Blessed 'Givers'!

FRONTLINE...

A Biblical Commentator says, "The whole basis of Christianity rests upon this one word, "Give." God, the Father gave His only begotten Son to the World and God, the Son gave Himself to redeem the people from sin. Giving pleases God because it is the very nature of God.

During the period of the Patriarchs, tithing was voluntary.

Before the Law of Tithing was given by Moses, Abraham,

Isaac and Jacob gave voluntarily 1/10th as tithe to God

[Gen.14:20; 28:22]. After the formation of the Israel community during the Old Testament period, Moses made the Law of Tithing as a compulsory one. But in the New Testament period, tithing is not a compulsory one, but God expects us to practice it wholeheartedly. "Each one must give as he has decided in his heart, not reluctantly or under compulsion, for God loves a cheerful giver." [2Cor.9:7].

A man of God says, if we have not yet given 1/10th to God as tithe, our basic Christian faith itself is questionable; and if we give still just 1/10th to God, we have not yet moved from Old Testament's Period of Law to the New Testament Period of Grace and become 'New Israelites.' God never looks at what we give, but He looks at our hearts while giving; God does not see how much we give but sees how much we keep for ourselves without giving. It will certainly reflect in our giving when we realize as to whom we are giving.

Giving is a practical expression of our worship. Extravagant giving is another side of worship which ascends before God as a sweet smelling aroma. Worship that costs us nothing is worth nothing. King David says, "I will not offer burnt offerings to the Lord my God that cost me nothing." [2Sam.24:24] Generous and cheerful giving is a proof of our love, faith and Christian maturity. Going from tithe to the total is the mark of Christian growth. [2Cor.8:7]

Giving is imperative when it comes to serving the Lord. Giving is a privilege and even Angels do not get this privilege. Giving is a gift and grace which many people do not have. Giving to God is just like sowing seeds which will in turn yield fruits to many.

India has more 'unreached individuals' than any other nations, whereas, in the present day Christian scenario, more than 80% of ministries are focussed only among the Christians and more than 90% of the offering are being spent for the Christians alone. At this juncture, our priority of giving our time, treasures and talents should go to missionary work. Let us pledge as Dr. Emil Jebasingh, one of the pioneers of Indian Missions, who says, 'let each one give a hand to send missionaries from each street across the nation for the cause of Christ.' Indeed the blessed are the givers!

- JJ. Harris (Communication Dept.)

"To participate in mission is to participate in the movement of God's love toward people, since God is a fountain of sending love." - David Bosch

But if anyone does not provide for his own, and especially for those of his household, he has denied the faith and is worse than an unbeliever. (1Tim. 5:8)

"Social responsibility becomes an aspect not of Christian mission only, but also of Christian conversion. It is impossible to be truly converted to God without being thereby converted to our neighbour." - John Stott

As each one has received a special gift, employ it in serving one another as good stewards of the multifaceted grace of God.

(1 Pet. 4:10)

FROM THE GENERAL SECRETARY...

Dear Partners in the fulfilment of the Great Commission,

Greetings to you all in the mighty and matchless Name of our Lord and Saviour Jesus Christ.

The Book of Lamentation, as the name describes is a book expresses the suffering and grief of God's people. God punished them because of their disobedience and continuing in sin despite repeated warning from God. But when we see the whole picture of Lamentation and seeing through the initial view of suffering and punishment, we can see the relationship of God, the Father with His children and the only hope and trust the children of God have on the unchanging God. Lamentations 3:32,33 says, "though He brings grief, He will show compassion, so great is His unfailing love. For He does not willingly bring affliction or grief to anyone." Our hearts fill with hope as we meditate the compassion and the unfailing love of the Lord.

Selection of the President, Vice-President, and Treasurer of FMPB:

God in His eternal wisdom and mercy helped the General Body of FMPB held in Chennai on 26th September 2021 to select unanimously the President, Vice-President and Treasurer. Mr. Reginald and Mr. James Dharmabalan

were re-selected as President and Vice-President respectively for a second term of 3 years. Both of their wisdom and experience will help the Organization to reach newer heights in fulfilling the God given vision.

