## The Glory of 'God sending God'!

## FRONTLINE...

Christmas is not the beginning of Christ, but it is the climax of the history of the world. Jesus Christ was of the same essence as the Father and His "coming forth is from of old, from ancient days" (Micah 5:2). Christ was not made, but begotten. God Himself, in the second person of the Godhead, was sent into the earth. He came and became one of us. No other human in the history of the world shares or could bask in the incomparable and incomprehensible glory. The highest glory here is, God sent God; the true God sent from true God!

In Bethlehem, 'glory and humility' are manifested together in their extremes. Oh! What a deep descent - from the heights of glory to the depths of shame; from the wonders of Heaven to the wickedness of earth; from exaltation to humiliation; from the throne to the tree; from dignity to debasement; from worship to wrath; from the coronation to the curse; from the glory of heaven to the wretchedness of the cross! The God who made, rules, and upholds the world would now come down into the world, not as the highest, strongest, and most powerful, but as the smallest, weakest, and most obscure. God was coming not on the clouds, but was seen wrapped in swaddling clothes - full of divinity in a manger.

The birth of Jesus altered the history of the world. Jesus is often referred to as "the centre of history." No other birth in the history of mankind has carried such a greater significance. It literally split history into two. Jesus Christ is easily the most dominant figure in all history. There is no king, emperor, prophet, or spiritual leader ever who has influenced the course of history more than Jesus. He changed history like no one ever has or ever will simply because of who He is. In fact, He turned the world upside down.

Through the birth of Christ, God enters our space, time and history, and more importantly each of our own personal lives. Christ is Emmanuel, God-is-with-us. God is with each of us today in a very personal and intimate way. Jesus Christ is the Way to Glory. The Lord Jesus not only wants us to see His glory, He wants to share His glory with us. A crown of glory awaits for each one of us, if we, too, can follow His footsteps of humility and become witnesses of His glory (2Cor. 3:18). As the Christmas season envelops us with all its glory, the glory of the birth of Jesus that took place over 2000 years ago, is also inviting us to live in His glory and to lead the "millions still living outside the fold" too bask in this glory?

## FROM THE GENERAL SECRETARY...

**D**ear Partners in the fulfilment of the Great Commission,

On behalf of the family of FMPB, I greet you all in the Name of the Lord Jesus Christ, on the occasion of celebrating His first coming to this world to save mankind.

When you read this editorial, you are in the advent season which started on November 28th of this year. Advent means 'Coming' in Latin. This is the coming of Jesus into the world. In the New Testament, this is the term used for the Second Coming of Christ. Advent is the period of preparation for the celebration of the birth of Jesus Christ at Christmas and also preparation for the Second Coming of Christ.

The Advent season invites us to step away from what could be called as a frenzied time for parties and shopping to consider how we should commemorate the birth of Jesus as one of the holiest times in Christian faith. It is also a time to reflect on the triumphant return of Jesus at His second coming.

This reminds us to be thankful to God for sending His only begotten Son, so that we the wretched sinners could be saved from the curse of sins. Also it reminds us of our responsibility of preparing the way by preaching the gospel to every single soul in our nation for the return of Lord Jesus. The coming of Lord Jesus into the hearts of people transforms individuals as well as groups as exhibited through the Christmas truce during World War 1.

The Christmas truce was a series of widespread unofficial ceasefires along the Western Front of the First World War around Christmas 1914. Roughly 1,00,000 British and German troops were involved in the informal cessations of hostility along the Western Front. The Germans placed candles on their trenches and on Christmas trees, then continued the celebration by singing Christmas carols. The British responded by singing carols of their own. The two sides continued by shouting Christmas greetings to each other. Joint services were held. In many sectors, the truce lasted through Christmas night, continuing until New Year's Day.

May the Lord bring such reconciliation among individuals, families and societies during this Christmas season. "Glory to God in the highest, And on earth peace, goodwill toward men!" [Lk. 2:14].

## **Khandwa Hostel Dedication:**

The hostel building cluster for the Boys hostel, built in Khandwa, Madhya Pradesh was dedicated for God's glory on 20th October 2021. The campus consists of a dormitory, a missionary quarter, staff quarter, an office room, dining hall, kitchen, and a storeroom. I thank all the donors who have contributed for this project to provide a good staying place for our believers' children of Khandwa Region.

## **Meeting with Gujarat Bishop:**

The President and myself along with the Field and Mobilization Secretaries had a fruitful meeting with the CNI Gujarat Diocese Bishop Rt. Rev. Silvans Christian along with the Diocesan Vice-President, Treasurer and Executive Committee Members on 23rd October 2021 in FMPB LTI Campus, Fokdi, Netrang in Gujarat. In this cordial meeting the relationship between CNI Gujarat Diocese and FMPB have reached a higher level through the important decisions taken to work together through prayer and support.

