## Apostles, the Firebrand!

**T**he early Apostles of Jesus Christ were ordinary men whom God used in an extraordinary way. Interestingly, not any of His chosen apostles was a scholar or rabbi. They were common, working class men with no political influence or special status. In fact, seven out of the twelve were likely fishermen. Not a single one possessed the kind of impressive resume.

Even after becoming the followers of Christ, they were found with human weaknesses. They desperately tried to believe Jesus, but did not know how to trust; wanted to be courageous, but were cowardly, aspiring to love others and renounce self, but at times were egocentric and manipulative. They wanted to be devoted, but did not always succeed. They fought and argued a lot between themselves, but they also learned how to love and taught others to love. They had great faith, at the same time Jesus rebuked them for their little faith at times. They sometimes struggled to pray even at crucial moments (Garden of Gethsemane). They loved Jesus and gave their whole lives, but they also ran away from Calvary to save their own lives.

After witnessing Jesus' resurrection and ascension into heaven, the Holy Spirit transformed the lives of these twelve common men, flawed though they were, into powerful men of God who turned the world upside down (Acts 17:6). They faced their enemies without flinching, even challenging nose to nose the Jewish Supreme Court that had ordered the execution of their beloved Lord and Saviour, praising God when beaten, getting back and brushing the dirt off their robes after being stoned and left for dead, and beheaded for the faith! (Acts 4:8-12; 5:40-42). They willingly submitted themselves to torture, imprisonment, and death for the glory of Christ. All of Jesus' twelve Apostles (except for John & Judas) died horrific deaths for refusing to relinquish their faith in Jesus. Accordingly, they are called "Martyrs." In fact they became the flames of the Gospel that would spread across the face of the earth and continue to burn bright throughout centuries to follow. Christianity has spread like a wild fire because of their sacrifice.

Though the office of the Apostles no longer exists in classical sense today, the gift of apostleship continues as missionary work in the Biblical sense. The followers of Jesus Christ are called to be 'Apostles' in one or other way (Matthew 28:18-20; 2 Corinthians 5:18-20). Yes, it is the will of God that we all should be His apostles, the firebrands who can set ablaze minds and hearts of others with the illuminating fire of the loving knowledge of God and His Kingdom. Concerning this, our God gives us the promise that "He makes His angels spirits, and His servants flames of fire." (Heb.1:7).

- JJ. Harris (Communication Dept.)

**"There is an urgent need for the emergence of a new generation of apostles anchored firmly in the Word of Christ, capable of responding to the challenges of our times and prepared to spread the Gospel far and wide." - Pope Benedict XVI**

**"The cross where Jesus died became also the cross where His apostle died. The loss, the rejection, the shame, belong both to Christ and to all who in very truth are His. The cross that saves them also slays them, and anything short of this is a pseudo-faith and not true faith at all." - A.W. Tozer**

**"We need a dedicated minority who, like the apostles of old, are willing to be called the scum of the earth and a spectacle to the world for the scandal of the cross."-Van Haver**

**And God has placed in the Church first of all apostles, second prophets, third teachers, then miracles, then gifts of healing, of helping, of guidance, and of different kinds of tongues. (1Cor.12:28)**

## From the General Secretary...

**D**ear Partners in the fulfilment of the Great Commission,

Greetings to you all in the mighty and matchless Name of our Lord and Saviour Jesus Christ.

### Required Qualities for Vision Realization:

In Acts 6, when there was a dispute in the early Church with regard to the distribution of food between Hellenistic Jews and Hebraic Jews widows; the Apostles suggested to select 7 people to oversee the work, so that their call and commitment for prayer and ministry of the Word would not be disturbed. Verse 3 of Chapter 6 says, "Therefore, brothers, pick out from among you seven men of good repute, full of the Spirit and of wisdom, whom we will appoint to this duty" (ESV).