On completion of Mr. Mani Samuel's two terms as Treasurer, Mr. L. Nelson was selected as the new Treasurer of FMPB. Mr. Nelson comes with lots of experience and competency in the field of managing finance. He is holding CA and ICWA degrees and got retired as the Chief General Manager of Finance and Accounts of Oil and Natural Gas Corporation (ONGC). I am sure the new Treasurer's experience and knowledge will be used by the Lord for strengthening the financial system of FMPB.

A special service was conducted in Headquarters, Chennai to introduce the three newly selected Office Bearers in the presence of Missionaries and Prayer Group Leaders. Your regular prayers for all the Office Bearers namely the President, Vice-President, Treasurer,

and the General Secretary is very much needed and appreciated.

The General Body also selected a new Executive Committee for the next three years. Please remember all the new Executive Committee members consisting of three Office Bearers, One Ex-Officio Secretary and 20 members, in your prayers that the Lord may grant them His wisdom and guidance to guide the Organization in policy matters.

God helped us to conduct the Executive Committee on 25th of September and the Management Committee on 8th and 9th of October 2021.

Important Meetings Conducted:

Two virtual conferences were conducted for the second year on 10th September 2021 for our Indian sponsors living and working in USA. The program was prepared and presented jointly by FMPB and FMPB - US members. FMPB - US has entered into 25 years of service in the ministry of FMPB.

On 2nd October 2021, a youth meeting was conducted in Thoothukudi town. Around 250 young people attended the meeting. God blessed the meeting and His work in the hearts of these young people could be seen.

I attended the prayer meeting conducted on 15th October 2021 in memory of our strong supporter and prayer warrior Rosamma Sanniyasini in Bethel Prayer House, Ambilikonam

in Kerala. From the young age of 14, she committed her life to God and lived a life of Sanniyasini and brought a large number of people to the saving grace of the Lord Jesus Christ. Her life and ministry challenged all of us gathered in the prayer meeting and I am sure it will continuously inspire people to join in God's service.

On 16th October 2021, I visited our prayer group leaders' and sponsors' houses in Kanniyakumari District who have faced the brunt of Covid'19 and a leader and a missionary who are admitted in two different hospitals. I request you to pray for all the families who lost some of their dear ones in the Corona pandemic.

A virtual meeting is being arranged to be conducted on 4th and 6th November 2021 for our sponsors and prayer warriors in Qatar. Please pray that the Lord may use this meeting to spread the vision of FMPB.

Please pray for the release of Mr. Shyam Sundar who was arrested under anti-conversion law on 25th September 2021 and still languishing in jail without bail. May all our believers and servants of God who are facing opposition and resistance be firm in their faith, call and commitment.

Our prayers remain for all of you.

Your fellow sojourner in God's Mission

Rev. John Berlin S.

In this message, I would like to explain two major points related to the title “Christian mission involvement is an obligation”. The first major point is the Biblical teaching regarding the comprehensive understanding of Christian mission. The second major point is every Christian’s involvement in Mission is an obligation - not optional.

Christian Mission Means:

We need to understand the mission of God before we explore Christian mission. Our mission is to participate with God in HIS mission. We should understand the overarching plan and purpose of God for the whole of mankind and creation. The great plan and purpose of God is expressed in Ephesians 1: 3-10 and Matthew 28: 18-20. God is the initiator of His mission. David Bosch emphasizes that, “God is a missionary God” and “The Church is participating in the mission of God.”

In Ephesians 1: 3-10 the Apostle Paul states that God’s purpose is to redeem the whole of creation, marred by sin and evil and transform it into a new creation through the sacrifice of Jesus Christ on the cross from every tribe and nation of the world. God made known to us the mystery of His will which He purposed in Christ, to bring all things in heaven and on

earth together under the headship of Jesus Christ. In Matthew 28: 18-20, we have the most comprehensive statement of God’s mission which is considered as the Lord’s Great Commission to the whole Church in every generation. The fulfilment of this Great Commission depends on the Lordship of Jesus Christ over all creation and the empowerment of the Holy Spirit.

Dr. Christopher Wright explains the three focal points in the Great Commission of Jesus Christ.

I. (1) Building of the Church:

a) Evangelism: Sharing the Good News of what God has accomplished through Jesus Christ (salvation through Jesus Christ). As we examine the Great Commission passages in the New Testament (Matthew 28:18-20; Mark 16: 15-18; Luke 24: 46-49; John 20: 21-23; Acts 1:8) we can understand the importance of evangelism.