## **Need of missionaries:**

Though we know the number of people of our country yet to be reached with the Gospel, pondering over this, in person gives a new level of burden. On 24th October we attended a worship service in the Vindhya hills of Madhya Pradesh. While travelling, the Zonal Secretary Rev. Joseph Durairaj shared that 70 villages of a particular

area are not reached with the gospel. Like this there are thousands of areas waiting to receive the gospel. The need for cross-cultural missionaries is huge. Please come forward to pray for this important need as per Matthew 9:38, "Therefore pray to the Lord of the harvest to send out labourers into His harvest."

## **Future is brighter in Christ:**

On 4th November, 19 young people committed to serve the Lord as prayer group leaders in Avadi mobilization region in Chennai and committed themselves in the hands of the Lord in prayer. The voluntary services of our prayer group leaders continue from generation to generation which gives a big hope for the future of our ministry.

## **Home calling of Mrs. Lidia Juliet Augustus:**

Mrs. Lidia Juliet Augustus aged 49, our missionary in Tamil Nadu Mobilization Western Zone entered into God's glory on 16th November 2021 at Salem. Please pray for Rev. Augustus Pushparaj, western zonal mobilization secretary, and son Jonathan, that the Lord may strengthen and comfort them.

Merry Christmas to all our missionaries, Prayer group leaders and supporters.

Your fellow sojourner in God's Mission

## The Arrival & Call of The God of Ages!

*In the wilderness prepare the way of the LORD; make straight in the desert a highway for our God. [Isa. 40:3]*

**T**he month of December is popularly known for the celebration of Christmas, the Birth of Jesus Christ. Oh, more than thousands of years have passed by after the birth of Jesus, yet crores of people remain without hearing the Name of Jesus. The fall of Adam led God to give His only begotten son for the salvation and give a promise regarding that. (Gen. 3:15)

We read about the call of Abraham in Genesis Chapter 12. Abraham heard God's call in his 75th year; blessed with a child in his 100th year; his descendents remained as slaves in the land of Egypt after the death of Joseph; under the leadership of Moses, they were delivered from bondage. During the time of Joshua their settlement takes place in the land of Canaan, the rule of Judges during

which people requested Samuel for a King's rule. Of all the King's rules, David's reign was the best. During Solomon's reign, the temple of Jerusalem was built and after his reign, the kingdom was divided into North and South. The people of Southern kingdom were taken as captives to Babylon for 70 years; returned back during the time of Zerubabel and resumed the construction of the temple. Tradition slowly raised its head and gradually Traditions overruled the Law. The proclamation of the prophecies from the prophets was not weighed as important so their hardened heart and refusal to heed to the voice of God kindled the wrath of God. In Malachi 1:10 God expresses, "Oh that there was one among you who would shut the doors, that you might not kindle fire on my altar in vain! I have no pleasure in you, says the Lord of hosts, and I will not accept an offering from your hand."

For 400 years God never spoke with men and this is called the "Dark Age" in history. These are the years falling between Malachi & Mathew of the OT and of NT- the period between the Old Testament and the New Testament. Even as the years rolled by, the Lord was not sitting idle. Without breaking the promise He was preparing the world for His coming. But when the fullness of time had come, God sent forth his Son... [Galatians 4:4].

### The defeat of the Greek Wisdom:

This was the age of the Greek philosophers Socrates [BC.469-399], Plato [428-348] and Aristotle [384-322]. During the age of Philosophy when these people ventured to find answers through their intellectual capacity by asking, Why? What for? They were not able to find any answer. Their research could not get to the ordinary folks around.

## The Greek Language:

The Greek language was considered as the world's renowned Language. All the people who learnt Greek enjoyed a special social status. Whenever Paul used this language, people listened to him with much interest. As Paul was about to be brought into the barracks, he said to the tribune, "May I say something to you?" And he said, "Do you know Greek? [Acts 21:37]. When Paul spoke in Greek, many listened to him. Greek was very useful for introducing the Gospel and the ministry to follow.

## Roman Empire:

The Roman Empire which gained power following the Greek Empire has established its Name as the world's powerful empire. The system of judicial enquiry, road developments and entertainments were considered great during their reign. 'All roads lead to Rome' was a famous saying in those times. As the roads were well developed from all provinces to reach the capital city of Rome, Paul found it very easy to carry the Gospel to all the places around.

## The System of Judiciary:

During this time, the enquiry was conducted with integrity and systematically. The victim too had the privilege of defending himself as opportunity was given to him also equally. The system of giving verdict and punishment were meticulously planned. Only the Governor was given the authority to pronounce the death sentence on the victim. That is how Jesus was taken before Pilate, the Governor. As the system of passing judgement was systematically handled, peace prevailed in all the cities. This paved the way for the Gospel to be carried peacefully to all the places.