The qualities needed and looked for to wait on tables are good reputation, full of the Spirit and of wisdom. High qualities are required for ordinary work. Because people with godly qualities were selected for every work of God, it resulted in Acts 6:7 "And the Word

of God continued to increase, and the number of the disciples multiplied greatly in Jerusalem, and a great many of the priests became obedient to the faith" (ESV)

Two important lessons for us to learn - we may be doing missionary work or conducting prayer meetings or arranging meetings or collecting support-money or writing receipts, whatever it may, the qualities mentioned above are required irrespective of the job we do. Secondly the primary purpose of our lives i.e. sharing the Good News to the lost souls cannot be replaced by any other work. We need to pray that the Lord may give us those qualities of the seven and we may focus on our only obligation that is taking the Gospel to the people of our nation through anything we do.

### Praying for the Forthcoming Meetings:

The month of September is lined up with many important meetings of our organization which needs your earnest prayers. The Finance Management Committee is scheduled to be on September 11th, following the Ministry Council from 15th to 17th of September along with a day of fasting prayer. The Executive Committee will be conducted on 25th of September and the General Body will be conducted on 26th of September.

## Thanking the Treasurer and the Outgoing Executive Committee Members:

The present Executive Committee is completing its term of 3 years with their last meeting in September 2021 and our beloved Treasurer Mr. Mani Samuel is completing his 6 years as Treasurer which is the maximum possible, continuously in FMPB. I would like to thank all the Executive Committee members from the depth of my heart for their excellent service to the organization. Treasurer Mr. Mani Samuel has done a marvellous job as Treasurer for 6 long years, carrying the heavy burden upon his shoulders, spending long hours and often burning midnight oil. May the Lord reward all of them from His riches.

## My Visit to National Institute of Missions:

I visited our Missionary Training Centre in Jhansi in the first week of August and taught the trainees on Cross Cultural Communication. 6 missionary trainees will be completing their training and moving to the mission fields by the end of September. Another batch of 24 trainees have joined for a 10 months training, starting from August 1st. 8 new missionary candidates were selected in the 24th July interview and sent to different places for 'field exposure.' We need to thank God for the young men and women He has given us and remember them in our prayers that they may be made as great vessels in the hands of the Lord.

## Appointment of Divisional Heads:

The previous Executive Committee has appointed Rev. Solomon Gnanasekhar as the Secretary for Field Division and Rev. Vijay Prasanna Isaac as the Secretary for South India Mobilization Division. Both of these dear brothers are having long years of service in FMPB and have served in different management roles in our organization. Please pray for them and their families.

## Important visits:

God enabled me to meet the Bishop of Trichy -Tanjore Diocese CSI, Rt. Rev. Dr. Dhanraj Chandrasekaran, on 27th July along with some senior leaders. The Bishop warmly received us and discussed important national concerns related to the ministry.

God willing on 2nd September, I will be meeting the Moderator of Northern Evangelical Lutheran Church, Most Rt. Rev. Bajel Murmu, with a few senior field leaders. We praise God for the Church leaders for their ardent support of our mission of reaching the nation with the Gospel.

Our prayers remain for all of you.

Your fellow sojourner in God's Mission

## 'ACTS OF THE APOSTLES' IN THE MISSION FRONTIERS!

*"Through Him we  
received grace and  
apostleship to call  
all the Gentiles to  
the obedience that  
comes from faith for  
His name's sake."  
(Rom. 1:5)*

**T**he Apostles [one who is sent out] were the ones who literally sacrificed their lives for the planting of early Church and its growth. Hailing from various backgrounds, they accomplished wonderful things due to their dedication, unity and the power of the Holy Spirit. Those Churches planted by the early apostles have multiplied and are standing all over the world.

This glorious incident is not a miracle that happened overnight. The commandment given to the apostles by Jesus Christ before His ascension was diligently followed and they were scattered all over the earth. In accordance with this call, the apostles who closely followed Jesus, leaving their families, moved from nation to nation and shared the Good News to one and all.