As Oswald J. Smith stated, *“Any Church not involved in the Great Commission has forfeited its Biblical right to exist. If God wills the evangelization of the world and you refuse to support missions, then you are opposing to the Will of God.”*

David Livingstone stated, *“If a commission by an earthly king is considered an honour, how can a Commission by a Heavenly King be considered a sacrifice.”*

Robby Gallaty said, *“Mission is not for the hyperactive Christians in the Church, Missions is the purpose of the Church.”*

When I attended the Mission conference of FMPB in 1984 God convicted me to rise up and go in obedience to His Great Commission. Today my wife and I have experienced the joy of sharing the Gospel message to the Malto people when we were ministering among them.

As the Apostle Paul says let us ‘shine as stars in the universe’ as we hold out the Word of life (Phil. 2:15, 16).

b) Teaching and Discipling: (“teaching them to obey everything I have commanded you” Mat. 28: 20).

Teaching is an integral part of mission work and we are to lead the new believers into the fullness of maturity in Christ. We need to follow Jesus’ example as He spent most of His time in teaching His disciples during His three years of ministry. Later we find the apostles of Jesus engaging in teaching the new believers of the early Church (“They devoted themselves to the apostles’ teaching...” Acts 2: 42).

Apostle Paul expresses in Colossians 1: 28, “We proclaim him, admonishing and teaching everyone with all wisdom, so that we may present everyone perfect in Christ.” Paul emphasizes the importance of the whole Church exercising their spiritual gifts towards the building up of the body of Christ (Eph. 4: 11-16). If we fail in this area the consequences are infancy and immaturity of the Church (Acts 20:29-31). As a Church we need to give great importance to the systematic teaching of the Bible to all age groups of God’s people.

2) Serving Society: (through works of compassion and justice in all our activities and living. Mat. 5: 13-16).

Jesus expresses in His Great Commission that we have to teach everything He has commanded. Jesus taught about compassion and justice as we see in the Gospels. In Matthew 5:6, Jesus says that “Blessed are those who hunger and thirst for righteousness..” Later Jesus is seen rebuking the Pharisees that they have

neglected the more important matters of the law that is, justice, mercy and faithfulness. In Matthew 25: 31-46, Jesus emphasized the importance of showing compassionate service. We have to reflect God’s character (Deut. 10: 12-19; Eph. 5:1).

As Dr. Chris Wright clearly states based on the Biblical mandate that the Gospel centred Christian social engagement in the world under the Lordship of Christ is an indispensable dimension of Christian mission.

As the Lausanne Covenant (1974) states, “We affirm that God is both the Creator and the Judge of all (Acts 17:26, 31). We therefore should share His concern for justice (Gen. 18:25) and reconciliation throughout human society and for the liberation of men and women from every kind of oppression (Psalm 45:7).”

3) Caring for Creation:

(Godly stewardship of God’s resources in creation)

In Genesis 1: 28, 29 God commanded Adam and Eve to be good stewards and manage the earth with its vast resources. As God’s co-workers we are called to care for the earth as Jesus affirms in the Great Commission that all authority in heaven and earth (all creation) belongs to Him. As Jesus Christ is Lord of the earth so as God’s people we are responsible for the earth. We cannot separate our personal submission to Christ as Lord from how we live and care for the earth.

So we have seen above the comprehensive dimension of God’s mission as expressed in the Great Commission and we are to be God’s co-workers in fulfilling it.

Home Call

II. Every Christian's involvement in Mission is an Obligation - not Optional.

The International Congress on World Evangelization which met in Lausanne, Switzerland in 1974 brought together participants from 150 countries made a covenant which is stated below:

"We, members of the Church of Jesus Christ, ...we believe the Gospel is God's Good News for the whole world, and we are determined by His grace to obey Christ's commission to proclaim it to every person and to make disciples of every nation."

So every Christian is obligated to be involved in Christian mission and it is not optional. God has provided immeasurable power through His Holy Spirit (Acts 1:8) and His ever abiding presence till the end of the age for those who engage in God's mission (Mat. 28:20).