## Entertainments:

Big open theatres were built in all the major

cities for the people to witness the fights between men. In such fights sometimes no one was left out to get the prize, because all the participants would die. In such times when human dignity and life were not considered at all, God came into this world to teach the importance of human lives. Jesus said, "Love your neighbour as yourself" [Mk.12:31]. It was a period during which the relationship between man and woman was transparent to that extent that the word 'shy' was not at all to be seen in their dictionary. But according to Jesus, "everyone who looks at a woman with lustful intent has already committed adultery with her in his heart" [Mat.5:28]. Therefore, when the fullness of time had come, God sent forth his Son, born of woman, born under the law, to redeem those who were under the law, so that we might receive adoption as sons [Gal.4:4-5].

## Expectation of the Messiah:

Jews were spread across the Roman Empire. Their lifestyle differed from others around. Their way of worshipping God, eating habits, their living habits, cultural observances were always different from others. When others were worshipping many Gods, these people worshipped only one God. That's why other peoples' eyes were always on Jews. Their message was clear- Messiah is to come and He will rule as King David. When a Jewish lady gives birth to a child, she brings up the child with an expectation of it being a Messiah. Just because of this expectation, the moment Herod heard that the Maggies had come, he called the scribes to enquire about the birth of the Messiah (Mat. 2:4). They too referred to Micah 5:2.

In John chapter 4:25, while Jesus was conversing with the Samaritan woman, she

said that she was aware of the fact that Messiah would come. During such a time when people were expecting that a Messiah would come as a Jewish King, God was born as a Man.

Many great people have been born in this world that has brought changes in the society and freedom for nations. But Jesus entered into the world as a Saviour for Mankind. If God himself is going to be born on this earth, then it must have been proclaimed even before His incarnation through prophets.

### **The prophets prophesied the birth of Jesus in the following verses.**

Micah 5:2 about the city he is to be born

In Isaiah 11:1 about the family in which he will be born

In Isaiah 7:14 that He will be born through a virgin,

In Isaiah 9:6 about His Character & responsibilities.

In Isaiah 53, He will bear the sins of mankind.

He came into this world as He had promised in the fullness of time.

### **Other Philosophers:**

Now let us turn our eyes on the other philosophers. TACITES, the historian of the Roman Empire, has written like this... 'the Truth that the Eastern Countries would be on the top in religious piety, and a ruler would emerge from Judea to rule the world was a belief found among all the Jews in those days.'

Even in the history of China, it is said that during the reign of the 24th year, 8th month, on the 8th day of Swang, the Chinese ruler of South West, a light lightened his palace.

The wise men over there had told me that in the province of West a great man will be born and His message will be preached in China too. Even the Greek philosophers said, "Wait until God appears in order to bear our sins on His shoulders and do not expect another end."

Socrates & Aristotle too expected a great man by name Boaz to appear soon. The Rig Veda too points out that a Prajapathi, a Godman who will be supernatural will be born into this world. So the history of the world too reveals that all were expecting the birth of a Saviour.

The Bible contains 845 references regarding the second coming of Jesus. 318 times in the New Testament and is depicted as the first and foremost theme in 17 Books. We can read about this very carefully in the books of Mathew 24, Mark 13, Luke 21, II Timothy 3 and 2 Peter 3 and understand it better. His second coming was predicted by the prophets, then by Paul and Peter, and Jesus himself has said about that. In Revelation 22:20 too the book ends with the phrase, "Lord Jesus Come."

Jesus Christ has referred to many things pertaining to His second coming which are being fulfilled during these times. Clashes between nations, the war cry, all bring a fear among ourselves. Even the competitions between the countries regarding the nuclear weapons denote the preparations towards world war. The rulers divide their people in terms of religion, caste and race and rule over them. One group is not able to accept another group. All these reveal the confusions prevailing in the political arena. For nation will rise against nation, and kingdom against kingdom, and there will be famines and earthquakes in various places. [Mat. 24:7]

For nearly two years Covid 19 has paralysed the world from functioning. Now almost all the people have become aware of the pandemic in every nook and corner. The scarcity of food is raising its head. A ruler of a country has commanded his people "Please reduce the intake of your food." This captures the picture of famine and shows that the famine is around the corner. Earthquakes used to be headlines in some papers during former times. Today this is happening everywhere. These natural calamities denote that the second coming of Jesus Christ is imminent. These are the beginnings of troubles. The planets in heaven will be moved. The hearts of men will falter seeing the calamities falling on the earth. Apart from political confusions, and natural calamities, things regarding the false prophets too are explained here. And many false prophets will arise and lead many astray. And because lawlessness will be increased, the love of many will grow cold [Mat.24:11-13]. The moral lives too will not be proper. The News that is being circulated in the Newspapers are all sinful. The person who needs to be a teacher is endangering the life of a child by hanging the child upside down from the first floor in front of other children. So the love of many have faltered. There will be terrible times in the last days. People will be lovers of themselves, lovers of money, boastful, proud, abusive... So the attitude of men has changed for the worse. People live a life as if money is the sole ingredient of life [2Tim. 3:2]. All these point to the second coming of Christ Jesus.