They were even threatened by the opponents not to proclaim the Gospel. When these apostles went village after village carrying the Good News, against the wishes of the opponents they were beaten. When multitudes hearing the

Gospel responded positively and became the disciples of Jesus Christ, they were imprisoned and tortured. They even lost their lives just for the sake of the Gospel.

Those opponents who were expecting to put an end for the preaching of the Gospel, by threatening, imprisoning and torturing their bodies were ashamed, when their plans did not materialize in stopping the people becoming Christians and preaching of the Gospel. In Acts 2:47, we read that "The Lord added to the Church such as should be saved."

Moreover, the believers did not step back for fear of their lives, but proceeded towards other villages and sowed the seeds of the Gospel wherever they travelled [Acts 3:4].

Are these things happening today? Are our Churches being filled with believers? Are there still apostles/missionaries who are willing to spread the fragrance of the

Gospel with such dedication? Our country India has to be reached with the Gospel, Churches need to spring forth in every village. These are the questions in the minds of every believer who has a thirst for reaching the world.

Our answer is 'Yes.' As our Lord Jesus Christ, the Head of the Church is always marching forward breaking the barriers before Him, the work of preaching the Good News is moving on. **Atleast 1000 individuals taste the love of Christ every day in India and a new congregation is being formed atleast somewhere in the country. These are not vain words spoken without evidence.**

The persecutions were acutely faced by our Churches, believers and apostles during those days when communication facilities were minimal. Even during these days of communication facilities the persecutions are mounting day by day to our Churches, believers and apostles. Yet our believers and missionaries are gaining victory through wrestling in prayers. Shall we just ponder over the ministerial happenings just now and during the times of early apostles?

---

### **1. *Unitedly waiting upon the Lord:***

---

Normally united with one mind in fellowship is considered as the most important factor for victory for their endeavours in the Christian ministries. Satan, who is not able to tolerate the victory in the ministries, tries to bring discord among the disciples who are living a life in Christ and are engrossed in ministries, but had not separated

themselves from the worldly things. These disciples with such frailties, of acting in haste, and engaged in arguments, after the ascension of Jesus, were transformed to work in unison and to act with much patience.

Jesus Christ, before His ascension had advised them to tarry in Jerusalem. In obedience to this, we observe all the disciples stayed in Jerusalem and were in prayer with one accord.

In the mission fields, when we see a fledgling congregation growing, we need to know that it is not due to the act of just one man. Many are involved in the process of Church growth namely –

Preaching of the Gospel in the streets, the services conducted in houses taking shape as a worship centre and Church, a building getting erected, and local evangelists who were raised to coordinate the internal affairs, the local leaders being trained and individuals selected to administer the committee to make the Church self-reliant and to send missionaries to other places.

These ministries are segregated and missionaries are given responsibilities of such ministries according to their talents and capacities. Some are assigned the job of preaching the Gospel from door to door, some are assigned training the local evangelists and some are assigned the job of construction and some are assigned the job to do social activities. In all these different activities, it is because the missionaries have worked in unity; even today the Churches are planted in great numbers and are flourishing like those of the early Churches.

## **2. Wonderful men involved in Power Encounter:**

The apostles, who were gathered in the upper room to pray were filled with the Holy Spirit and never disoriented themselves from it. These people who tasted the victories through prayer, themselves were directly involved in prayer, and also led others to involve in prayer [Acts 2:41, 42]. What was the result? The sick got healed through the words that emerged from the mouth of the apostles. When the apostles were moving, the people were laying the sick people on the roads with the view to get healed atleast through the shadow which will fall on them [Acts 5:15]. The believers, who learnt the power of prayers through the apostles, got engaged in prayer and as a result Peter was released from prison [Acts 12:5].

In our mission fields also, special dates are fixed for healing meetings inside the congregations, where prayers are offered for even people from other faiths too. In these days of modern medicines, people who are not healed receive their healing through the prayers conducted here. In the same way, young man who was dead during the time of Paul was raised back to life. Even today the same thing is happening in many villages. Like the lame person who was praising God, jumping and testifying [Acts 3:6-8], the persons who are healed organize meetings in their household inviting their neighbours scattered elsewhere and share their testimony. These testimonies penetrate into the society and as a result, our congregations are growing and multiplying.