As Ron Boehme rightly expresses that *"the fourth wave of modern missions will involve people of all ages and nationalities, reaching everyone in the world, using innovative technologies and relational approaches, in all spheres of life, with every believer being missional."*

There are encouraging signs of a spiritual awakening as we could see God raising up throughout the nation Christians praying for revival. As J. Edwin Orr stated, *"Whenever God is ready to do something new with His people, He always sets them to praying."*

In conclusion, let us join together to actively engage in God's mission and prayer for spiritual revival in our nation.

- Rev. Charles Chella Kumar
Secretary, FMPB - Pastoral Care Ministry

Ms. Rosamma from Ambilikonam, Kerala finished her earthly race and entered into God's glory on 1st Oct 2021. She remained single and spent her life for the extension of God's Kingdom and salvation of the lost. In 1981 she bought a piece of land at Ambilikonam and built a beautiful House of prayer where believers gather to pray and worship our Lord Jesus Christ. She had a burden for the perishing souls and always prayed for India.

Amma loved missionaries and especially our FMPB ministry. She attended our FMPB Tamil Nadu state conference a few times and visited a few of our mission fields in Gujarat, Jharkhand and Maharashtra. Mission field visit encouraged her to involve in FMPB ministry work by sponsoring missionaries, Children and Church buildings in north India through FMPB. She decided to support our ministry financially and sponsored seventeen missionaries from Ambilikonam prayer Hall. She took effort to build a few Churches in our mission fields.

She decided to handover the House of Prayer to FMPB as she advanced in age. In January 2019 she transferred the Church and property to the FMPB ministry. We praise God for the beautiful life of our beloved amma and she left an incredible legacy to emulate for the glory of God.

- Rev. Syrus Samuel
FMPB Mobilization Ministry, Parassala

Bro. T. Duraisingh, the 'Leader of Action' in Mission Involvement!

attracted many to get involved in the ministry of FMPB. Among whom, Mr. T. Duraisingh is a legend who played a vital role to draw thousands of people to get involved in FMPB and he has left a legacy which is worthy to be emulated.

Bro. T. Duraisingh was basically a school teacher who resigned his job in the year 1975 and joined FMPB as a mission mobilizer. His unquenched thirst and vision for the mission lifted him up to the position of the National Director for the Mobilization and Administrator for this Department. In fact, he was a pioneer who broke a historical record in the mobilization ministry of FMPB. He was a good communicator of the message on mission. When many of the Indian Churches were more confined with their own affairs, he struck the chord of vision for mission and induced the Christian believers to think and turn their eyes of the ministry outside the Church where crores of Indians live without knowing the very name of Jesus. He motivated hundreds of Christians to pray and give to the mission.

Bro. Duraisingh never winded up his meetings without giving altar calls. His alter calls comprises of two important aspects i.e, calling the people to repent for their sins and calling the people to get involved in His mission. With a sense of responsibility in meeting the needs of Mission and missionaries, he always led the believers to get involved in the mission, no matter whatever be the circumstances. To meet the huge need of the field ministry, he and his team were put up in a position to raise support for the mission. Even though the task was huge and laborious, as a team they took it as an obligation to meet the needs. He never hesitated to plead for the concerns of God. All the FMPB Gideonites' Meets, Araikooval Meetings and Annual Camp saw the Hour of Action conducted by Bro. Duraisingh who always invited the Christian public to pray and support the missions. Due to his great influence, many voluntarily gave even their jewels and properties for the cause of Christ. Leading the Christian believers to get involved in mission was there even in all his spheres of breath, speech and action. He was able to introduce the Field Projects and paved the Christians to get involved meaningfully and systematically in it.

Bro. Duraisingh trained many young people to be his successors in the mobilization ministry. He set the target for raising prayer warriors and resources for mission and encouraged the young mobilizers to achieve the organizational targets. He was always a goal oriented person in his ministry. Whenever he got opportunities, irrespective of family functions like wedding, house-warming etc., he made use of that platform to promote the cause of the mission and its goals. He had an unquenching passion for mission and its needs.

FMPB today has hundreds of mission mobilizers both full time and honourary across the nation, all born out of the motivation of Bro. Duraisingh who could motivate the Christian-public means, great leaders like Bro. Duraisingh paved the way for that. We, FMPB, acknowledge his higher vision of spreading the vision of mission across the nation on which the foundation of our ministry has grown in every nook and corner of our nation. We praise God for his paramount contributions for the mission concerns and when we think of him, we still hear his singing of the song - "Sattham Kettu Sittam Seiya Azhaikirareh" which means God looks forward to hear His voice in order to fulfil His will.