Jesus said, 'His Gospel of the kingdom shall be preached in the entire world for a witness unto all nations; and then shall the end come [Mat. 24:14]. In Thailand 1435 persons have been baptized on a single day.

This has happened in the midst of Covid epidemic. Thus the Gospel is spreading across the nations speedily. All these things tell us that the second coming of Christ Jesus will happen very soon. If He comes now, what will be your position? If you have not owned Jesus Christ as your own, please own HIM now. For that, you better confess your sins, repent and accept Jesus Christ. Those who do not have the experience of Salvation will not enter the Kingdom of God.

Are you engaged in the work of introducing your Saviour to others? We need to tell about Him to others in order to speed up His second coming. Along with Peter who says in 2 Peter 3:12 we too must be waiting for and hastening the coming of the day of God... The word 'waiting' can also be interpreted as 'hastening' also. If we need to hasten His coming, we need to take the Gospel all around. So what is your role in this?

If someone asks, "Do I have an opportunity to share the Gospel?" The answer is yes. There are so many opportunities. One can make use of this magazine Araikooval to pray for the unreached to be reached with the Gospel. One can go in search of others who are seeking the true God and share the Gospel. One can be involved in social work for the benefit and growth of the society. One can work in educational institutions to impart education to the underprivileged people who do not have access to the education. Lots of opportunities abound around you. You need to decide - Decision is in your hands.

*"Come" invites Christ Jesus  
Before the celebration of Christmas  
Dedicate yourself for His Cause  
For a meaningful celebration.*

## CHRISTMAS CELEBRATION BY KRUX PEOPLE OF CHHATTISGARH

**F**riends Missionary Prayer Band initiated its ministry among the KRUX people group in the month of October 1993. Till date approximately 12,500 persons have joined the fold of Jesus Christ. This people group is spread across the seven mission field jurisdictions of Ludeg, Pathalgaon, Sitapur, Ambikapur, Tapkara, Lakanpur and Rajpur. Nearly 500 children are blessed by our hostels which function in 5 places namely Ludeg Boys Hostel, Pathalgaon Girls Hostel, Thildegga Day Care Center, Raghunathpur Boys & Girls Hostel. 15 missionaries and 25 local evangelists are involved in this area to take care of their spiritual growth.

These people are Dravidians. Approximately 50 lakhs people are spread across the states of Chhattisgarh, Jharkhand, Orissa, Bihar, West Bengal and Assam. If the Dravidians volunteer to work among this group there may not be any difficulty as their appearance, stature and colour of the skin are matching with this people group. These people who reside in the hilly forest areas are excellent in hospitality.

Generally they are afraid of the upper caste people. Dancing and singing induced by liquor is the most important part in their festivals. Others come to buy liquor from them as they excel in brewing liquor. Liquor is

introduced to their children right from their infant age. Their staple food is rice which they themselves cultivate in their fields. They are simple folks who do not bother whether the food is boiled to the correct consistency or not. Yet God remembered them, cared for them, worried about them and turned His eyes towards them to show mercy on them. He sent our missionaries to work among them to win the winnable. He chose them to deliver them from their sinful habits and to transform from unmindful of anything to be people mindful of the Kingdom of God.

They keep their houses spotlessly clean as the tail Proverb goes like this. "Cleanliness will earn food" When an outsider comes in, they clean their feet with water, apply oil and moils them, then only invite them into their houses.

**Before they come to Jesus Christ,** they will not celebrate any festival without liquor. But after the birth of Christ in their hearts, Liquor lost its importance.

Before coming to Christ, under the stupor of liquor, people had fallen on the streets, with loss of senses. But now, they worship the Lord Jesus Christ by singing and dancing and they prepare dinner in their houses and share with others.

A new light had dawn on them now. On the day of Christmas, they are neat and tidy and wear new clean clothes and celebrate with joy the birth of Jesus.

Yes the birth of Jesus Christ in their hearts and houses made a tremendous impact in their day to day life.