## **3. Church Growth amidst Opposition:**

A congregation when it grows has to face a lot of hindrances; the key challenge being faced is opposition. There are so many reasons which cause opposition. When the opponents' income goes down [Acts 19:23-27], wealth diminishes, losing authority, pleasing a particular sect [Acts 12:1-3] zealous about the faith they follow [Acts 23:12] they start opposing our ministry. The apostles in their ministries overcame the barriers and hurdles and established congregations and won. The priests, who were the authoritative ones along with Pharisees, Sadducees, and the ruling party were filled with jealousy because the people were turning towards the new faith in great numbers, because their wealth was being dwindled, opposed Paul vehemently.

Even today, we see a lot of hindrances arising in our ministries. Taking advantage of the innocence of the people, by keeping them in fear, and exploiting them in the name of healing, extracting from them food products and money for their own use, the magicians are furious to see the people getting healed free of cost. So they instigate other people and oppose them.

The village head also expresses his anger through this opposition because his popularity is at stake as people instead of approaching him for counsel and advice to solve disputes now turn towards the Church elders and the Church pastor.

During the times of election, the politicians are opposing the Christian ministries in order to pacify a partial sect. This

opposition shows its teeth in full during the elections of Panchayat leader and Parliament elections. In the same way, the apostles surmount the oppositions; the missionaries by prayer and fasting. The Churches overturns the opposition to its fullest advantage and grow on it. Like Paul, who was a nightmare for the believers and had a sudden change of heart and led many leaders to accept Jesus Christ and lead exemplary lives. The present day missionaries turn their opponents to become pillars of Church.

#### **4. Services conducted in proper ways:**

While Gospel was preached, people were led to repentance. In Church planting ministries in villages and cities, we need to guide the planted Churches to stand firm in adverse circumstances. Satan will never allow Churches to grow without any problem. Follow-up work is equally important in order to guide our believers to escape the onslaughts of Satan and to mature spiritually. The apostles used a lot of good tactics for the Church to grow in all areas.

##### **(a). Appointing elders and evangelists:**

The apostles instead of confining themselves in one place, moved to other places in order to plant Churches through preaching the Gospel, as they had a clear-cut goal of their missions. They appointed elders to lead the congregation. They also encouraged their co-workers, Timothy, Titus, Mark, Tychicus, Erastus, Trophimus, Philemon, Archippus, Onesimus etc to

see that the warmth in the Churches did not diminish [Tim.4:9-20]. Following the examples of apostles, an elder for every Church, regular worship patterns, leaders to supervise the prayer groups functioning atleast in three Churches together are appointed. That's why Churches are moving towards growth.

##### **(b). Led the Churches to become self-reliant:**

The apostles never had ulterior motives of getting something from the believers. In contrast, they worked with their own hands to meet their expenses and ministered to others [1Thes.2:9]. The self-reliant Churches were taught to render their help materially and financially to the Churches which are weak and in financial crisis [2Cor.8:1-15].

This order is being followed in the Churches established by us. The Churches were giving teachings on being self-reliant right from its inception. The income of the Church is being administered properly and is made known to the congregation members. A part of the offering is being sent for the Regional Committee. This is spent during Christmas festivals and to face the opposition whenever it occurs. The money kept in the Church treasury is being used for the Church meetings and its maintenance.

##### **(c). No compromise in doctrines:**

The apostles were very much cautious that the Churches should not side track in its messages and sermons, were firm in their teachings too. So, when divisions

threatened the Church growth, it was admonished [Acts 1:1-13], and warned when immorality tried to raise its head, to give solid teaching regarding the Holy Spirit when confused [1Cor.14] not to mingle with unbelievers during marriages [2Cor.6:14] and sharp teachings were given to the believers, so that the foundations stay strong on Jesus alone [1Cor.3:11-15].