- Rev. Dr. E. Rajan, FMPB

God Invites Us to Become Involved!

Involvement in ministry is a life of service for Jesus, like Jesus, and with Jesus. In fact, it is all about Jesus. God is already at work. God invites us to join Him. He could have carried out this mission of declaring and demonstrating the Good News on His own, but He chooses not to. God chooses to accomplish His purposes in the world, in and through us, the human beings. The ministry that God would like to give us with much expectation is something even the heavenly angels did not get. They do not have the privilege of involving in this precious ministry which the saints like Paul had done. The list of human beings through whom God carries out and accomplishes His kingdom purposes in the world is long. And now He would like to add our name to that list.

Missionary work is not for a selected few. If every non-Christian must be evangelized, every Christian must evangelize! The whole Church must take the whole Gospel to the whole world. Unfortunately, the vast majority of Christians are still not involved in the mission. Even after 2000 years, more than 50% of Indians are not evangelized. Today in India many are involved in evangelising the evangelized, converting the converted, baptising the baptized, comforting the comforted, but, neglecting the neglected! David Barrett, Missions Researcher says, we spend 94% of our contributions on the Christian world and 5.5% of our contributions on evangelized non-Christian world. Only 0.5% of our contributions is spent for the unevangelised world. Of the 219 languages in India with atleast 10000 speakers each,

the complete Bible is available only in 74 languages and the NT in 75 only.

God invites us to participate with Him as He seeks out those who do not yet know Him as Saviour and Lord. He invites us to participate with Him as He reaches out to help Forgetters become Rememberers. In his book on evangelism, theologian Walter Brueggemann, points out that Israel was consistently called by God from forgetfulness to remembrance of His call and purpose for their life as a nation. In the same way, followers of Jesus can be forgetful of God's activity and presence in our lives, and like Israel, need to be called to remembrance. In these ways and more Jesus calls us to come follow Him and be with Him and to participate in His kingdom purposes in the world; and as we say yes, His joy is made full in us.

If God has saved us, He wants us to be involved in ministry in some capacity. As Jesus said, "For even the Son of Man did not come to be served, but to serve, and to give His life a ransom for many" (Mark 10:45). If we are growing to be like Jesus, our focus in life should be to serve Him. One reason for so many people have not heard the Gospel is that God's people refuse to take the Gospel to them. Let us not become so accustomed to the Gospel that we fail to desire to see it spread and do whatever we can towards that end.

Questions to Ponder:

- Am I sidetracking from my primary calling? (Acts 6:1-4)
- Am I hesitant to venture in faith? (Heb. 11:8)
- Am I seeking His kingdom first and participating in the spread of the Gospel in the way He has called me to in our life situation?
- Do I raise excuses for my disobedience to God? (Jon. 1:1-3; 4:2)
- Do self-interests prevent my involvement in serving the nation? (Est. 4:13-16)
- Do I worship my work or business? (Hab. 1:15,16)
- Do I desire to involve in ministry?
- Do I procrastinate God's work? (Hag. 1:2-5)
- Am I slack in soul winning and evangelism? (Nah.1:15a)
- Am I passionate about the Gospel and the Great Commission?
- Do I consider my time, talent and treasures to do as I please? Or as a gift from God to spend in pursuit of His will? (Rev. 22:10,20)
- Do I give God only the leftovers? (Mal. 1:7,8,12-14)
- Do I consider the poor and needy when deciding how to spend my resources?
- Do I hesitate to involve in rehabilitating someone? (Phil. 15-18)
- Am I a good steward of the provisions God has given me, and am I careful to use them as He intends?

BAWAN CHURCH HISTORY

GHATAMPUR FIELD, KANPUR REGION,

WRITTEN BY
MRS. AGNES EDWARD

Bawan is a small village located in Ghatampur Tehsil of Kanpur Nagar district, Uttar Pradesh with total 258 families residing. Bawan village has higher literacy rate compared to Uttar Pradesh. As per the Constitution of India and Panchayati Raj Act, Bawan village is administrated by Sarpanch (village head) who is the elected representative of the village. Most of the villagers are from Schedule Caste (SC 37.66%) and at present it does not have any Schedule Tribe (ST) population. In Bawan village out of total population, 513 were engaged in general work activities. Of 513 workers, 166 were cultivators (owner or co-owner) while 73 are Agricultural labourers.