### **The Month of Celebration of Christmas:**

The preparation of this celebration starts right in the second week of Christmas. To start with, they whitewash their house or plaster with a mixture of cow dung and hay or renovate their house to have a new look. This plastering appears as if the house is planted with black paint on the upper wall. The lower part of the house is painted with a mixture of red soil and cow dung which gives a look of red paint. They are indeed true artists who have an eye for colourful arts. Even a grass becomes a weapon in the hands of the powerful - so goes a Tamil proverb. In the hands of the Krux people even a mixture of cow dung and red soil turns into paint.

During the Christmas season stars are displayed in their houses. As the houses are not high they keep a pole of 40 to 50 feet high and hang the stars on it to make others know the birth of Christ Jesus. Some

tie a flag of attractive colour along with the star. Even though their knowledge about Jesus is less, their desire to make known the Birth of Jesus to all is really great. Their fear for the upper class disappeared and they are proud to confess that they are Christians. Birth of Jesus erased their fear, planted courage and made a change in their hearts in their thoughts and living patterns.

Along with the Gospel they accepted the practice of singing Carols door to door. So Carol rounds happen during this time.

### **The Week of Christmas:**

New clothes are purchased for all at their homes. As the children studying in the hostels will be gifted with new clothes, the parents do not purchase for them.

They specially prepare some eatables at home and some buy from the shops. In all the children homes special programs are being practiced and enacted during these times. These people enjoy seeing those programs which normally end with a love feast.

4 or 5 Church congregations join together in conducting these services in unison. This happens during the day time. During this week, cultural programs will take place, each congregation will present a program and prizes will be distributed. It comes to an end with a non-vegetarian love feast meal either vegetarian or non-vegetarian.

### 25th December:

In some congregations early morning service will be conducted. Mostly Sunday services will be conducted as special services. Like the Israelites they clean

the houses, prepare food and after taking bath only will they gather in the Church to worship. From each and every household, eatables will be brought to the Church. They prepare in order to distribute to their neighbours and visitors. After the Church service, it will be served to all. Children will also recite memory verses during the worship. Nobody will be sent away without providing them food.

Thus the Krux people celebrate Christmas with much enthusiasm. All the members of the congregations are considered and respected as special guests during the festive season.

## TRAIL BLAZERS

### 'Take My Life and Let it be...' in this Christmas

The message of Christmas can be complete consecration. "Take my life and let it be consecrated Lord to Thee" is the message of the manger in which the Holy Baby was placed. It was on Advent Sunday, December 2nd, 1873; Francis Ridley Havergal first saw clearly the blessedness of true consecration. She says, "I saw it as a flash of electric light, and what you see you can never unseen. There must be full surrender before there can be full blessedness. God admits you by the one into the other." Explaining it to her sister she said "I see there can be renewal of the surrender (which she called complete consecration), as in our Communion Service, where we say, "And here we offer and present unto Thee, O Lord, ourselves, our souls and bodies."

Thus the hymn originated some time later after this complete consecration, when

Francis Havergal

she had a visit to Areley House, in Worcestershire. Narrating it in her own words she said: "I went for a short visit of five days. There were ten persons in the house, some unconverted and long prayed for, and some converted but not rejoicing Christians. He gave me the prayer, "Lord, give me all in this house!" And He just did! Before I left the house, everyone had got a blessing. On the last night of my visit I was too happy to sleep, and spent most of the night in praise and renewal of my own consecration, and these little couplets formed themselves and chimed in my heart one after another, till they finished with, "Ever, ONLY, ALL for Thee!"

Indeed all her poetry was a complete consecration for her Lord. Revealing the methodology of her writing she says "I can never set myself to write verse. I believe my King suggests a thought and whispers to me a musical line or two, and then I look up and thank Him delightedly, and go on with it. That is how the hymns and poems come into existence. Just now there is silence. I have not had the least stir of music in my mind since I wrote that tiny consecration hymn, a most unusually long interval; and till He sends, there will be none. I am always ready to welcome it and work when it comes, but I never press for it." Oh what a consecration! What a blessing!

One of the lines of Frances Havergal's hymn says, "Take my silver and my gold; not a mite would I withhold." In 1878, four years after writing the hymn, Miss

Havergal wrote to a friend saying, "The Lord has shown me another little step, and, of course, I have taken it with extreme delight. 'Take my silver and my gold' now means shipping off all my ornaments to the Church Missionary Society House, including a jewel cabinet that is really fit for a countess, where all will be accepted and disposed of for me... Nearly fifty articles are being packed up. I don't think I ever packed a box with such pleasure." Hence she donated her collection of jewellery to a missionary society to raise money for mission endeavours.