The same sermons are being given to the congregational members these days. In case of situations created for divisions, the issues are addressed in regional gatherings by bringing solutions to settle the matter peacefully. The youth are given strong teachings regarding adultery and drunkenness. The people who get drunk are not allowed inside the worship services. The next important issue is regarding marriage. Normally, in North India, the boys are allowed to make decisions, and nobody can control them in this regard. Yet, special counselling sessions are added for youngsters to guide them properly in their decision making process. So, the family of the believers make their decisions for their children. Occasionally when our believing children get married to unbelievers, they will be guided into this faith and become members of our congregations.

It is possible to see a revival breaking in our Churches to the extent of deep repentance and changes in our societies if only the workers of this New Era could follow examples and principles of the apostles.

## Home Call

Bro. P. D. Benedict Raja (11.10.1962-29.07.2021) stood as a pillar for FMPB in Kollam area, Kerala. Although he was born in Tuticorin and grew up in Sawyerpuram, God brought him to Kollam, Kerala with a purpose of becoming a blessing to many. Through his company called C.B. Constructions, he glorified God and served Him through the ministry of FMPB. In fact, he gathered many Tamil people in Kollam and built a Church in memory of his wife called St. Stephen's CSI Tamil Church. God rewarded him with greater responsibilities to work for expansion of his kingdom. Then he became the first elected Treasurer of the newly formed CSI, Kollam- Kottarakkara Diocese. His burden for the souls is immense. He inspired and influenced people to sponsor FMPB missionaries. From a small group of people he was successful in sponsoring more than twelve missionaries. His leadership quality, decision making capacity and his indomitable will are remarkable. Let us uphold his son Er. Benher Godson through our prayers.

# Khunjan Church History

**HANUMANGARH FIELD,  
RAJASTHAN REGION**  
Beginning to August 2019

Written By  
**MRS. AGNES EDWARD**

**H**anumangarh mission field was opened on 24.10.1974, the pioneer missionaries of this mission field being Mr. I Gershome, Mr. Jimson and Mr. Durairaj families. The pioneer missionaries had a few contacts at Khunjan village through their ministry. But they did not accept Christ. After Mrs. Leela Christopher (expired on 13.4.1980) and Mr. Edward Gnanamuthu (Expired on 7.6.1990) fell as grains of wheat in Hanumangarh soil, God opened the doors for gospel at Khunjan village in 1994 during the tenure of Mr. Robert William and Mr. Johnson Tamilselvan families. God touched the hearts of people through the Jesus film that was screened at Khunjan.

The missionaries write in the Hanumangarh prayer report dated March 1994 as follows: *"At Khunjan village we were doing preparatory work for the screening of Jesus film. Suddenly a man came and asked us not to screen the film and after*

*a few minutes he left the place. Without any more hindrances we screened Jesus' film."*

In the beginning some Rai Sikhs were receptive to the gospel. The missionaries met a woman named, Mrs. Akkobai of Khunjan village who introduced Mr. Kashmir Singh's family. Mr. Kashmir Singh of Khunjan had accepted Christ in Punjab. He introduced some of his relatives. Jesus' film was screened at his house in May 1994. In Apr 1994, Mr. Robert William family was transferred and Mr. Bright Jeyakumar family joined the Hanumangarh ministry on 3.6.1994 along with Mr. Johnson Tamilselvan family.

At Khunjan village, Mrs. Akkobai's son, Mr. Mahender Singh was addicted to alcohol. Every month he spent Rs. 2000 for drinking. After prayer, whenever he drank liquor, he vomited. So he stopped drinking liquor and he accepted Christ. Night meetings were often conducted at the houses of Mr.