BEGINNING:

The Ghatampur mission field was opened in March 1991 by the pioneer missionaries of Ghatampur mission field, Mr. Azariah Raj Kumar and Mr. Raja Edwin Moses. The Bawan village was reached with the gospel during the period of Mr. Paul Daya Singh.

Mrs. Geetha from Thaga village heard the Gospel and accepted Christ through the people of another organization. Through the ministry of Mr. C R George, her husband Shiv Kumar on 11.6.2005 at Ghatampur accepted Jesus Christ. Through her prayers her nephew and niece who were suffering from some kind of sickness were healed.

Inspired by this, she started conducting worship in the school (Koriyamode, near Bawan village) where she was residing. 40 to 50 people gathered for worship there. People who came to the satsung were not believers, they came for healing and for their problems to be solved. God worked wonders through Mrs. Geetha. Soon she joined FMPB as casual volunteer (became a local evangelist later) and was taking care of Koriya sub-center along with another woman, Mrs. Shakuntala. One attendee of the worship was Mrs. Gudia's sister-in-law. Through her Mrs. Gudia from Bawan village heard of the satsung and experienced a miracle in her son's life. Here she narrates her testimony.

**First believer -
Mrs. Gudia and son Kamal:**

“Our son, Kamal was suffering from Kanthmala (Scrofula - swollen lymph nodes at the neck due to tuberculosis). He suffered a lot because of this sickness. Medical treatments did not cure him. We took him to magicians too. We spent lots of money but he did not recover. Our villagers told that he would die. My sister-in-law told me about Geethadidi who conducts satsung at the school. I told her that I will accept Christ if our son gets healed. I met Geethadidi and asked her to pray for Kamal. She gave us some prayer oil and we applied it on Kamal’s neck. Through prayers our son got healed and we decided to accept Christ. My husband and I joined the Church on 29.4.2007 at Ghatampur”

In another incident, Mr. Pratap from Bawan village had a wound in his feet. Because of it, his feet got swollen and he had pain and itching sensation. Day by day the pain increased and he went to the hospital. Doctors told that the wound was incurable and that his feet had to be severed from the leg. He met the local evangelist, Mrs. Geetha and she prayed for his problem. The Lord Almighty heard the prayer and healed Mr. Pratap. Because of this miraculous healing, Pratap accepted Christ.

The local evangelist, Mrs. Geetha went village by village riding her bicycle reaching people. Also the missionaries’ wives accompanied her for ministry. Mrs. Geetha was a tailor before. One of her tailoring partners, Geetha narrates her testimony.

Believer, Geetha and her daughter:

“I am Geetha from Koriya village. Local evangelist, Geethadidi is my friend. I was learning tailoring from her. At first, I did not know that she conducts satsung in our village. One day I happened to go to the satsung in a fellow villager’s house. I felt good at heart. Geethadidi told us that she would pray for our prayer concerns. My husband was not earning. He used to play cards and was wasting money. Whenever I told him not to play cards, he scolded me and sometimes beat me. So I badly wanted my husband to repent. I asked Geethadidi to pray for my husband and she taught me to pray also. Slowly I started growing in the Lord and I accepted Christ. Through my brother-in-law my husband got a job and he started earning money. He stopped scolding and beating me and started treating me with love. My husband, myself and our children accepted Christ and we joined the Church in 2010.”

CHURCH GROWTH:

As the people from Bawan village started accepting Christ, they invited Mrs. Geetha to conduct the worship at their village. So the worship was shifted to Ajith’s house at Bawan village. The worship continued there for 2 years.