Wherever she went, she conducted meetings for complete consecration for the Lord. One account recalled, "Sometimes the earnest worker would conduct consecration meetings, and there is an account of one such meeting in particular, at the close of which she gave each person present a card bearing the words of the hymn, and asked them to take the cards home, pray over them, and then, if they could make them their own, sign them on their knees." Such was her desire to see the entire consecration in all the Christians of her day. She was a great encouragement to help many to turn to Christ or seek a deeper spiritual walk.

Indeed it is hard to think of a greater hymn of consecration for the Lord than Francis Havergal's "Take my life" which continues to encourage Christians all over the world for complete consecration. Not only was her heart and soul devoted solely to the Lord, but all that she was - her mind, her eyes, her ears, her mouth, her hands,

and her feet - all were consecrated as a response to the call of the Holy Spirit to make use of the talents bestowed upon her. As we celebrate Christmas this year, may God give such blessed consecration to all of us, the true embodiment of the Spirit of the Saviour Himself. Have a Blessed and Happy Christmas.

Perundalaiyur nurtured her to grow in the Lord. She joined the prayer groups to pray for the missionaries in North India. She had a passion for the Lord's ministry and perishing souls. Ms. Lidia wished to do God's ministry, and God opened the door through her marriage to Rev. Augustus Pushparaj.

Rev. Augustus joined FMPB in the year 1992 and after his training, he was posted in Jharkhand. He married Lidia on 15th February 1996, at Brough Memorial Church, Erode. Rev. Augustus' father Mr. Kanagaraj is a teacher of a Primary School and an ardent prayer group leader of Erode, who toiled hard for the growth of FMPB in and around Erode. Rev. Augustus and his wife Lidia worked among the Malto people of Jharkhand more than 10 years. Since 2008, they have been doing the Mobilization ministry in Tamil Nadu.

Mrs. Lidia and Rev. Augustus are blessed with a son Samuel Jonathan, who is studying 11th std in Salem. Mrs. Lidia was very active in conducting prayer cells, especially among the women. She motivated many women to pray and support the ministry. Even on 13th November 2021, she was involved in the planning meeting held at Karur, to develop the ministry among the women in the Western Zone. She had a lot of dreams about the ministry among the women.

As she had breathing difficulty on 15th November 2021, she was admitted in a hospital. She could not recover and entered into glory on 16th November early morning. Her final burial ceremony was held on 16th evening and her mortal remains were laid to rest with the hope of resurrection. Yes, She did what she could [Mark 14:8]. We thank God for the life of Mrs. Lidia Augustus.

Let us uphold Rev. Augustus Pushparaj, his son Samuel Jonathan and the family members through our prayers.

# DAMAD VIHIR CHURCH HISTORY GUJARAT

**Rev. L. Masilamani**

**D**aher is a medium size village located in the Subir taluka of The Dangs district, Gujarat with a total 196 families residing. As per the Constitution of India and Panchayat Raj Act, Daher village is administrated by Sarpanch (Head of Village) who is the elected representative of the village. In Daher village, most of the village population is from Schedule Tribe (ST). In this village, 331 workers are engaged in various works and 222 are involving in cultivation and other 55 are agricultural labourers.

## The Beginning:

On 8-5-1981, L. Masilamani, his wife Mrs. Vanmathi opened the Ahwa field by settling in a rented house in Pipaldahad village. Brothers G. Samuel and S. Arulraj joined with them on 27-9-1981 for a certain period and they moved to other mission fields and ministries soon. As the Dolyambar village headman and Manu Bhai invited the missionaries to their village, missionaries went to live in Dolyambar village on 12-3-1983. Dolyambar village became a strategic place to tell the Gospel to the nearby villages. The believers sought the help of FMPB missionaries to develop the ministry in their nearby villages.

One Pentecostal Church existed in the Borinapada Street of Daher village. Many people who were healed started following this new faith. Dolyambar village headman's wife's sister was living in Baripada. Dolyambar village headman's wife also attended this

Church for want of healing for her sickness even before the starting of FMPB Church in Dolyambar village. Her sister's son Sonu Bhai Dhakal Bhai became a Christian believer through this Pentecostal Church. There was much opposition for the believers in this village. Moreover, Sonu Bhai and a few other believers were not pleased with the pastor of the Pentecostal Church, Jhiman Bhai, due to lack of his witnessing life as he was keeping two wives. As these Pentecostal Christians felt unprotected due to oppositions, they were looking for support and protection. So they decided to join FMPB. They met FMPB missionary Rev. L. Masilamani at Dolyambar village on 2-10-1983 and requested to start a separate worship service in their village. On 7-10-1983, missionary, evangelist Sampat Bhai, Dolyambar village headman (Patel)

and his brother in law Bikku Bhai (Karbari of Dolyambar village) went to Baripada village and conducted a night meeting on Friday. Five families gathered for this first night meeting under the banner of FMPB. These people belonging to the Warli Tribe sincerely attended on every Fridays in Damad Vihir.