Kashmir Singh and Mrs. Akkobai. Another resident of Khunjan village, Mr. Prem Singh and his family members also saw the Jesus film and accepted Christ. His son, Mr. Jangeer Singh conveys how his family accepted Christ in his own words -

*"My father, Mr. Prem Singh went to my uncle's place in Punjab. My uncle was a believer. One day a boy named Aman was bitten by a snake. My uncle, Chaand Singh prayed for the boy and he became alright. My father was surprised to see the power of Jesus. And my father started believing in Jesus. He came home and told all of us about this incident. My younger sister, Paramjeet was affected by some or the other illnesses often. My father took her to many magicians and to any place where people suggested. But she was not healed from her sickness. A missionary, Mr. Johnson (Johnson Tamilselvan) came to our village and he screened Jesus' film twice or thrice. We saw the film and to whichever village he screened the film we went there to see the film. Through the film we got to know more about the Lord. Pr. Johnson told us about Christ but my father told us that we would accept Christ if my sister would get well. He prayed for us and he prayed over a bottle of oil and water and he asked us to apply it on my sister. Gradually my sister got well and God helped us in every area where we were struggling. So all of us accepted Christ. My father and mother joined the Church on 12.7.1994."*

Later on 11.8.1995 all the three children of Mr. Prem Singh also joined the Church. On 12.7.1994, twenty Rai Sikhs from Khunjan village accepted Christ. The twenty people include the family of Mrs. Akkobai and her children, Mr. Kashmir Singh's family, Mr. Gopal Singh family and Mr. Prem Singh family. A worship meeting was started at Khunjan village in July 1994 by Mr. Bright Jeyakumar and Mr. Johnson Tamilselvan at a rented house in the neighbourhood of Mr. Prem Singh. At the very first worship 20 people participated.

## CHURCH GROWTH

Slowly and steadily the strength of the Khunjan congregation increased as people started experiencing miracles and deliverance. Missionary, Mr. Bright Jeyakumar writes in the Hanumangarh prayer report dated Jan 1995 as follows: *"Mrs. Shanti from Khunjan village was tormented by an evil spirit. In spite of the believers praying for her, she was not delivered. So at 12.30 am of Dec 29th the believers came to our house and called us for prayer. Immediately we went with them and prayed for Mrs. Shanthi and the Lord delivered her."*

From Feb 1995 prayer report, *"At Suresia, believer Mr. Kala Singh and family did not have children. Mrs. Dhanobai Kala Singh had 8 abortions previously. They accepted Christ on 12.7.1994 and they prayed for the same. The Lord blessed them with a baby boy on 24.1.1995. The baby boy was christened as Samuel Jesuveer."*

For two years worship was conducted at the rented house. Then in Nov 1996, a small plot (35X50) was bought and a katcha prayer hall was built by the believers. So the worship was shifted to the prayer hall. Believers from Khunjan, Tibbi and Suresia participated in the Sunday worship.

**Church elder,  
Mrs. Neelam narrates her testimony**

*"I am Neelam of Ghandhi Nagar, Hanumangarh Junction. We were running a shop in our locality. We did not get any profit from our shop. We struggled a lot financially. Our tenant, Mr. Babu told us about a Christian radio programme which gave him inner peace. So I started listening to the radio programme and started experiencing peace. My brother-in-law's family accepted Christ before itself and my brother-in-law's son, Girish, told us about Christ and about this Khunjan Church. My husband was worried about our eldest son. His ways were not good. My husband and my eldest son joined the Church first. Two months later, I joined the Church. I was suffering from gall bladder stones then. Through prayers of Ps. Jeyakumar (Rev. Bright Jeyakumar), I got healed from gall bladder stone. I did not undergo any operation. God has helped our family in every crisis and is faithfully leading us. Four years back my husband passed away but God is sustaining us still. People in our locality come to our house for prayer and two families have accepted Christ through us. Praise God."*

**Rajendra Kaur (W/O Mr. Krishan Singh) from Bawri community narrates her testimony.**

*"I am Rajendra Kaur from Khunjan village. In my childhood I was tortured by my stepmother and I underwent so many problems. My father was working with Rajasthan roadways. After my father's death, I got my father's job. After my second confinement I developed skin disease all over my body. There were big boils over my skin. My neighbour Mrs. Kalavathy who was also a believer told me about Christ and I started coming to the Church. Through prayers I got healed from skin disease. So I accepted Christ and was baptized on 23.6.2013 by Pastor. Arulraj (Mr. Arulraj Ebenezer). My eldest son was severely affected by asthma. Through prayer God healed him also graciously. Praise God."*