Given below is a miracle narrated in the Ghatampur field history

“A 15 year old girl, Ms. Priyanka from Koriya village put her faith in the Lord and started attending the worship regularly. She made a vow that if she would get more than 70% in her 10th standard board exams then she would break the barriers and accept Christ. She made this vow and she prayed to God. God helped her to secure more than 70% in the 10th standard Board Exams. So she joined the Church on 21.6.2011 and was growing in the Lord. She started reading

the Bible every morning and evening and whenever she got time. One evening, her father saw her reading the Bible and he scolded her. He threatened to tear the Bible if she do the same. That same night when her father went out of the house, he saw a bright light above a neem tree. In the middle of the bright light he saw Jesus Christ. He fainted and fell down immediately. When he came to his senses, he asked pardon and promised not to oppose Priyanka anymore.” From Ghatampur Prayer report dated Dec 2012, “At Bawan, Narendra Kumar’s mother was a strong believer but Narendra Kumar went to the Sakar viswa Hari satsung. He kept some photos of that satsung and was doing puja every day. One day he got frustrated with his belief as he did not have any blessings or peace. He broke all the photos of Sakar viswa Hari satsung and he came to the Christmas service at Bawan. He confessed his faith in the Lord and he joined the Church on 25.12.2012. His mother’s dream was fulfilled that day. Praise God.”

In 2016, Mrs. Geetha’s husband, Mr. Shiv Kumar joined as local evangelist in her place. This couple vibrantly lead the Bawan Church still.

THE CHURCH LAND

Since they did not have a common place of worship, they had to shift the worship from one house to the other because of some issues. So the Bawan congregation believers prayed for a suitable Church land at their village and the Lord heard them. A 4 biswa (4500 sqft) land was purchased from Mr. Ram Lakan for Rs. 2,50,000. The Bawan Church land was registered in Jan 2013.

THE CONGREGATION AND THE COMMUNITY

The Bawan congregation members are

from the following villages: Koriya, Anupur, Ajori, Savaipur, Baripal, Keontra, Jamalpur, Chapreta, Thaga, Anviya, Asgaha, Cittauli and Bawan. And they belong to Sachan, Sankwar, Kori, Paswan, Kumar, Dhobi and Sahu communities.

CHURCH CONSTRUCTION:

The Church foundation was laid in Aug 2013 and the roof was made up of RCC. It is a pacca Church and the sponsor is Mr. Selvarji from Tirunelveli. The Bawan Church believers helped in the Church construction by involving as labours free of cost. The Bawan Church was dedicated on 22.10.2013. Mr. Suresh Malto & family was the field missionary during the time of Church construction and dedication. Local evangelist, Mrs. Geeta and Ms. Sudha were serving the Lord at Bawan. After the dedication of Bawan Church, the neighbouring landlord, Mr. Lakhan Singh Thakur opposed the compound wall construction. He claimed that the Church was constructed in his land. Missionary, Mr. Suresh Malto brought the lekhpal (a clerk who maintains the village records) twice to solve the problem. But Mr. Lakhan Singh Thakur refused to accept any solution. After 3 years of Church construction, the dispute of came to an end and the compound wall was built in 2018.

MIRACLES AND IMPORTANT EVENTS FROM BAWAN CONGREGATION:

1. Believer, Daya Shankar is from Asgaha village. He was on his way to Kanpur. The train that he had to board started moving from the station. He ran and caught hold of one of the bars of the train and he lost his balance. He fell on the tracks. But immediately he felt like someone lifting him from the tracks and made him sit aside safely. He presumed that his legs were cut by the train. But he was completely safe without any harm. Daya Shankar got escaped by a hair's breadth.

In another incident in July 2011, Believer, Daya Shankar along with a team went to attend a marriage function in a jeep. But the jeep they were travelling collided with a truck. The Jeep driver jumped out and escaped. The jeep moved forward without the driver and stopped. By God's grace, no mishap had happened. Among the 16 people who travelled, Daya Shankar was the only Christian. Through him, God protected everybody. Praise God.

2. Mrs. Anisha narrates her testimony -

"I am Anisha from Sajeti village. In 2001, my father was working in Gujarat. He was a drunkard. Because of his drinking habit, he became mad. As days went by, his kidney and liver failed. His whole body was swollen. He was taken to many places for treatment

but he was not healed. One day he went to a river for taking bath. There was a Church nearby (Peint area) and he went there. He got a Bible and started reading it. God started speaking to him through the Bible verses. He accepted Christ and he joined the Church. God healed him from all his ailments soon. My mother also accepted Christ and she too joined the Church. Then, I also accepted Christ. Earlier we were very poor. We did not have a house. But God has blessed us with 5 shops at Gujarat and a big house at our village, Sajeti (UP). Six months before my mother was suffering from stomach tumour but God healed her graciously. Few days before my son's finger got detached from his hand because of a heavy weight fell on his finger. Through prayers, God healed him also. In this way God has been leading us wonderfully every day."