### **Sonu Bhai Dhakal Bhai**

describes his testimony as follows -

“When I got sicknesses I used to go to the ‘Bhagat’ (magicians or shamans) and followed their instructions by sacrificing cocks, goats etc. In spite of spending much on such things I did not get well. Once my daughter became very sick. I went to hospital and tried medicines. But my daughter didn’t recover. I was very worried. There was one Church functioning in our village. Many sick people used to go there and were healed. Seeing this, I also went to that Church one day and I asked the elder to pray for my daughter. He prayed for my daughter and told me to come to the Church for every Sunday service. So I started attending the Church every Sunday. My daughter became well. After hearing the messages from the Bible I was convinced of the reality of Jesus Christ and I believed in Him. When we became Christians we were persecuted for our faith. Village people used to come to our home with weapons to attack us and told us to leave the Christian faith and threatened us and threw stones on our houses. They didn’t allow us to draw water from the village well. The village headman (Patel) and another village leader (Karbari) also

gave us more troubles. So I went to my in-laws’ village and lived with them and prayed for this situation. Slowly the situation changed and the next year we went to our village and we attended the Church meetings. But our Church elder’s behaviour was not in line with his teachings. We were upset. At this time we heard about the arrival of God’s servants from Tamil Nadu and that they are doing the work systematically and lived according to the Word of God and they lived in Dolyambar village. With our village Christians Rangju Bhai, Kalu Bhai and one more person I went to Dolyambar and met missionary L. Masilamani there. We told him about the village situation and invited him to our village to start a congregation. He told us to gather in another part of our village for the meetings. Missionaries came to our village and met the village leaders like the Patel and Karbari and the Panchayat President and told them not to give troubles to the Christians and helped them understand the importance of religious freedom to be valued. We praise God for this provision in our villages. We started gathering in Damad Vihir, which is part of our village. A Church was also built in 1995 and following us nearly twenty to twenty five families have become Christians and they come to our Church. I thank God for this blessing.”

### **Church Growth**

Every Friday night meetings were regularly conducted in Damadvihir village. Many sick people and those who wanted God’s blessings for the gift of a child and other needs to be met attended the Friday meetings conducted by FMPB missionaries and evangelists. A few testimonies will show how God was doing wonders and was adding new people to His Church in Damad Vihir meetings.

Rangju Bhai Devji Bhai was a shaman (bhagat) who was possessed by the evil spirit and

was not cured by his mantras. At last he got deliverance from the evil spirit's attack and the sickness through prayers in the Church. He explains his conversion experience:

"With the power of evil spirits I used to heal sick people. I was drinking liquor and behaved differently being possessed by an evil spirit. Due to the influence of the evil spirits, my three brothers died one by one. Lastly the same sickness attacked me. I became very sick and I became unconscious and I fell down. So I went to the Church in my village. I was healed immediately. My wife and myself also believed in Jesus and accepted Jesus Christ as our Saviour. We also gave our land for the Church construction. We are firm in our faith. We thank God."

Thus the Church at Damad Vihir village grew in numbers. Twenty five families became Church members. So a Church was built by the members. 150 people became believers from 1983 to 2016. 28 families were in faith in 2016.

## Church Construction

The first kacha Church was constructed and dedicated by Rev. Lionel Hector, the Bombay Tamil Methodist Church pastor, on 10-5-1985, the donor of the land is Rangju Bhai Devji Bhai. This Church was renovated and dedicated on 21-6-1992 by the field missionary Rev. L. Masilamani. Later, another Church was built in the land of Dharam Bhai Devji Bhai Choudhary.

**Devji Bhai Choudhary**, the donor of the land for the new Church gives his testimony:

"I accepted Jesus. I considered as my privilege to give land to the Church. I was very poor without sufficient income for food. After coming to Christian faith God has removed my poverty and is meeting all our needs."

The measurement of the Church is 50 feet long and 25 feet wide. On 13-6-2013 we laid the foundation for Church construction. On 20-1-2014 the Church was completed. On 21st January 2014, the Church was dedicated for the glory of God. It is a pucca building with Asbestos roof.

Believers contributed their labour till the Church construction was over. They provided the wood for the Church. All are from Varli tribe. 50 to 75 people attend Church services. Jannat Bhai is conducting the Church service. He is the catechist.

## Church Integration

This Church was integrated fully with the Church of North India, Gujarat Diocese in the year 2013. This Church is brought under Pipladevi pastorate. Jharan and Bandhpada Churches were established by the outreach ministry of this Church. Four to seven people are added every year.

Missionaries who worked in this field are L. Masilamani, G. Samuel, Bethuel Bardhan, and D. Abraham families.