**Mrs. Chinder Kaur from Khunjan village who lives in the neighbourhood of Khunjan shares her testimony.**

*"Our son, Gurubachan was addicted to liquor. He used to beat and torture my daughter-in-law, my husband and me. He was in the company of bad friends and squandered the money by gambling. Every penny that he earned was spent for liquor and gambling. There was no peace in our family. Since the Church was close to our house I came to the Church and prayed for my family. I put my faith in the Lord. My daughter-in-law also started coming to the Church and we accepted Christ along with*

*my grandchildren on 30.9.2015. Through prayers, God changed the life of my son, Gurubachan. His alcoholic addiction reduced and he stopped beating us. Also God cut his bad friendship and he stopped playing gambling. In 2016 Gurubachan also accepted Christ on 1.1.2016. God answered all our prayers and He has filled our family with heavenly peace. Earlier we were living in a mud house but now God has helped us to build a pucca house and He has blessed us with cattle also. Praise God."*

## **THE CONGREGATION AND THE COMMUNITY**

The Khunjan congregation members are from the following villages: Jandawali, Kheruwala, Gandhinagar, Sureshia, Makkasar, Town, Kola, Kishanpura, Amarapura, Tibbi, Masani, Manaksar, Nawan, Housing board colony and Khunjan. The members of this Church are from Rai Sikh, Majbi Sikh, Jat Sikh, Bawri and Bania communities.

## **THE CHURCH LAND**

In Nov 1996, a small plot was purchased for Rs. 15,600 with an area of 35X50 and a katcha Church was constructed. As the plot was too small, it was sold and a new plot was purchased on 23.2.1998 for Rs. 39,000 from Mr. Kashmir Singh and Mrs. Akkoba. A pucca Church was constructed in the latter one. The breadth of the land in the front is 54 feet and breadth at the back is 56 feet. The length of the plot is 87 feet.

## **KATCHA CHURCH**

With prayer, the foundation of the katcha Church was laid on 31.10.1996. A katcha prayer hall was constructed by the believers of Khunjan for conducting worship. On 24.12.1996 thanksgiving

prayer was conducted and the Katcha prayer hall was dedicated by Rev. Bright Jeyakumar. Sunday services were conducted at this prayer hall every week.

## **PUCCA CHURCH CONSTRUCTION**

The name of the Church is St. John Satsang Bhavan. On 8.3.1998 foundation stone was laid for Khunjan Church by Rev. Bright Jeyakumar. A prayer meeting was also arranged in which believers from Khunjan, Tibbi and Suresia also participated. After the foundation stone was laid, sweets were distributed. And the Church size is 44X22. On 23.5.1999 the Khunjan Church was dedicated to the glory of God. Also, the silver jubilee of Hanumangarh ministry (1974 -1999) was also celebrated.

## **CHURCH ACTIVITIES AND INFORMATION**

The Church committee has 8 members. Mr. Jangeer Singh is the Church Secretary and Mrs. Rajender is the treasurer. The Committee members are chosen by the believers. People brought offerings to the Church as tithe, first fruit offering, vow offering, worship offering and thanksgiving offering. The monthly offering of Khunjan Church is approximately Rs. 2800.

### **Prayer Points**

1. There are many independent pastors at Hanumangarh who preach false doctrines and they try to steal our believers.
2. Wrong impressions about Christianity which are prevalent to be wiped off.
3. Marriage problems
4. Opposition to the believers from family and community.

