thank each of you for your prayers and support in meeting the needs of the educational needs of missionaries' children in the last year. We would like to share the financial needs of the education of our missionaries' children in the current financial year 2021-22.

As you know, our missionaries are working in remote places of our country, they educate their children in placing them in the hostels, and our Mission has been supporting their educational needs in many ways. Although the hostels have been temporarily closed down due to the wide spreading of Covid'19, we have to meet their educational needs such as purchase of books, tuition fees etc., apart from the hostel expenses. As the educational institutions were closed in the last educational year, we had spent only Rs. 92,73,408/- for the missionaries' children education.

Rs.2.5 crore is budgeted for meeting the total educational needs in the fiscal year 2021-22. We may require this amount if the Covid'19 comes to an end and the educational institutions reopens. We have fixed Rs. 2000/- per month as the educational scholarship for each missionary kid. We encourage you to participate in meeting this need. May our Lord richly bless you and reward you for your sacrificial giving.

If you need more information regarding this, please contact the mobilization secretaries or honorary mobilization secretaries or local prayer group leaders.