CHURCH ACTIVITIES AND INFORMATION:

The missionaries who served in Bawan congregation are Paul Daya Singh family, Benjamin, Ramasamy Jerome, Suresh Malto family, Ebenezer G. Sam family, Nisha, Bharathi, Manpreet Kaur, Paul J. Srinivasan family, Madhy Sumita, Emimal and Jankholun Thouthang family.

50 to 60 people attend the Sunday service every week. The local evangelist, Mrs. Geetha leads the Sunday service. The number of the women folk outnumber the number of men at Bawan Church.

Kindly pray for the spiritual growth of the congregation and the believers themselves should reach their own people with the Gospel of Jesus Christ.

An Illiterate Lady Made a Breakthrough Through the Gospel!

In Jharkhand at Bhagaiah mission field, Rekha Rickyason from Pipri village accepted Christ in the meeting held in Chowri village. She is the first fruit among Mahadalit people. She was very happy and led a peaceful life. She was asked to pay Rs.300/ towards the celebration of other festivals. She literally refused to pay as she had given up her old practices. So the villagers sidelined her and declared that anyone talking to her had to pay Rs.550/- as a punishment fee. She was prohibited from drawing water from the village water pump too. So Rekha used to walk up to the next village Navadi to fetch water and she proclaimed the Gospel to that villagers. The villagers were astonished about the way she presented the Gospel, being an illiterate. Through her testimony, 3 families from Navadi, and one family from Pipra village have become the followers of Christ Jesus. There are some more people showing interest in the Gospel. So the very water pump in Pipra village which the villagers prohibited to Rekha is now under repair and completely out of order. Pray that all the villages to know Jesus Christ, the Living Water.

Misunderstanding about the Ministry to be Wiped Out:

In Madhya Pradesh, at Nepanagar mission field, There is a regular tussle between the forest officials and the tribal people who have cultivated the forest lands for years. Sometimes back, the forest officials had confiscated a tractor of a tribal man. On 24th September, around 150 tribal people went to the district forest office, Burhanpur, threatened the officials and brought the tractor back by force. In this incident, our church elder from Badnapur was also involved. He is playing a leading role in the tribal agitation and obtaining patta for the forest land. Now, the forest officials are angry with the tribal people and they also allege that the Christian workers are promoting Naxalite attitudes among the tribal people. Miracle of God Paved the Way for Acceptance!

In Maharashtra, at Jimmalagatta mission field, one year ago our missionaries preached the Good News in "Shada" village among the people who belong to the Gond community. While distributing tracts house by house, the villagers openly rejected the Gospel. But our missionaries did not give up and they were continuously visiting them. One family took them to their home and told them to pray for their daughter who was suffering from boils throughout her body. They encouraged them to set their faith on Jesus and offered prayer and gave water to drink. On the very next day, the girl was completely healed and her parents were filled with joy. They testified about Jesus to their neighbourhood. As a result three families are receptive to the Gospel. Hallelujah!

They belong to the Northern Evangelical Lutheran Church, Badugury. His father had a paralytic attack, and in order to meet the needs of the

family he worked in a primary school as a teacher for four years. He was not happy about his teaching profession and wanted to do ministry. As soon as his father recovered from paralysis, he resigned his job and went to Kolkotta Bible Seminary to do B.Th without any sponsor or financial support. He completed his B.Th studies in 2003 and joined with Evangelical Church of India. They sent him as a pioneer missionary along with two other colleagues to Sunderban Island where there was not even a single Church. God enabled them to establish 13 worship centres. But he fell sick and as there was no medical facility available there, he returned home for treatment. As his family members hesitated to send him back to Sunderban Island, he joined with youth ministry of Presbyterian Church of Meghalaya and went to work in Jaintia hills.

In 2005, he came to know about FMPB and joined as a full time missionary. After one year of missionary training at NIM, UP, he was placed to work among the Santal people of Jharkhand. Then he worked in the Eastern Zone Office for a period of time.