## Missionary Biography

### CHITTARANJAN GANSALVES

(1970 - 2008)

#### Early Days:

Chittaranjan Gansalves was born on 3rd July 1970 in Similapadi village of Angul district, Odisha. His father Mr. Mano Ranjan and his mother Mrs. Panalatha were Christians. His father was a Government servant and his mother a home maker. He had two brothers Erutty Ranjan, Deepak Ranjan and one sister Swarnalatha. As an elder boy in the family, he studied in a School near his house. His parents taught the children the Christian values from childhood itself. They used to go to the Church regularly and attended the Sunday School that helped them to grow in the Lord.

#### Born-again Experience:

Chittaranjan regularly attended the Church services but he was just a nominal Christian. He did not have any personal

relationship with Christ. In 1988, 25th July, he had an opportunity to attend a Spiritual Christian Revival meeting. In that meeting God interacted in His life and he accepted Jesus as his personal saviour on that day. He had a friend by name Brajmahin Bardhan, who mentored Chittaranjan to grow in the Lord. He spent much time in reading, meditating the Bible, and praying. Thus, his thirst for the Word of God and the fellowship with other Christian helped him to lead a victorious Christian life.

#### Call to the Fulltime Ministry:

God had given him interest in the ministry of preaching the Gospel to others. He used to go with his Church friends for the Gospel work. Later, he came to know about FMPB through a missionary meeting. He was very much fascinated by the Cross-cultural Evangelism in India. He came forward to conduct prayer meetings for missionary work and joined FMPB as a Casual Volunteer. He used to go different Church and motivate the believers to pray and give to FMPB, and also raised praying and supporting groups. His spiritual mentors encouraged him to join in a Bible College as he was very much interested in God's mission. So, he joined in a Theological Seminary and studied four years. Finally, he earned the B.Th degree. He prepared himself to go as a missionary. When he was working as a Casual Volunteer in FMPB, he had many opportunities to talk with the missionaries and got motivated to be a missionary. So, he applied to join in FMPB. He was called for an interview and was selected and sent for one-year missionary training. After completing his training, he was placed as a Cross Cultural missionary in Jharkhand State.

## Married Life:

Parents of Chittaranjan arranged his marriage. He got married to Sis. Hena Kumari, who was also interested to go as a missionary. The marriage was held on 9th April 1997. Mr. Chittaranjan was ordained in the year 2004. God blessed their married life with three daughters, and the elder daughter Mary Elvis is doing M.Sc.; the second daughter Mary Gracelyn is doing her B.Sc., and Sonali, the third daughter is studying in 9th Std.

## Mobilization Ministry:

After his marriage Chittaranjan family was given the responsibility of promoting mission in Odisha. To motivate the Christians to pray, give and go as missionaries. He used to conduct mission Challenge meetings and camps. He did his ministry based at Rourkela and did the mission mobilization ministry in the states of Odisha and Chhattisgarh. God

had given him a special talent to preach and mobilize resources for the mission. He also earned the appreciation of the seniors for a decade of his mobilization ministry from 1997 to 2008.

## His Last Days:

In the year 2008, he was admitted in the hospital due to Malaria. Within a few days, he was severely affected. Doctors gave all the possible treatment to save his life but there was no improvement. Day by day his health deteriorated and finally he lost his breath on 19th January 2008. He lived a very short life of 38 years and he completed the Lord given ministry for His glory. His sudden death shook the family and FMPB. His body was taken to his own village and buried there with the hope of resurrection in Christ.

Let us uphold his wife, Mrs. Hena Chittaranjan and the three daughters through our prayers.

- Rev. Dr. E. Rajan

suffering - A great Model!**

In Jharkhand, this model was set by the believers in the Santal Discipleship Ministry. Mathias Kisku is one of our Church elders of the Tileibani congregation. His wife got sick and became very serious. So they were not able to work in their fields. She entered into God's glory. After she passed away the next Wednesday people gathered together for fasting prayer. Mathias Kisku did not stay home worrying instead he also attended the prayer. The non-believers of his village wanted to see how he would cultivate his lands without his wife. But, his Church members understood his helpless condition, discussed and decided to help him in this regard. On hearing their words Mathias declared that now the non-believers will come to know that I am not alone, I have a family of believers who support me. Glory to God.