## Prayer Points:

- Pray for our believers to influence others through their witnessing life.
- Pray for the people who have not accepted Christ in this village to come to the fold of Jesus Christ.
- Pray for the evangelists to be filled with the burden for souls.
- Pray for the inheritance of this village and surrounding this to help others in need.

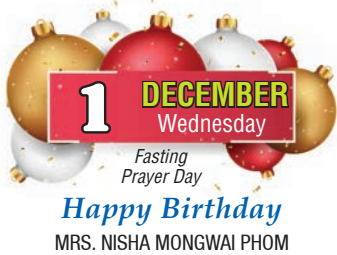

## ONLINE CARNIVAL - VIZAG, A SUCCESS FORMULA!

"James Allen says, "By thoughts we rise; by thoughts we fall; by thoughts we stand or go - One thought kindled(online auction) in the mind of FMPB leaders made the way not to stall the FMPB Carnival 2020 and now Oct 2nd, 2021. Unprecedented time demands an unprecedented solution, when the whole world is

glued online for day to day activities, the thought was 'why not FMPB fall online to continue the Carnival with God's guidance.' There was no looking back after that. FMPB Carnival has already etched a name for itself in Vizagities mind. Patrons made it a roaring success. We saw technology was used to its hilt; heavy online biddings were made throughout days without dampening the spirits of patrons. Groceries, plants were off the shelf in a jiffy, though some missed sumptuous biriyani, mouth watering snacks and commotion. This would not have been possible without the selfless efforts of FMPB leaders who relentlessly worked hard behind the scene. Nonetheless Jharkhand missionaries' guidance was a beacon of light in this uncertain time and the local missionaries along with a well oiled team who are always on their knees to draw inspiration from the Almighty. The Vizag team worked relentlessly for seamless conduct of the carnival auction. God has enabled us to raise a good amount through this program. It was a double whammy when FMPB Bangalore and Chennai team expressed their desire to emulate the success formula Vizag FMPB team had."

- Mr. John Samuel, Hon.Sec Vizag.

## **Normalcy Returned After a Few Months of Misunderstanding!**

In Himachal Pradesh at Rampur area, three independent pastors were brought to Rampur Police station by the religious fanatics accusing them for proclaiming the Gospel. One among them had cash of about Rs. 40,000/- in his suitcase for some other purpose. It was misunderstood by the people and spread the rumour of forceful conversion. The video clips and the news went viral through the media in and around the area and it affected the ministry in many ways. For instance, the Church attendance percentage became drastically low, many believers could not involve in sharing the gospel to their neighbours / relatives and other known friends. In spite of all these incidents, by God's grace and mercy the situation in Rampur area is gradually coming back to normalcy. By God's grace, we were able to pay a visit to the believers residing nearby throughout the month and somehow encouraged and motivated them.

Mr. Francis Duraisamy was born on 7th February 1974 as the 7th child to non-Christian parents Mr. Kariappa and Mrs. Thoddamma at Medupalli village of Krishnagiri Dist. While studying in 9th Std, he was given a tract by a man of God in which Psalms 115 was mentioned which spoke to him to believe, 'Jesus is the true God.' When he was doing his Diploma studies in engineering in 1992, he confessed Jesus as the Lord and joined the Church as the first one from his village. When he was attending FMPB Annual Conference in Danishpet, Salem, he committed himself to the full time ministry. He joined FMPB in 1994, but due to the family situation, he joined Bethel Bible Institute and did his B.Th studies.

Sis. Jayanthi was born on 10th April 1979 as the eldest daughter to non-Christian parents Mr. Pathiappan and Mrs. Lakshmi at Ulagam village of Krishnagiri Dist. God delivered her from the possession of evil spirit when the missionaries of FMPB prayed for her. So she accepted Jesus Christ as her personal Lord and Saviour and joined the Church in 1996.

On 26th June 1996, the wedding of Francis and Jeyanthi were conducted as the first Christian marriage in the mission field of Shoolagiri. She got a dream in which she felt as if she found favour in the eyes of the Lord and so she committed herself to serve the Lord.

In June 2006, Francis and Jeyanthi as a family joined FMPB as full-fledged missionaries. He worked with Gospel Ratham for some time in Karnataka. Then they had been working in north Karnataka, Bangarapet and Malur and currently they work in Gowribidanur mission field of Karnataka.

God blessed this missionary couple with three daughters, and the eldest one, Reena [DOB: 04.04.1997] has completed B.Tec; the second daughter Priya [DOB: 08.07.2003] is doing BBA 3rd year in Madras Christian College and the third daughter Christina Preethi Angel [DOB: 04.10.2007] is studying in 9th Std at Santhosha Vidyalaya.

Kindly uphold this missionary family in your prayers.
